WILEY RHYS

Climatological Data, Nevada Routledge

Vols. for 1841-1914 include Rates of box and pocket
chronometers on trial for purchase by the Board of Admiralty
(varies slightly); 1888-1914 include Rates of chronometer
watches on trial for purchase by the Board of Admiralty (varies
slightly); 1838, 1845- include Reports of the Astronomer Royal to
the Board of Visitors (these titles also issued separately).

Readers' Guide to Periodical Literature

Statistical Power Analysis is a nontechnical guide to power

analysis in research planning that provides users of applied
statistics with the tools they need for more effective analysis. The
Second Edition includes: * a chapter covering power analysis in
set correlation and multivariate methods; * a chapter considering
effect size, psychometric reliability, and the efficacy of
"qualifying" dependent variables and; * expanded power and
sample size tables for multiple regression/correlation.
