RILEY MOODY

Eyes to See Simon & Schuster Books for Young Readers

Rediscover all the reasons you love The Matrix with this unique guide to the cult 90s sci-fi classic, filled with trivia, essays, and behind the scenes looks at characters, production, and so much more. Whether you saw the movie in theaters in 1999 or watched it for the first time at home, there is no denying that The Matrix has had an

immense impact on pop culture. A "must-see" of the science fiction genre and Why We Love The Matrix is the first and only guide that combines entertaining information about the history and making of the film with a celebratory look at all the different aspects that have helped solidify this as a beloved favorite of sci-fi fans. Offering entertaining essays about the key features that have helped the film become the classic it is today—like the origins of the plot and characters, film techniques, and the philosophy behind the story—plus quotes, sidebars, and eye-

catching two-color illustrations throughout, Why We Love The Matrix is a great gift for both casual and more serious fans of the movie and, let's face it, Keanu Reeves.

World War II on Film Hardie Grant Publishing

Yippee-ki-yay . . . Discover the explosive story behind the creation of the Die Hard saga in this visually stunning, behind-the-scenes look at the adventures of detective John McClane. Thirty years after the release of the groundbreaking action film, Die Hard: The Ultimate Visual History takes an in-depth look at the entire Die

Hard saga, from the original movie through to the hit sequels, comics, video games, and other extensions of hero John McClane's story. Loosely based on Roderick Thorp's novel *Nothing Lasts Forever*, *Die Hard*, released in 1988, saw Moonlighting star Bruce Willis seamlessly make the transition from TV success to movie stardom in a film so taut, explosive, and full of suspense that it would come to define the action movie genre for decades to come. Directed by John McTiernan (*Predator*), *Die Hard* also starred revered British stage actor Alan Rickman who turned lead villain Hans Gruber into a presence so deliciously malevolent, audiences didn't know whether to love him or hate him. For the first time, *Die Hard: The Ultimate Visual History* tells the complete story of the making of *Die Hard* and its sequels, through exclusive interviews with the cast and crew of each film and a wealth of rare and unseen imagery, including set photography and concept art. Also exploring *Die Hard* comics, video games, and other merchandise, this book will tell the full story of the saga and its remarkable thirty-year legacy.

New Old-fashioned Ways Simon and Schuster

High atop a Los Angeles skyscraper, an office Christmas party turns into a deadly cage-match between a lone New York City cop and a gang of international terrorists. Every action fan knows it could only be the explosive big-screen blockbuster *Die Hard*. But before Bruce Willis blew away audiences as unstoppable hero John McClane, author Roderick Thorp knocked out thriller readers with the bestseller that started it all. A dozen heavily armed terrorists have taken hostages, issued demands, and promised bloodshed — all according to plan. But they haven't counted on a death-defying, one-man cavalry with no shoes, no backup, and no intention of going down easily. As hot-headed cops swarm outside, and cold-blooded killers wield machine guns and rocket launchers inside, the stage is set for the ultimate showdown between anti-hero and uber-villains. Merry Christmas to all, and to all a good fight... to the death. Ho ho ho!

A Million Ways to Die Hard Oxmoor House

John McClane must contend with a movie-

obsessed serial killer in this explosive comic based on the *Die Hard* franchise. Thirty years after the release of *Die Hard*, a retired John McClane is being pulled back into the game by a dangerous foe he never thought he'd face again—a psychotic serial killer with a theatrical taste for casting his victims in reproductions of Hollywood's greatest and deadliest films! Faced with impossible choices and unimaginable odds, *A Million Ways To Die Hard* just may be the last case John McClane ever has. With a suspenseful new story by industry veterans Frank Tieri and Mark Texeira, *A Million Ways To Die Hard* is packed with all the humor, action, and firepower that defined the *Die Hard* series and is sure to thrill fans everywhere.

All American Christmas Chronicle Books
Jason Stephens lives a life of wealth. A life of privilege. A life that's about to take a radical turn. Jason always had a straightforward relationship with his billionaire grandfather, Howard "Red" Stevens. He shunned him but welcomed his money. So he figured when Red died, his part of the inheritance would be a simple cash transaction that would fund

his extravagant lifestyle. Instead, for Jason to receive his inheritance, he's given an ultimatum...a series of twelve tests or "gifts" as Red calls them. If he fails at any one of them, he loses everything. If he completes them all, the ultimate gift will be his. One of those "gifts" involves finding a friend...something Jason has never experienced before. Yet this unlikely friendship and an unexpected romance may just open his eyes to what he's been missing all along. "You don't begin to live until you've lost everything."

Movies R Fun! Graymalkin Media

Over 25 official crafting activities inspired by the Harry Potter films. Filled with imaginative projects, this official book of craft activities channels the magic of the Wizarding World into your home. Featuring over 25 crafts covering a range of skill levels, *Crafting Wizardry* includes clear, step-by-step, illustrated instructions so that the whole family can share in the magic. Inside you'll learn how to craft your very own wand, decorate your home to showcase your Hogwarts house pride, create your own pop-ups, and so much more. Sprinkled with fun facts and behind-the-scenes insights, this book also

features film stills, original concept art, and blueprints from the making of the Harry Potter films to take you deeper into the Wizarding World and further inspire your creativity. So get ready, it's time for some crafting wizardry!

The Christmas Gift Rizzoli Publications

No one under seventeen should be admitted without a parent or guardian to these "fun-filled" illustrations of twisted movie moments from a beloved animator (Parade). Let's face it, reading sucks . . . but movies are fun! In this grown-up parody of a children's picture book, Pixar writer and artist Josh Cooley presents the most hilariously inappropriate—that is, the best—scenes from contemporary classic films in an illustrated, for-early-readers style. Terrifying, sexy, and awesome scenes from such favorite films as *Alien*, *Rosemary's Baby*, *Fargo*, *Basic Instinct*, *Seven*, *The Silence of the Lambs*, *Apocalypse Now*, *The Shining*, and many more are playfully illustrated and captioned to make reading fun and exciting for kids who never grew up. A sly celebration of the things fans love most about these legendary films (and movies in general), this is one book that probably

should not be read at bedtime.

The Detective Bloomsbury Publishing USA

An old-fashioned, richly illustrated guide to the Christmas holidays furnishes step-by-step instructions for making holiday decorations, presents a host of unusual gift ideas, and includes dozens of delectable recipes for holiday breads, cakes, cookies, and festive meals.

The Extremely Unofficial and Highly Unauthorized Star Wars Kama Sutra (SE) Burgess Adams

Filled with earnest quotes, snarky observations, episode recaps, inspirational mantras, and classic images readers with fond memories of the 1980s classic cartoon *He-Man and the Masters of the Universe!* will use the wit and wisdom found in this affordable and affable volume to launch their own plans toward planetary domination. Thanks to its multitude of dynamic characters and rich fantasy and science-fiction storytelling, *He-Man and the Masters of the Universe* has resonated with fans for more than thirty years. Skeletor, *He-Man's* evil nemesis in the show, remains an icon of villainy for generations who grew up hearing his cackle. Now, for the first time, all of the

diabolical wit and wisdom gleaned from Skeletor's unrelenting campaign to wreak havoc on the planet Eternia are collected into one practical, and practically hilarious, volume. This fully authorized, comical, and empowering guide places the evil Skeletor in a variety of troubling scenarios that will be familiar to any reader--from 'Family and Frenemies' to 'Career' and 'Downtime'--and asks the all-important question: What Would Skeletor Do? Combining words of devilish wisdom with appropriate (or inappropriate!) pictures from the original cartoons, this book lets Skeletor tell you how to handle any awkward situation with aplomb. With tongue planted very firmly in cheek, What Would Skeletor Do? is the perfect inspirational resource for pop-culture aficionados of all ages.

Everything Explained Through Flowcharts is packed with meticulously designed

charts that trace the labyrinthine connections that order the universe, illuminate life's great mysteries, and cause eye strain in senior citizens. Swiss scientists at the prestigious University of Helsinki have said that Everything Explained Through Flowcharts is the closest thing there is to a working unified field theory, and have gone on to claim that they aren't Swiss, aren't scientists, and aren't sure whether or not Helsinki is in Switzerland. And yet the Swiss consulate has not denied that this book contains more than two hundred illustrations, forty mammoth charts, and innumerable supporting graphs and essays, including: An illustrated matrix of WWF Finishing Moves Heavy metal band names taxonomy The noble art of zeppelin warfare demystified How to win any argument Tragedy to comedy conversion chart for comedians A creepy drawing of a baby skeleton How to tell if you're an evil twin

Everything Explained Through Flowcharts

Rp Minis

Every December an envelope bearing a stamp from the North Pole would arrive for J.R.R. Tolkien's children. Inside would be a

letter in a strange, spidery handwriting and a beautiful colored drawing or painting. The letters were from Father Christmas. They told wonderful tales of life at the North Pole: how the reindeer got loose and scattered presents all over the place; how the accident-prone North Polar Bear climbed the North Pole and fell through the roof of Father Christmas's house into the dining room; how he broke the Moon into four pieces and made the Man in it fall into the back garden; how there were wars with the troublesome horde of goblins who lived in the caves beneath the house, and many more. No reader, young or old, can fail to be charmed by Tolkien's inventiveness in this classic holiday treat.

Bibliophilia Simon and Schuster

An epic new Star Trek saga by New York Times bestselling author Dayton Ward set during the original Five-Year Mission! For years, Starfleet Intelligence agents have carried out undercover assignments deep within the Klingon Empire. Surgically altered and rigorously trained in Klingon culture, they operate in plain sight and without any direct support, while collecting information and infiltrating the highest

levels of imperial power. Their actions have given Starfleet valuable insight into the inner workings of Klingon government and its relentless military apparatus. After three of Starfleet's longest serving agents fear exposure, they initiate emergency extraction procedures. Their planned rendezvous with the USS Endeavour goes awry, threatening to reveal their activities and the damaging intelligence they've collected during their mission. Tasked by Starfleet to salvage the botched rescue attempt, Captain James T. Kirk and the crew of the USS Enterprise must discover the truth behind a secret weapons experiment while avoiding an interstellar incident with the potential to ignite a new war between the Federation and one of its oldest adversaries.

Do Your Laundry or You'll Die Alone Simon and Schuster

A #1 NEW YORK TIMES BESTSELLER! Pull up a chair, pour some eggnog, and enjoy the Christmas spirit with friends... From the wind-swept, snowy ranges of Wyoming to Florida beaches glowing with Christmas lights, All American Christmas traces holiday traditions across the United States. In this beautiful personal keepsake, Rachel

Campos-Duffy and Sean Duffy present a dazzling collection of emotional stories, treasured family photographs, and homegrown Christmas recipes from some of Fox News' most beloved personalities. Dana Perino takes readers out west to the cattle ranch where she celebrated Christmas with real life "Marlboro Men"—her uncles and grandfather. Maria Bartiromo reflects on growing up in Brooklyn and the famously brilliant light displays in her neighborhood. Brit Hume looks back at the day he and a friend rushed onto the Washington Senators' field—and how his parents later warned him that he was now on Santa Claus' naughty list. For Lauren Green, her understanding of Christmas has evolved with her growing faith. Beautifully designed to reflect the color and spirit and sparkle of the season and featuring 16 pages of color photographs, All American Christmas is a gift of love from the Fox News family and is sure to be cherished for seasons to come.

Some Very Interesting Cats Perhaps You Weren't Aware Of Univ. of Tennessee Press

After Die Hard blew the doors off movie

theaters, there was no doubt that Bruce Willis's one-man-army of a cop would hit the big screen again, even harder. And Die Hard 2 made it happen—doubling down on the explosive action. And just like the original blockbuster, the sensational sequel leaped from the pages of a suspense master's pulse-pounding novel... A massive blizzard has shut down nearly every East Coast airport, stranding travelers on the ground and in the air. But those circling the skies above New York's Kennedy Airport have far more to worry about than missed connections. When the control tower's radar suddenly goes dark, a mysterious caller known only as "Number One" announces that the countdown to terror has begun. Nineteen planes, and their helpless passengers, are now airborne hostages—in the ruthless hands of a dangerous man on a deadly mission. And if the U.S. government doesn't bow to his demands, hell will rain from above as one jetliner after another exhausts its fuel... and plunges to earth. With only 58 minutes between life and death, there may be nothing anyone can do...except one New York City cop, with nerves of steel, attitude to burn, and a

reputation for being hard on crime—and even harder to kill.

Die Hard Clarkson Potter

Join the Ghostbusters as they fight some ghoulish creatures in this kid-friendly official picture book adaptation of the classic film Setting: New York City. Kid scientists Peter Venkman, Ray Stantz, and Egon Spengler are investigating ghosts and other paranormal activity in the city. They see their first ghost (Slimer) in the NYC Public Library and that leads them to create the Ghostbusters, setting up their "club" in an old firehouse. Soon, business

is booming as the kids are recruited to capture ghosts throughout the city. Winston Zeddemore and Janine Melnitz become the club's first two important additions. But there is something sinister happening at an apartment building and the Ghostbusters must put a stop to it (and the Stay Puft marshmallow man) before the city is overrun with ghouls. 58 Minutes (Basis for the Film Die Hard 2) Sourcebooks

Jack Santino's analysis encompasses everything from movies to romance novels, from television shows to comic books. One especially fascinating feature of this study is its examination of the packaged-foods industry and the manner in which soft drinks, beer, snack cakes, cookies, candy, and breakfast cereals are regularly repackaged to reflect particular holidays. In what becomes a central theme of the book, Santino shows how holidays give companies the opportunity to create an illusion of novelty for products that otherwise remain unchanged over time. For example, the holiday Chips Ahoy cookies or Halloween Oreos differ only in their appearance from the everyday products, but they assume a quality of

uniqueness through their association with a special time of the year. Throughout the book, Santino examines the logic by which commercial culture and holidays are linked. Halloween, for instance, with its traditional symbolism of death, evil, and monsters, has served as a theme for heavy metal music and slasher films. This, in turn, has led to some interesting transmutations as one text borrows from another in the wake of a commercial success. When John Carpenter's pioneering 1978 slasher film Halloween became a box-office hit, it was perhaps inevitable that other holiday-based slasher films - New Year's Evil, April Fool's Day, and Silent Night, Deadly Night - would follow. Copiously illustrated, New Old-Fashioned Ways is at once entertaining and informative - a treat for general readers as well as an important work for scholars in a variety of fields, including communications, folklore, anthropology, sociology, and business.

Die Hard Christmas Ornament: Lights Up! Pocket Books/Star Trek World War II on Film examines the war through the lens of 12 films. The movies selected include productions made during

World War II and in each succeeding decade, providing a sense of how different generations perceive the war. *World War II on Film* provides a succinct yet well-grounded appraisal of that war as seen through 12 representative films. The book separates fact from fiction, showing where the movies were accurate and where they departed from reality, and places them in the larger context of historical and social events. Each movie chosen represents a particular aspect of the conflict, including the air war over Europe, the condition of prisoners of war, Nazi atrocities, and the

British evacuation at Dunkirk. Unlike most histories of Hollywood during World War II or the genre of war movies, *World War II on Film* examines in depth the relation between the depictions of events, beliefs, attitudes, and ways of life as seen on film with reality as documented by historians or recorded by journalists or eye-witnesses to the war. The volume will appeal to high school and college readers, as well as general interest readers and film buffs. [The Greatest Gift](#) Open Road Media Promises For You is a delightful gift book filled with love and promises, for a very special person, to help and guide a child

as they grow..The story follows a charming little penguin on a colourful journey with you by their side discovering all the wonders the world has to offer.
