RAMOS YATES

I Coloquio Galego de Fraseoloxía Random House

Un álbum biográfico muy especial y cuidado que conmemora el centenario del nacimiento de Julio Cortázar. «¿Por qué un álbum Cortázar? Porque no podíamos esperar más. Con motivo del centenario de su nacimiento, la Internacional Cronopia reclamaba ya con demasiada insistencia una nueva aproximación al escritor y al hombre. ¿Por qué no intentar un almanaque, "un hermoso libro, suelto y despeinado, lleno de interpolaciones y saltos y grandes aletazos y zambullidas", como proponía Julio Cortázar en La vuelta al día en ochenta mundos? La solución era una idea simple que iba a darnos muchísimo trabajo: un diccionario biográfico ilustrado, una foto-biografía autocomentada con retratos de todas las épocas, fotografías de las primeras ediciones de todos sus libros, algunas de sus publicaciones en periódicos y revistas; una antología de textos acompañada de objetos y cuadros que fueron suyos, reproducciones de manuscritos y mecanoscritos originales, papelitos sueltos todavía inéditos y, de vez en cuando, el recuerdo en primera persona de quienes fueron sus amigos. Que quien mire las imágenes y lea las palabras de este volumen sepa -como la invitación que es su obra, como fue su vida- "abrir las puertas para ir a jugar".» Carles Álvarez Garriga Edición de Aurora Bernárdez y Carles Álvarez Garriga. Diseñó: Sergio Kern.

De la penitencia, temor de Dios y meditaciones celestiales Houghton Mifflin Harcourt

The most famous and controversial novel from one of the greatest writers of the twentieth century tells the story of Humbert Humbert's obsessive, devouring, and doomed passion for the nymphet Dolores Haze. "The conjunction of a sense of humor with a sense of horror [results in] satire of a very special kind." —The New Yorker Awe and exhilaration—along with heartbreak and mordant wit—abound in *Lolita*, which tells the story of the aging Humbert Humbert's obsession for the nymphet Dolores Haze. *Lolita* is also the story of a hypercivilized European colliding with the cheerful barbarism of postwar America. Most of all, it is a meditation on love—love as outrage and hallucination, madness and transformation.

Quelque six mille proverbes et aphorismes usuels empruntés à notre âge et aux siècles derniers Gunter Narr Verlag

A riveting and powerful story of an unforgiving time, an unlikely friendship and an indestructible love

Diccionarios, frases, palabras Catapult

Does gender condition politicians' discourse strategies in parliament? This is the question we try to answer in *A Gender-based Approach to Parliamentary Discourse: The Andalusian Parliament*. This book, written by experts in the field of discourse analysis, covers key aspects of political discourse such as gender, identity and verbal and nonverbal strategies: intensification, enumerative series, non-literal quotations, pseudo-desemantisation, lexical colloquialisation, emotion, eye contact and time management. It provides a large number of examples from a balanced gender parliament, the Andalusian Parliament, and it focuses mainly on argumentation, since parliamentary discourse is above all argumentative. This book will prove invaluable to students and teachers in the field of discourse analysis, and more specifically of political discourse, and will also be very useful to politicians and anyone interested in communication strategies. As of January 2019, this e-book is freely available, thanks to the support of libraries working with Knowledge Unlatched.

A Polyglot of Foreign Proverbs ALFAGUARA

Proverbs and Their Lessons EME Editions

Winner of the National Book Award and National Book Critics Circle Award "A charming book about enchantment, a profound book about fairy tales."—John Updike, *The New York Times Book Review* Bruno Bettelheim was one of the great child psychologists of the twentieth century and perhaps none of his books has been more influential than this revelatory study of fairy tales and their universal importance in understanding childhood development. Analyzing a wide range of traditional stories, from the tales of Sindbad to "The Three Little Pigs," "Hansel and Gretel," and "The Sleeping Beauty," Bettelheim shows how the fantastical, sometimes cruel, but always deeply significant narrative strands of the classic fairy tales can aid in our greatest human task, that of finding meaning for one's life.

Le Monde de l'éducation Universidad de Salamanca

L'emploi naturel et spontané des expressions figées dans le discours est la preuve indéniable, sans être la seule, d'une bonne maîtrise de la langue étrangère chez les apprenants. Ainsi en conviennent la plupart des didacticiens, ainsi que les auteurs du Cadre européen commun de référence pour les langues qui préconisent, dans leurs recommandations, l'importance du bon usage des expressions idiomatiques et en demandent la possession au niveau C2, le dernier stade du parcours de l'apprentissage...

Diccionario de la lengua Castellana John Benjamins Publishing Company

Gattegno wrote this book as a scientist interested in learning processes, as a student interested in the mastery of foreign languages, and as a teacher interested in providing his students with ideal learning conditions. These perspectives combined with years of research, travel, and fieldwork create a full insight into the problem of learning a foreign language. He argues that learning a language should not be about recitation and memorization, but about the natural learning processes we have used since birth. "In fact," he writes, "We can no more say that we remember our language than that we remember how to stand up or walk."

No me digas! University of Pennsylvania Press

Carefully and judiciously edited by Mac E. Barrick, the *Tercera Celestina* is a rare piece of Spanish Renaissance prose fiction, a literary masterpiece, and a mine of linguistic and proverbial materials.

A Thousand Splendid Suns Universidad de Malaga

Voici un outil indispensable pour vous qui souhaitez connaître et pratiquer avec aisance l'espagnol "

tel qu'on le parle ". Loin des sentiers battus, ce recueil d'une conception nouvelle s'adresse aussi bien aux étudiants qu'aux hommes d'affaires, voyageurs, ... en un mot à tous les hispanophiles soucieux d'approfondir leur connaissance - trop rudimentaire ou trop académique - d'une langue vivante qu'ils souhaitent encore plus vivante. Empruntées au langage de tous les jours, la plupart des nombreuses expressions rassemblées ici sont celles que l'on voudrait connaître et qui ne figurent justement pas dans le dictionnaire ! Ceux qui veulent toujours tout savoir (los que estan siempre con la antena puesta), sans pour autant vouloir se casser la tête (comerse el coco) ou chercher midi à quatorze heures (buscar tres pies al gato), trouveront dans ce précieux ouvrage la réponse à toutes leurs questions, des explications sur l'origine de certaines expressions idiomatiques propres à la langue espagnole, ainsi que des petites notes culturelles visant à éclairer un mode de vie que nous ne connaissons pas toujours. D'une utilisation facile, l'ouvrage propose une recherche alphabétique fondée sur des mots-clés français qui, employés dans des contextes différents, trouvent en regard leur équivalent (et non leur traduction) en espagnol. La présence d'un index espagnol en fin d'ouvrage le rend également très utile pour le lecteur français qui voudrait connaître le sens des expressions qu'il a entendues sans les comprendre, et pour le lecteur hispanophone qui souhaite enrichir sa connaissance du français. Gardez ce livre à portée de la main

! Il vous permettra de mieux comprendre la psychologie du peuple espagnol, et comment son goût de la communication enrichit chaque jour une langue parlée aussi vivante.

The Uses of Enchantment New York, Macmillan Company

At seventeen, on the night of her mother's funeral, Grace Adams is attacked. A young woman with secrets too horrible to tell, with hurts so deep they may never heal, Grace will not tell the truth about the attack. She is beautiful enough for men to want her, but after a lifetime of being a victim, now she must pay the price for other people's sins. From the depths of an Illinois women's prison to a Chicago modelling agency, and from there to a challenging career in New York, Grace carries the past with her wherever she goes. In healing her own pain, she reaches out to battered women and children who live a nightmare she knows only too well. When Grace meets Charles Mackenzie, a New York lawyer, she has found a man who wants nothing from her - except to heal her, to hear her secrets, and to give her the family she so desperately wants. But with happiness finally within her grasp, Grace is at her most vulnerable - in danger of losing everything to an enemy from her past, an enemy bent on malice. Danielle Steel has written an extraordinary women's story with rare insight and power. Portraying the struggle to triumph over malice and betrayal, she transforms a life of pain into a blessing for others. Revealing both the stark reality of domestic abuse and the healing power of love, Malice is more than powerful fiction. It is a piece of life.

Henry and June London : Smith, Elder

The award winning Accabadora is an exceptional English-language debut, written with intriguing subtlety reflecting a sensual picture of local Italian life and death in villages during the 1950's. A time where family ties and obligations still decide much of life's ebb and flow. A must read for those who love a touch of the unusual. Formerly beautiful and at one time betrothed to a fallen soldier, Bonaria Urrai has a long held covenant with the dead. Midwife to the dying, easing their suffering and sometimes ending it, she is revered and feared in equal measure as the village's Accabadora.

When Bonaria adopts Maria, the unloved fourth child of a widow, she tries to shield the girl from the truth about her role as an angel of mercy. Moved by the pleas of a young man crippled in an accident, she breaks her golden rule of familial consent, and in the recriminations that follow, Maria rejects her and flees Sardinia for Turin. Adrift in the big city, Maria strives as ever to find love and acceptance, but her efforts are overshadowed by the creeping knowledge of a debt unpaid, of a duty and destiny that must one day be hers. Accabadora has been awarded seven major literary prizes, including Italy's prestigious Premio Campiello.
