Company

Growing up in South Dakota, Josh
Garrett-Davis knew he would leave. But
as a young adult, he kept going back --
in dreams and reality and by way of
books. With this beautifully written
narrative about a seemingly empty but
actually rich and complex place, he has
reclaimed his childhood, his unusual

family, and the Great Plains. Among the
subjects and people that bring his
Midwestern Plains to life are the
destruction and resurgence of the
American bison; Native American "Ghost
Dancers," who attempted to ward off
destruction by supernatural means; the
political allegory to be found in *The
Wonderful Wizard of Oz*; and current
attempts by ecologists to "rewild" the
Plains, complete with cheetahs. Garrett-
Davis infuses the narrative with stories
of his family as well -- including his
great-great-grandparents' twenty-year

sojourn in Nebraska as homesteaders and his progressive Methodist cousin Ruth, a missionary in China ousted by Mao's revolution. *Ghost Dances* is a fluid combination of memoir and history and reportage that reminds us our roots matter.

The Kite Runner University of New Mexico Press

The #1 New York Times bestselling memoir from Augusten Burroughs, *Running with Scissors*, now a Major Motion Picture! *Running with Scissors* is the true story of a boy whose mother (a poet with delusions of Anne Sexton) gave him away to be raised by her psychiatrist, a dead-ringer for Santa and a lunatic in the bargain. Suddenly, at age twelve, Augusten Burroughs found himself living in a dilapidated Victorian in

perfect squalor. The doctor's bizarre family, a few patients, and a pedophile living in the backyard shed completed the tableau. Here, there were no rules, there was no school. The Christmas tree stayed up until summer, and Valium was eaten like Pez. And when things got dull, there was always the vintage electroshock therapy machine under the stairs.... *Running with Scissors* is at turns foul and harrowing, compelling and maniacally funny. But above all, it chronicles an ordinary boy's survival under the most extraordinary circumstances.

Storyteller W. W. Norton & Company

By the age of nine, I will have lived in more than a dozen countries, on five continents, under six assumed identities. I'll know how a document is forged, how

to withstand an interrogation, and most important, how to disappear . . . To the young Cheryl Diamond, life felt like one big adventure, whether she was hurtling down the Himalayas in a rickety car or mingling with underworld fixers. Her family appeared to be an unbreakable gang of five. One day they were in Australia, the next in South Africa, the pattern repeating as they crossed continents, changed identities, and erased their pasts. What Diamond didn't yet know was that she was born into a family of outlaws fleeing from the highest international law enforcement agencies, a family with secrets that would eventually catch up to all of them. By the time she was in her teens, Diamond had lived dozens of lives and lies, but as she grew older, love and

trust turned to fear and violence, and her family—the only people she had in the world—began to unravel. She started to realize that her life itself might be a big con, and the people she loved, the most dangerous of all. With no way out and her identity burned so often that she had no proof she even existed, all that was left was a girl from nowhere.

Surviving would require her to escape, and to do so Diamond would have to unlearn all the rules she grew up with. Wild, heartbreaking, and often unexpectedly funny, *Nowhere Girl* is an impossible-to-believe true story of self-discovery and triumph.

[Ghost Dances](#) Hachette Books

When frumpy senior citizen Archie goes in search of his missing son in the Spanish Canary Islands, he stumbles

upon a higher mission: locating a magical cure for his ailing fourteen-year-old granddaughter, Ella. Using a portal-jumping device called the Tillastrion, Archie and a stone-headed creature named Zeno are transported to Jarr-Wya, a magnificent yet terrifying island in a connected realm—along with Ella and her strong-willed mother, Tessa, who accidentally stow away on this not-so-secret quest. What they find on Jarr-Wya is an island tortured by a wicked Star anchored in the sea, and a raging three-way battle for dominion between the stone-wielding Bangols, the fiery Olearons, and the evil Millia sands. Ella's wit and resourcefulness emerge in this new world, while Tessa is forced to confront her long-buried secrets and a confusing new love triangle. When Ella is

captured, Tessa and Archie—with the help of a company of peculiar allies—set out to save her and unravel the terrible mystery of her cure. A mesmerizing, stay-up-all-night adventure of three unlikely heroes, *Above the Star* reminds us that even the smallest act of bravery can transform our lives and the fates of the worlds around us.

The Wolf of Wall Street Cambridge University Press

The Hundred Secret Senses is an exultant novel about China and America, love and loyalty, the identities we invent and the true selves we discover along

the way. Olivia Laguni is half-Chinese, but typically American in her uneasiness with her patchwork family. And no one in Olivia's family is more embarrassing to her than her half-sister, Kwan Li. For Kwan speaks mangled English, is cheerfully deaf to Olivia's sarcasm, and sees the dead with her "yin eyes." Even as Olivia details the particulars of her decades-long grudge against her sister (who, among other things, is a source of infuriatingly good advice), Kwan Li is telling her own story, one that sweeps us into the splendor, squalor, and violence of Manchu China. And out of the friction between her narrators, Amy Tan creates a work that illuminates both the present and the past sweetly, sadly, hilariously, with searing and vivid prose. "Truly magical...unforgettable...this

novel...shimmer[s] with meaning."--San Diego Tribune "The Hundred Secret Senses doesn't simply return to a world but burrows more deeply into it, following new trails to fresh revelations."--Newsweek

'An exceptional novel ... a cause for celebration' Washington Post 'The most accomplished Native American writer of her generation' The New York Times Book Review Tayo, a young Second World War veteran of mixed ancestry, is coming home. But, returning to the Laguna Pueblo Reservation, he finds himself scarred by his experiences as a prisoner of war, and further wounded by the rejection he finds among his own people. Only by rediscovering the traditions, stories and ceremonies of his

ancestors can he start to heal, and find peace. 'Ceremony is the greatest novel in Native American literature. It is one of the greatest novels of any time and place' Sherman Alexie

New Mexico Leo Cooper Books

This Companion provides a comprehensive introduction to the literature of the American West, one of the most vibrant and diverse literary traditions.

Gardens in the Dunes Simon and Schuster

A highly original and poetic self-portrait from one of America's most acclaimed writers. Leslie Marmon Silko's new book, her first in ten years, combines memoir with family history and reflections on the creatures and beings that command her attention and inform her vision of the

world, taking readers along on her daily walks through the arroyos and ledges of the Sonoran desert in Arizona. Silko weaves tales from her family's past into her observations, using the turquoise stones she finds on the walks to unite the strands of her stories, while the beauty and symbolism of the landscape around her, and of the snakes, birds, dogs, and other animals that share her life and form part of her family, figure prominently in her memories. Strongly influenced by Native American storytelling traditions, *The Turquoise Ledge* becomes a moving and deeply personal contemplation of the enormous spiritual power of the natural world-of what these creatures and landscapes can communicate to us, and how they are all linked. The book is Silko's first

extended work of nonfiction, and its ambitious scope, clear prose, and inventive structure are captivating. The Turquoise Ledge will delight loyal fans and new readers alike, and it marks the return of the unique voice and vision of a gifted storyteller.

Oceanstory St. Martin's Press

Since the earliest days of Spanish exploration and settlement, New Mexico has been known for lying off the beaten track. But this new history reminds readers that the world has been beating paths to New Mexico for hundreds of years, via the Camino Real, the Santa Fe Trail, several railroads, Route 66, the interstate highway system, and now the Internet. This first complete history of New Mexico in more than thirty years begins with the prehistoric cultures of

the earliest inhabitants. The authors then trace the state's growth from the arrival of Spanish explorers and colonizers in the sixteenth century to the centennial of statehood in 2012. Most historians have made the territory's admission to the Union in 1912 as the starting point for the state's modernization. As this book shows, however, the transformation from frontier province to modern state began with World War II. The technological advancements of the Atomic Era, spawned during wartime, propelled New Mexico to the forefront of scientific research and pointed it toward the twenty-first century. The authors discuss the state's historical and cultural geography, the economics of mining and ranching, irrigation's crucial role in

agriculture, and the impact of Native political activism and tribe-owned gambling casinos. *New Mexico: A History* will be a vital source for anyone seeking to understand the complex interactions of the indigenous inhabitants, Spanish settlers, immigrants, and their descendants who have created New Mexico and who shape its future.

Leslie Marmon Silko's Storyteller Simon and Schuster

* A Washington Post Notable Fiction Book of the Year A magnificent collection from award-winning author Ann Beattie—“profoundly intriguing and unsettling stories that abound in delectably witty and furious inner monologues, barbed dialogue, ludicrous predicaments, many faceted heartaches, and abrupt upswellings of affection, even

love...always on point, funny, and poignant” (Booklist, starred review). Ann Beattie’s “seamless combination of biting wit and mordant humor, precise irony, and consummate cool” is on full display in this astutely observed collection set along the East Coast from Maine to Key West, that explores unconventional friendships, frustrated loves, mortality, and aging. In *The Accomplished Guest*, people pay visits or receive visitors, travel to see old friends, and experience the joys and tolls of hosting company (and of being hosted). In some stories, as in life, what begins as a benign social event becomes a situation played for high stakes. “Ann Beattie slips into a short story as flawlessly as Audrey Hepburn wore a Givenchy gown” (Oprah Daily), and the

pieces in *The Accomplished Guest*—featuring recent O. Henry, Pushcart, and Best American Short Story selections—are marked by an undercurrent of loss and an unexpected element of violence, with Beattie’s signature mordant humor woven throughout. Some guests provide welcome diversions, others are uninvited interruptions, all are indelibly drawn. Beattie “punctures her characters’ pretensions and jadedness with an economy and effortless dialogue that writers have been trying to emulate for three decades” (*The New York Times Book Review*). *The Accomplished Guest* is fresh, funny, and overwhelmingly “brilliant at furnishing the precise level of niggling complexity that is tragically real” (*San Francisco*

Chronicle).

The Hundred Secret Senses

University of Oklahoma Press

Traces the unlikely friendship of a wealthy Afghan youth and a servant’s son in a tale that spans the final days of Afghanistan’s monarchy through the atrocities of the present day.

FINALIST FOR THE PEN/DIAMONSTEIN-SPIELVOGEL AWARD FOR THE ART OF THE ESSAY A *New York Times* Notable Book of 2017

The flâneur is the quintessentially masculine figure of privilege and leisure who strides the capitals of the world with abandon. But it is the flâneuse who captures the imagination of the cultural critic Lauren Elkin. In her wonderfully gender-bending new book, the flâneuse is a “determined,

resourceful individual keenly attuned to the creative potential of the city and the liberating possibilities of a good walk.” Virginia Woolf called it “street haunting”; Holly Golightly epitomized it in *Breakfast at Tiffany’s*; and Patti Smith did it in her own inimitable style in 1970s New York. Part cultural meander, part memoir, *Flâneuse* takes us on a distinctly cosmopolitan jaunt that begins in New York, where Elkin grew up, and transports us to Paris via Venice, Tokyo, and London, all cities in which she’s lived. We are shown the paths beaten by such flâneuses as the cross-dressing nineteenth-century novelist George Sand, the Parisian artist Sophie Calle, the wartime correspondent Martha Gellhorn, and the writer Jean Rhys. With tenacity and insight, Elkin creates a

mosaic of what urban settings have meant to women, charting through literature, art, history, and film the sometimes exhilarating, sometimes fraught relationship that women have with the metropolis. Called “deliciously spiky and seditious” by *The Guardian*, *Flâneuse* will inspire you to light out for the great cities yourself.

Oxygen Dial Press

“Louisiana’s Atchafalaya River Basin, the heart and soul of Acadiana, or Cajun country, is the focus of this compelling narrative by Ann McCutchan. A masterful weaving of cultural and environmental history, *River Music* also tells the life story of Louisiana musician, naturalist, and sound documentarian Earl Robicheaux. With Robicheaux as her guide, McCutchan embarks on a musical,

visual, literary, and historical tour of the Atchafalaya, where bayous, swamps, marshes, and river delta country have long sustained nature and culture, even as industry has changed both the landscape and the people. Along the way, she and Robicheaux pay homage to distinctive voices of the region's singular soundscape, including Acadian and Native American elders, birds, frogs, alligators, wind, water, and weather, which Robicheaux chronicles in archival recordings and musical compositions for museum exhibits, radio programs, and repositories such as the Cornell Lab of Ornithology. A CD of Robicheaux's soundscapes is included with the book"--Dust jacket flap.

Laguna Woman Odyssey Editions
No one interested in fashion, style, or

the high-flying intrigues of café society will want to miss Christopher Petkanas's exuberantly entertaining oral biography *Loulou & Yves: The Untold Story of Loulou de La Falaise and the House of Saint Laurent*. Dauntless, "in the bone" style made Loulou de La Falaise one of the great fashion firebrands of the twentieth century. Descending in a direct line from Coco Chanel and Elsa Schiaparelli, she was celebrated at her death in 2011, aged just sixty-four, as the "highest of haute bohemia," a feckless adventuress in the art of living—and the one person Yves Saint Laurent could not live without. Yves was the most influential designer of his times; possibly also the most neurasthenic. In an exquisitely intimate, sometimes painful personal and

professional relationship, Loulou was his creative right hand, muse, alter ego and the virtuoso behind all the flamboyant accessories that were a crucial component of the YSL “look.” For thirty years, until his retirement in 2002, Yves relied on Loulou to inspire him, make him laugh and talk him off the ledge—the enchanted formula that brought him from one historic collection to the next. Yves’s many tributes shape Loulou’s memory, as if everything there was to know about this fugitive, Giacometti-like figure could be told by her clanking bronze cuffs, towering fur toques, the turquoise boulders on her fingers and her working friendship with the man who put women in pants. But another, darker story lifts the veil on Loulou, a classic “number two” with a

contempt for convention, and exposes the underbelly of fashion at its highest level. Behind Yves’s encomiums are a pair of aristocrat parents—Loulou’s shiftless French father and menacingly chic English mother—who abandoned her to a childhood of foster care and sexual abuse; Loulou’s recurring desperation to leave Yves and go out on her own; and the grandiose myths surrounding her family. Loulou felt that her life had been kidnapped by the operatic workings of the House of Saint Laurent, and in her last years faced financial ruin. Loulou & Yves unspools an elusive fashion idol—nymphomaniacal, heedless and up to her bracelets in coke and Boizel champagne—at the core of what used to be called “le beau monde.”

Rude Awakenings Viking Adult

Now a major Amazon film directed by George Clooney and starring Ben Affleck, Tye Sheridan, Lily Rabe, and Christopher Lloyd, a raucous, poignant, luminously written memoir about a boy striving to become a man, and his romance with a bar, in the tradition of *This Boy's Life* and *The Liar's Club*—with a new Afterword. J.R. Moehringer grew up captivated by a voice. It was the voice of his father, a New York City disc jockey who vanished before J.R. spoke his first word. Sitting on the stoop, pressing an ear to the radio, J.R. would strain to hear in that plummy baritone the secrets of masculinity and identity. Though J.R.'s mother was his world, his rock, he craved something more, something faintly and hauntingly audible only in *The Voice*. At eight years old, suddenly unable to find *The Voice* on

the radio, J.R. turned in desperation to the bar on the corner, where he found a rousing chorus of new voices. The alphas along the bar—including J.R.'s Uncle Charlie, a Humphrey Bogart look-alike; Colt, a Yogi Bear sound-alike; and Joey D, a softhearted brawler—took J.R. to the beach, to ballgames, and ultimately into their circle. They taught J.R., tended him, and provided a kind of fathering-by-committee. Torn between the stirring example of his mother and the lurid romance of the bar, J.R. tried to forge a self somewhere in the center. But when it was time for J.R. to leave home, the bar became an increasingly seductive sanctuary, a place to return and regroup during his picaresque journeys. Time and again the bar offered shelter from failure, rejection, heartbreak—and

eventually from reality. In the grand tradition of landmark memoirs, *The Tender Bar* is suspenseful, wrenching, and achingly funny. A classic American story of self-invention and escape, of the fierce love between a single mother and an only son, it's also a moving portrait of one boy's struggle to become a man, and an unforgettable depiction of how men remain, at heart, lost boys. Named a best book of the year by *The New York Times*, *Esquire*, *The Los Angeles Times Book Review*, *Entertainment Weekly*, *USA Today*, NPR's "Fresh Air," and *New York Magazine* *A New York Times*, *Los Angeles Times*, *Wall Street Journal*, *San Francisco Chronicle*, *USA Today*, *Booksense*, and *Library Journal* Bestseller *Booksense Pick* *Borders New Voices* Finalist Winner of the Books for a

Better Life First Book Award
Children of the Land Simon and Schuster

A masterpiece of linguistics scholarship, at once erudite and entertaining, confronts the thorny question of how—and whether—culture shapes language and language, culture. Linguistics has long shied away from claiming any link between a language and the culture of its speakers: too much simplistic (even bigoted) chatter about the romance of Italian and the goose-stepping orderliness of German has made serious thinkers wary of the entire subject. But now, acclaimed linguist Guy Deutscher has dared to reopen the issue. Can culture influence language—and vice versa? Can different languages lead their speakers to

different thoughts? Could our experience of the world depend on whether our language has a word for "blue"? Challenging the consensus that the fundamentals of language are hard-wired in our genes and thus universal, Deutscher argues that the answer to all these questions is—yes. In thrilling fashion, he takes us from Homer to Darwin, from Yale to the Amazon, from how to name the rainbow to why Russian water—a "she"—becomes a "he" once you dip a tea bag into her, demonstrating that language does in fact reflect culture in ways that are anything but trivial. Audacious, delightful, and field-changing, *Through the Language Glass* is a classic of intellectual discovery.

Yellow Woman and a Beauty of the

Spirit Penguin

Every year, hundreds of the most beautiful people in the world come to New York to become models. At age fourteen, Cheryl Diamond was one of them. Living on her own in a run-down apartment, Cheryl spent her days on go-sees, runways, and shoots, surviving hand-to-mouth, while taking in everything she could about the tough and sleazy modeling industry. She watched other girls make mistakes, and swore she wouldn't be a victim...until a career-altering event changed her life and nearly ruined her shot at her dream. This is the riveting, true account of Cheryl's triumphant rise, disastrous fall, and phoenix-like comeback in one of the hottest and most demanding industries in the world.

Crazy Brave: A Memoir Simon and Schuster

A “raw and honest” (Los Angeles Review of Books) memoir from the first Native American Poet Laureate of the United States. In this transcendent memoir, grounded in tribal myth and ancestry, music and poetry, Joy Harjo details her journey to becoming a poet. Born in Oklahoma, the end place of the Trail of Tears, Harjo grew up learning to dodge an abusive stepfather by finding shelter in her imagination, a deep spiritual life, and connection with the natural world. Narrating the complexities of betrayal and love, *Crazy Brave* is a haunting, visionary memoir about family and the breaking apart necessary in finding a voice.

MONEY Master the Game Heyday Books

“To read this book is to hear the voices of the ancestors and spirits telling us where we came from, who we are, and where we must go.” —Maxine Hong Kingston From critically acclaimed author Leslie Marmon Silko, an epic novel about people caught between two cultures and two times: the modern-day Southwest, and the places of the old ones, the native peoples of the Americas In its extraordinary range of character and culture, *Almanac of the Dead* is fiction on the grand scale, a brilliant, haunting, and tragic novel of ruin and resistance in the Americas. At the heart of this story is Seese, an enigmatic survivor of the fast-money, high-risk world of drug dealing—a world in which the needs of modern America exist in a dangerous balance with Native American

traditions. Seese has been drawn back to the Southwest in search of her missing child. In Tuscon, she encounters Lecha, a well-known psychic who is hiding from the consequences of her celebrity. Lecha's larger duty is to transcribe the ancient, painfully preserved notebooks that contain the history of her own people—a Native American Almanac of

the Dead. Through the violent lives of Lecha's extended family, a many-layered narrative unfolds to tell the magnificent, tragic, and unforgettable story of the struggle of native peoples in the Americas to keep, at all costs, the core of their culture: their way of seeing, their way of believing, their way of being.
