*Dangerous* Simon and Schuster

When my father died, I knew I would be in over my head trying to manage his vast fortune, but I had no idea what was in store. It turns out he had enemies, and they might come after me next. One man promises to protect me, but the price will be high, and it will not be paid in money...

Rocky Mountain Forever

"No names. No personal details. No face to etch into my mind. Just him, me, and an expensive silk tie. What happens in Vegas is supposed to stay in Vegas. He warns me he's full of danger. I never see that side of him. All I experience is his Russian accent, delicious scent, and touch that lights me on fire. One incredible night turns into two. Then we go our separate ways. But fate doesn't keep us apart. When I run into my stranger back in Chicago, I know it's him, even if I've never seen his icy blue eyes before. Our craving is hotter than Vegas." --Amazon.

**Ruthless Stranger**

Harper Collins  
I was tempted by love once...and it had nearly destroyed my entire life. Who's to say another wouldn't finish what the first woman started? Cara Ryan reminds me of everything I'm not. Too perfect. Too good. Too innocent. And still the enemy. A betrayal just waiting to happen. I know what she sees in me—a man with a broken past, a secret hidden in the darkness, a ruthless killer that would do anything to keep his family safe. And I know exactly who she is...a reminder of treachery. A woman better than me in every way. But I can break her from the inside out. And then she'd never betray me.

It started with a single look... my obsession, my desire, and need to possess the sweet, and incredibly naive Elena Romero. Dark raven hair, and piercing green eyes. She would make a beautiful bride. Ten-millions dollars and a forced signature later and she was mine. Like a thief I came in the dead of night and stole her away from her protected castle and placed her in a gilded cage made of gold. The deal had been made. She would become my wife. She would bear my children. She would bend to my will. But most importantly, she would help me destroy the man she loved most. The man who took everything from me: her father. \*This is a dark mafia romance that contains mature themes and graphic violence.. This is a complete standalone that ends with a happily ever after. 100,000+ words long. There is NO cheating either.\*\*

The moment I saw her standing there, broken and vulnerable, I knew I had to save her. Her haunting green eyes, her trembling form - she was the perfect prey, ripe for the taking. I watched as she struggled to keep it together, to maintain her composure in the face of her misfortune. I could see the cracks forming, the desperation seeping through. She was teetering on the edge, ready to shatter. That secret she's desperately trying to hide from me? I know exactly what it is. She's a submissive, destined to submit to an alpha. And I would be the one to pick up the pieces. To mold her into something exquisite, something that belonged solely to me. Her body, her pleasure, her very soul - they all belong to me now. I will break Sienna her defenses until she's quivering beneath my touch, begging for more. The delicious taste of her tears, the trembling of her limbs as I dominate her senseless. She will beg for my affection, plead for the ecstasy only I can offer. And when she's trembling beneath

me, utterly spent and satisfied, she will finally understand - she was always meant to be mine.
