Young love, old grudges, and a madcap insurance scheme collide in this charming British comedy by the author of the Jeeves & Wooster novels. John Carroll doesn't have a shot at marrying the lovely lady Pat Wyvern, not while his Uncle Lester, the Squire of Rudge Hall, is feuding with Pat's father. Meanwhile, John's cousin Hugo might have a chance to open a nightclub, if only the miserly Lester would lend him the money. But truth be told, Lester can barely afford his stay at Healthward Ho, the health spa where he's put himself at the mercy of the aptly named Dr. Twist.

Thankfully, a plan emerges to help Lester get a little money for nothing, just enough to solve everyone's problems. But when the not-so-legal scheme gets more twisted than a Healthward Ho exercise regimen, it may just open up a path down the aisle for John and Pat . . . The Preacher's Complete Homiletical Commentary on the Old Testament:

Chronicles Open Road Media

Written in Middle English during the Tudor period, "Everyman" is the most famous example of the medieval morality play. Popular in Europe during the 15th and 16th century, morality plays were allegorical dramas in which the protagonists are met with the personifications of personal attributes and

tasked with choosing either a good and godly life or evil. "Everyman" is the archetypal morality play, as the main character, Everyman, represents all of mankind. God, frustrated with the wicked and greedy, sends Death to Everyman and summons him to account for his misdeeds and sins. It was believed that God tallied all of one's good and evil deeds in life and then one must provide an accounting before God upon one's death. During Everyman's pilgrimage to God, he meets many characters, such as Fellowship, Good Deeds, and Knowledge.

Everyman asks them all to join him in his journey so that he may improve his reckoning before God. In the end, it is only Good Deeds that stays with him before God and helps Everyman find salvation and eternal life. This edition is printed on premium acid-free paper.
