KOCH KEAGAN

The Smartest Book in the World Samuel
French, Inc.

Originally published by Random House in
1987, this collection of three of Allen's
comedy screenplays includes Zelig,
Broadway Danny Rose and The Purple
Rose of Cairo, for which he won an Oscar
for best screenplay.

Nonsense Novels Samuel French, Inc.
This is the first uncensored,
unauthorized biography of a filmmaker
who is to his era what Charlie Chaplin &

Buster Keaton were to theirs - & the first
biography to investigate all the sensitive
subjects both personal & professional
that Woody does not talk about.

The Complete Prose of Woody Allen
Simon and Schuster

When Harold Ross founded The New
Yorker in 1925, he called it a “comic
weekly.” And although it has become
much more than that, it has remained
true in its irreverent heart to the
founder’s description, publishing the
most illustrious literary humorists in the
modern era—among them Robert
Benchley, Dorothy Parker, Groucho
Marx, James Thurber, S. J. Perelman,

Mike Nichols, Woody Allen, Calvin Trillin, Garrison Keillor, Ian Frazier, Roy Blount, Jr., Steve Martin, and Christopher Buckley. *Fierce Pajamas* is a treasury of laughter from the magazine *W. H. Auden* called the “best comic magazine in existence.”

The Unruly Life of Woody Allen Modern Library

From the author of the best-selling biography *Woody Allen*—the most informative, revealing, and entertaining conversations from his thirty-six years of interviewing the great comedian and filmmaker. For more than three decades, Woody Allen has been talking regularly and candidly with Eric Lax, and has given him singular and unfettered access to his film sets, his editing room, and his thoughts and observations. In

discussions that begin in 1971 and continue into 2007, Allen discusses every facet of moviemaking through the prism of his own films and the work of directors he admires. In doing so, he reveals an artist’s development over the course of his career to date, from joke writer to standup comedian to world-acclaimed filmmaker. Woody talks about the seeds of his ideas and the writing of his screenplays; about casting and acting, shooting and directing, editing and scoring. He tells how he reworks screenplays even while filming them. He describes the problems he has had casting American men, and he explains why he admires the acting of (among many others) Alan Alda, Marlon Brando, Michael Caine, John Cusack, Judy Davis, Robert De Niro, Leonardo DiCaprio, Mia

Farrow, Gene Hackman, Scarlett Johansson, Julie Kavner, Liam Neeson, Jack Nicholson, Charlize Theron, Tracey Ullman, Sam Waterston, and Dianne Wiest. He places Diane Keaton second only to Judy Holliday in the pantheon of great screen comediennes. He discusses his favorite films (Citizen Kane is the lone American movie on his list of sixteen “best films ever made”; Duck Soup and Airplane! are two of his preferred “comedian’s films”; Trouble in Paradise and Born Yesterday among his favorite “talking plot comedies”). He describes himself as a boy in Brooklyn enthralled by the joke-laden movies of Bob Hope and the sophisticated film stories of Manhattan. As a director, he tells us what he appreciates about Bergman, De Sica, Fellini, Welles,

Kurosawa, John Huston, and Jean Renoir. Throughout he shows himself to be thoughtful, honest, self-deprecating, witty, and often hilarious. Conversations with Woody Allen is essential reading for everyone interested in the art of moviemaking and for everyone who has enjoyed the films of Woody Allen.

Three Films of Woody Allen Simon and Schuster

The social unconscious and its manifestations in group analysis are the focus of this important new book of Earl Hopper's selected papers. Drawing on sociology, psychoanalysis and group analysis, he argues that groups and their participants are constrained unconsciously by social, cultural and political facts and forces.

God Univ. Press of Mississippi

In 1997, game studio Running With Scissors released its debut title, *Postal*, an isometric shooter aimed at shocking an imagined pearl-clutching public. The game was crass, gory, and dumb—all of which might have been forgivable if the game had been any fun to play. *Postal* gained enough notoriety from riding the wave of public outrage to warrant a sequel. And DLC. And a remake. And, perhaps most surprising of all, a Golden-Raspberry-winning feature film adaptation directed by the infamous Uwe Boll. In this thoughtful and hilarious tag-team performance, Brock Wilbur & Nathan Rabin probe the fascinatingly troubled game and film for what each can tell us about shock culture & mass shootings, interviewing the RWS team and even Boll himself for answers. Like it

or not, *Postal* is the franchise that won't die—no matter how many molotov cocktails you throw at it.

Reel Life Lessons ... So Far Grand Central Publishing

A movie buff periodically receives tips from the spirit of Humphrey Bogart on how to make it with women.

Conversations with Woody Allen

Simon and Schuster

His first new collection of short humor in fifteen years is classic Woody Allen. *Zero Gravity* is the fifth collection of comic pieces by Woody Allen, a hilarious prose stylist whose enduring appeal readers have savored since his classics *Getting Even*, *Without Feathers*, *Side Effects*, and *Mere Anarchy*. This new work combines pieces that have appeared in *The New Yorker* along with eleven

written exclusively for this book, each a comic inspiration. Whether he's writing about horses that paint, cars that think, the sex lives of celebrities, or how General Tso's Chicken got its name, he is always totally original, broad yet sophisticated, acutely observant, and most important, relentlessly funny. Along with titles like "Buffalo Wings, Woncha Come Out Tonight" and "When Your Hood Ornament Is Nietzsche," included in this collection is his poignant but very funny short story, "Growing Up in Manhattan." Daphne Merkin has written the foreword. Zero Gravity implies writing not to be taken seriously, but, as with any true humor, not all the laughs are weightless. Relatively Speaking Simon and Schuster Celebration of a great talent.

The Floating Light Bulb Boss Fight Books "I love to entertain people and make them laugh. Whether through Manny or by just being myself, making people laugh is the greatest feeling in the world. Getting an opportunity to do that at my age has taught me a lot. So, I started this journal as a reminder of the most important real and 'reel' life lessons that I hope to never forget. " Barely into his teen years, Rico Rodriguez is living his dream, playing the hilarious and infectious character Manny Delgado on ABC's Emmy Award-winning sitcom Modern Family. As his on-screen alter ego, Rico dispenses wisdom with a maturity far beyond his age. In Reel Life Lessons...So Far, he shares his own thoughts about growing up, facing life's challenges, and the importance of

family. Written in a simple, lighthearted manner and filled with witty and engaging anecdotes about Rico's life on and off the set—or, as he puts it, life with his real family and his reel family, *Reel Life Lessons...So Far* reflects a sense of warmth and charm that will remind readers of all ages about the true kid inside us all.

The Lonely Guy and The Slightly Older Guy Grove Press

From the renowned comedian, creator, star and executive producer/multiple title-holder of Comedy Central's *Important Things with Demetri Martin* comes a bold, original, and rectangular kind of humor book. Demetri's first literary foray features longer-form essays and conceptual pieces (such as *Protagonists' Hospital*, a melodrama

about the clinic doctors who treat only the flesh wounds and minor head scratches of Hollywood action heroes), as well as his trademark charts, doodles, drawings, one-liners, and lists (i.e., the world views of optimists, pessimists and contortionists), Martin's material is varied, but his unique voice and brilliant mind will keep readers in stitches from beginning to end.

Getting Even Knopf Books for Young Readers

A candid and colorful memoir by the singer, songwriter, and “Duchess of Coolsville” (Time). This troubadour life is only for the fiercest hearts, only for those vessels that can be broken to smithereens and still keep beating out the rhythm for a new song . . . *Last Chance Texaco* is the first-ever no-holds-

barred account of the life of two-time Grammy Award-winner and Rickie Lee Jones in her own words (Hilton Als). It is a tale of desperate chances and impossible triumphs, an adventure story of a girl who beat the odds and grew up to become one of the most legendary artists of her time, turning adversity and hopelessness into timeless music. With candor and lyricism, she takes us on a singular journey through her nomadic childhood, her years as a teenage runaway, her legendary love affair with Tom Waits, and ultimately her longevity as the hardest working woman in rock and roll. Rickie Lee's stories are rich with the infamous characters of her early songs—"Chuck E's in Love," "Weasel and the White Boys Cool," "Danny's All-Star Joint," and "Easy Money"—but long

before her notoriety in show business, there was a vaudevillian cast of hitchhikers, bank robbers, jail breaks, drug mules, and a pimp with a heart of gold, and tales of her fabled ancestors. This intimate memoir by one of the most trailblazing and tenacious women in music is filled with never-before-told stories of the girl in the raspberry beret, whose songs defied categorization and inspired American pop culture for decades. "A striking, distinctive self-portrait." —The New York Times "Terrific . . . Jones is as fearless in prose as she is on stage." —Minneapolis Star-Tribune "Men leave, fame fizzles, family breaks your heart . . . but Jones knows a good story and how to tell it." —Kirkus Reviews (starred review) "[The] premiere song-stylist and songwriter of

her generation.” —Hilton Als, Pulitzer Prize-winner and author of *White Girls Complete Prose of Woody Allen* Vintage The Long-Awaited, *Enormously Entertaining Memoir by One of the Great Artists of Our Time*—Now a New York Times, USA Today, Los Angeles Times, and Publisher’s Weekly Bestseller. In this candid and often hilarious memoir, the celebrated director, comedian, writer, and actor offers a comprehensive, personal look at his tumultuous life. Beginning with his Brooklyn childhood and his stint as a writer for the Sid Caesar variety show in the early days of television, working alongside comedy greats, Allen tells of his difficult early days doing standup before he achieved recognition and success. With his unique storytelling pizzazz, he recounts his

departure into moviemaking, with such slapstick comedies as *Take the Money and Run*, and revisits his entire, sixty-year-long, and enormously productive career as a writer and director, from his classics *Annie Hall*, *Manhattan*, and *Annie and Her Sisters* to his most recent films, including *Midnight in Paris*. Along the way, he discusses his marriages, his romances and famous friendships, his jazz playing, and his books and plays. We learn about his demons, his mistakes, his successes, and those he loved, worked with, and learned from in equal measure. This is a hugely entertaining, deeply honest, rich and brilliant self-portrait of a celebrated artist who is ranked among the greatest filmmakers of our time.

This Is a Book Knopf

Here they are--some of the funniest tales and ruminations ever put into print, by one of the great comic minds of our time. From *THE WHORE OF MENSA*, to *GOD (A Play)*, to *NO KADDISH FOR WEINSTEIN*, old and new Woody Allen fans will laugh themselves hysterical over these sparkling gems.

Hannah and Her Sisters Da Capo Press
Comprising the classic bestsellers
Getting Even, Without Feathers, and
Side Effects, this definitive collection of
comic writings is from a man who needs
no Introduction. Really--this book has no
Introduction. The Insanity Defense
reveals many sides of Woody Allen as he
holds forth on the most human of urges
("Why does man kill? He kills for food.
And not only for food: frequently there
must be a beverage"); reflects on death

("I don't believe in an afterlife, although I
am bringing a change of underwear");
and notes the effect on history wrought
by trick chewing gum, the dribble glass,
and other novelties. There is also an
inspiring story of the futile race to beat
Dr. Heimlich to the punch: "The food
went down the wrong pipe, and choking
occurred. Grasping the mouse firmly by
the tail, I snapped it like a small whip,
and the morsel of cheese came loose. If
we can transfer the procedure to
humans, we may have something. Too
early to tell." All Woody Allen fans will
cherish this uproarious treasury--and
those who don't enjoy The Insanity
Defense are just plain crazy. "If you
don't care if you break into helpless
whoops of laughter on buses, trains, or
wherever you happen to be reading it."

-Chicago Tribune, on *Without Feathers*
 “Brilliant flights of fancy whose comic detail and inspired silliness are at once dramatic and controlled.” -The New York Times, on *Side Effects*

Apropos of Nothing Grove Press

In this hysterical #1 New York Times bestseller, one kid has to wrangle gators, snakes, bats that bite, and a reality show host gone rogue! This is Carl Hiaasen's Florida—where the creatures are wild and the people are wilder! When Wahoo Cray's dad—a professional animal wrangler—takes a job with a reality TV show called *Expedition Survival!*, Wahoo figures he'll have to do a bit of wrangling himself to keep his father from killing Derek Badger, the show's inept and egotistical star. But the job keeps getting more complicated: Derek Badger insists

on using wild animals for his stunts; and Wahoo's acquired a shadow named Tuna—a girl who's sporting a shiner courtesy of her father and needs a place to hide out. They've only been on location in the Everglades for a day before Derek gets bitten by a bat and goes missing in a storm. Search parties head out and promptly get lost themselves. And then Tuna's dad shows up with a gun . . . It's anyone's guess who will actually survive *Expedition Survival*. . . “Only in Florida—and in the fiction of its native son Carl Hiaasen—does a dead iguana fall from a palm tree and kill somebody.” —New York Post “Chomp is a delightful laugh-out-loud sendup of the surreality of TV that will be enjoyed by readers of all ages.” —Los Angeles Times

Without Feathers Random House Trade Paperbacks

THE STORIES: In TALKING CURE, Ethan Coen uncovers the sort of insanity that can only come from family. Elaine May explores the hilarity of passing in GEORGE IS DEAD. In HONEYMOON MOTEL, Woody Allen invites you to the sort of wedding day you won't forget.

The Social Unconscious Dramatists Play Service Inc

Woody Allen's screenplays are some of the wittiest and most sophisticated of modern cinema classics, and these four scripts reflect the emotional range of his talent. *Annie Hall*, subtitled 'A Nervous Romance', starred Diane Keaton with Woody Allen and won Academy Awards for Best Picture, Best Script, Best Actress and Best Director. *Manhattan* takes city

life as its subject and stars Woody Allen as TV-comedy writer. *Interiors* and *Stardust Memories* are studies of the inner lives of their characters.

Woody Allen Arcade

New York Times Bestseller A startlingly original debut from the actor, writer, director, and executive producer hailed as "a gifted observer of the human condition and a very funny writer capable of winning that rare thing: unselfconscious, insuppressible laughter" (The Washington Post). A boy wins a \$100,000 prize in a box of Frosted Flakes—only to discover that claiming the winnings might unravel his family. A woman sets out to seduce motivational speaker Tony Robbins—turning for help to the famed motivator himself. A new arrival in Heaven, overwhelmed with

options, procrastinates over a long-ago promise to visit his grandmother. We meet Sophia, the first artificially intelligent being capable of love, who falls for a man who might not be ready for it himself; a vengeance-minded hare, obsessed with scoring a rematch against the tortoise who ruined his life; and post-college friends who try to figure out how to host an intervention in the era of Facebook. Along the way, we learn why wearing a red T-shirt every day is the key to finding love, how February got its name, and why the stock market is sometimes just . . . down. Finding inspiration in questions from the nature of perfection to the icing on carrot cake, *One More Thing* has at its heart the most human of phenomena: love, fear, hope, ambition, and the inner stirring for the

one elusive element just that might make a person complete. Across a dazzling range of subjects, themes, tones, and narrative voices, the many pieces in this collection are like nothing else, but they have one thing in common: they share the playful humor, deep heart, sharp eye, inquisitive mind, and altogether electrifying spirit of a writer with a fierce devotion to the entertainment of the reader.

Four Films of Woody Allen Open Road + Grove/Atlantic

The Complete Prose of Woody Allen is a collection of fifty-two pieces of hilarious writing which firmly establish the author in the tradition of Groucho Marx and James Thurber. Woody Allen's prose displays his versatility and virtuosity with the written word, and his special brand

of humour.
