Un título inédito de romántica, con elementos de thriller que sorprenderán a las lectoras. Cuando Ana Alcázar acude a comisaría a denunciar el asesinato de una adolescente bajo su tutela y explica que está segura de ello porque ha tenido una visión, el inspector jefe Nuño Macnamara la toma por una lunática. cierne en torno a ella. Mientras investiga el asesinato, el inspector empieza a desentrañar también los misteriosos orígenes de esa mujer que siendo tan solo un bebé fue abandonada y creció en un centro de menores, al cual era devuelta, una y otra vez, por sus familias de acogida. Macnamara sospecha que lo ocurrido está directamente relacionado con el pasado de Ana, y no parará hasta averiguar todos los detalles de su vida. Muy a su pesar, el rudo policía que se había propuesto evitar la trampa del amor se siente cada vez más atraído por ella y hará todo que esté en su mano para salvarla#

New York Times bestselling author Karen Hawkins sets Scottish hearts afire in this delightfully witty and sexy Regency romance, the first in her Duchess Diaries series. Urged by her favorite nephew, the intimidating Duchess of Roxburghe agrees to transform a thorny Scottish rose into a lovely bloom. But even she isn't prepared for fiery Rose Balfour. At seventeen, Rose fell wildly in love with Lord Alton Sinclair, known as Lord Sin for his wicked ways. Stung by his indifference, the starry-eyed girl tried to win an illicit kiss, but then panicked and pushed the notorious

rakehell into a fountain. Leaving Lord Sin floating among the lily pads to the mocking laughter of his peers, Rose escaped back to the obscurity of the Scottish countryside. Six years later, Sin convinces his aunt, the Duchess of Roxburghe, to invite Rose to her annual house party, where he plans to get revenge by making Rose the laughingstock of polite society. To his astonishment, he finds she has become an alluring woman who threatens to turn the tables on his nefarious plans. Thus Sin and Rose begin an epic battle of the sexes that becomes more passionate at every turn. Eventually, one will have to surrender...but to vengeance? Or to love's deepest passion?

Basing their discussions on the concept of "intergenerational transmission of poverty"--the "process by which poor parents pass on poverty and disadvantage to their children," in the words of editor Moran (until recently a senior economist with the International Development Bank's Sustainable Development Department)--five essays reflect on political, philosophical, social, and other dimensions of investing in early childhood in Latin America. The essays include Amartya Sen's discussion of early childhood investment within the context of the overall development process, as well explorations of the relationship between health, nutrition, and cognitive and social dimensions of poverty; the impact of early childhood investment on economic growth and equity; and the role of the state in marshalling resources for early childhood investment. Every year, in banks and financial sinks throughout the world, billions of dollars in dirty money get washed clean. Most of it comes from drugs. The people laundering the money, however, are upstanding lawyers, bankers, and accountants. Robinson proves why any war on drugs must begin with the mind-boggling profits the drug trade produces.

Navy SEAL Javier "Cobra" Corbray is on his way home from a rough deployment in Afghanistan when he finds himself having dinner with "the Baghdad Babe." She's confident and sexually assertive, and he's secure enough to lie back and let her make the first strike. But, as she's about to find out, he's more than her match. ... or the beginning of something more? Yet, neither Laura nor Javier has any idea what lies ahead--or how this weekend of mind-blowing sex will impact their emotions. The last thing he wants to do is babysit an aid worker. But Jenna isn't just another assignment. She's also the younger sister of his best friend, the man who died taking bullets meant for him. There's no way Derek can refuse. An inescapable attraction... Jenna Hamilton doesn't need a bodyguard, especially not one hired by her intrusive and controlling father. From the moment his boots hit the ground in Afghanistan, Derek does his best to win Jenna over, posing as her brother so the two of them can spend time alone. But events have been set into motion that they cannot escape. When a ruthless warlord sets his sights on Jenna, Derek will do whatever it takes to keep her safe, even if it costs him his heart--or his life.
