"Code of Massachusetts regulations, 1993" Department of Commerce Patent and Trademark Office
 From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone

new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

Thirty years passed before it was accepted, in West Germany and elsewhere, that the Roma (Germany's Gypsies) had been Holocaust victims. And, similarly, it took thirty years for the West German state to admit that the sterilisation of Roma had been part of the 'Final Solution'. Drawing on a substantial body of previously unseen sources, this book examines the history of the struggle of Roma for recognition as racially persecuted victims of National Socialism in post-war Germany. Since modern academics belatedly began to take an interest in them, the Roma have been described as 'forgotten victims'. This book looks at the period in West Germany between the end of the War and the beginning of the Roma civil rights movement in the early 1980s, during which the Roma were largely passed over when it came to compensation. The complex reasons for this are at the heart of this book.

INS Forms for Applications and Petitions

The Parliamentary Ombudsman, Ann Abraham, has upheld complaints from nine farmers about the Government's handling of a subsidy scheme which caused them to miss out on payments they were entitled to. The farmers complained to the Ombudsman about the administration of the Single Payment Scheme (SPS) in 2005 and 2006 by the Rural Payments Agency (RPA), part of the Department for Environment, Food and Rural Affairs (Defra). The SPS is the latest generation of the EU schemes intended, among other policy aims, to give farmers direct income support. The farmers complained about RPA's handling of their claims to the SPS on a number of counts, including that they provided poor quality and sometimes ambiguous guidance on how to make a claim; failed to return applicants' telephone calls when this had been promised; misdirected applicants about the status of their cases; delayed letting applicants know that they would not be paid; and did not explain their decisions properly. RPA also failed to consider the effects their errors and omissions had on the farmers when they came to complain. In one case, a farmer misunderstood the new form and only claimed a subsidy for the year 2005. She did not activate her claim and subsequently did not receive a payment. No one questioned her mistake, even though RPA knew this was a common error by farmers. Losing a payment of over £13,000 left the farmer unable to pay all her bills and reliant on her partner's goodwill. She found out her mistake almost a year after submitting her claim, when she asked what had happened to her payment. Another farmer also misunderstood the new form and guidance and did not activate his claim. He was then led to believe by the RPA that he would be paid, which was not the case. He and his wife found the confusion and uncertainty of their circumstances particularly stressful. The farmer had to increase his overdraft, sell land and take on extra part time work in order to meet the financial shortfall. As a result of the Ombudsman's investigation the farmers will each receive a written apology from the Permanent Secretary of Defra and compensation of £500 for the inconvenience, distress and frustration that they experienced. They will also receive individual payments to put right the financial impact of RPA's failures. In addition, the Ombudsman has also asked RPA to provide an action plan setting out the changes they have made to prevent other farmers experiencing the same problems in future.

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.
