Newspaper Blackout Simon and Schuster

A young girl with epilepsy is nervous about being the new girl in school -- and worried about keeping her condition a secret. Lexie is new to grade three and she has a secret. She has epilepsy. Worried that she'll be thought of as different, she shyly avoids class discussion and recess (where she fears she will be teased for wearing a helmet). But hiding her condition proves to be dangerous when she is pressured into eating food that her treatment diet doesn't allow, and must stay home for several days. As time passes, Lexie gains confidence and makes friends among her classmates, even giving a presentation about epilepsy to the entire class. One dreaded day she actually has a seizure in the schoolyard -- and learns that good friends can be trusted to understand and accept who you are, and even help out in times of trouble. Following her previous novels, which include *How to Handle a Bully* and *How to Tame a Bully*, author Nancy Wilcox Richards has written another wonderful story that promotes empathy, respect, acceptance and kindness among everyday elementary school children.

A major addition to the literature of poetry, Edward Hirsch's

sparkling new work is a compilation of forms, devices, groups, movements, isms, aesthetics, rhetorical terms, and folklore—a book that all readers, writers, teachers, and students of poetry will return to over and over. Hirsch has delved deeply into the poetic traditions of the world, returning with an inclusive, international compendium. Moving gracefully from the bards of ancient Greece to the revolutionaries of Latin America, from small formal elements to large mysteries, he provides thoughtful definitions for the most important poetic vocabulary, imbuing his work with a lifetime of scholarship and the warmth of a man devoted to his art. Knowing how a poem works is essential to unlocking its meaning. Hirsch's entries will deepen readers' relationships with their favorite poems and open greater levels of understanding in each new poem they encounter. Shot through with the enthusiasm, authority, and sheer delight that made *How to Read a Poem* so beloved, *A Poet's Glossary* is a new classic.

The Girl Who Threw Butterflies Troubador Publishing Ltd

After having a bad start to the morning, Otto struggles to have positive interactions with his friends at school. During the day, he learns that he's having these difficulties because he is doing things backwards compared to what a true friend would do. He's being a "Dneirf." With the help of a school counselor and some friends, Otto turns his day, and himself, in the right direction, becoming a true forward friend once again. This story is a fantastic resource to teach children that social conflict is normal and can and will occur within friendships due to backwards behavior, not necessarily bullying. Sometimes friends just need a little help to turn those backwards behaviors forward again. Be A Friend, Not a Dneirf!

When read vertically, each poem reveals a playful acrostic, making every handsomely designed page a double treat for the eye as well as a joyous tribute to the season.

A classic poem with a timeless message, presented in a small and beautiful gift book. Rose Milligan never intended to publicly share her poem 'Dust If You Must', but a series of events led her to publish it in *The Lady* magazine in 1998. Her charming message about what we value in life resonated with audiences, and it has since been read on BBC radio, posted on Instagram, printed on tea towels, read at funerals and put to music. Now appearing as a book for the first time, beautifully illustrated throughout by illustrator Hayley Wells, *Dust If You Must* is a timeless reminder to focus on the things we can enjoy in the world, rather than the things we think we need to do.

Presidents' Day Activities Penguin

Jacqueline Woodson's National Book Award and Newbery Honor winner is a powerful memoir that tells the moving story of her childhood in mesmerizing verse. A President Obama "O" Book

Club pick Raised in South Carolina and New York, Woodson always felt halfway home in each place. In vivid poems, she shares what it was like to grow up as an African American in the 1960s and 1970s, living with the remnants of Jim Crow and her growing awareness of the Civil Rights movement. Touching and powerful, each poem is both accessible and emotionally charged, each line a glimpse into a child's soul as she searches for her place in the world. Woodson's eloquent poetry also reflects the joy of finding her voice through writing stories, despite the fact that she struggled with reading as a child. Her love of stories inspired her and stayed with her, creating the first sparks of the gifted writer she was to become. Includes 7 additional poems, including "Brown Girl Dreaming." Praise for Jacqueline Woodson: "Ms. Woodson writes with a sure understanding of the thoughts of young people, offering a poetic, eloquent narrative that is not simply a story . . . but a mature exploration of grown-up issues and self-discovery."—*The New York Times Book Review*
