Rolling Dice Simon and Schuster

The #1 New York Times bestseller—a thrilling and seductive Cinderella love story from E L James, author of the phenomenal bestselling Fifty Shades Trilogy. Clasp her plait at the base of her neck, I tug lightly, bringing her lips up to mine. "Alessia," I breathe, and kiss her again, softly, slowly. She stills in my arms, then brings her hands up to clutch my biceps, closing her eyes as she accepts me. I deepen the kiss, my tongue teasing her lips, and she opens her mouth. She tastes of warmth and grace and sweet seduction. London, present day. Life has always been easy for Maxim Trevelyan, the "spare" to the earldom of Trevethick. With his good looks, aristocratic connections, and money, he's never had to work, and he's rarely slept alone. But all that changes when tragedy strikes and Maxim inherits his family's

title, wealth, and estates, and the responsibility that entails. It's a role he's not prepared for and one he struggles to face. But his biggest challenge is fighting his desire for an unexpected, enigmatic young woman who's recently joined his staff. Reticent, beautiful, and musically gifted, she's an alluring mystery, possessing little more than a dangerous and troublesome past. As Maxim's longing for her deepens into a passion he's never experienced and dares not name, he's left to wonder just who is Alessia Demachi? And can he protect her from the malevolence that threatens her? From the heart of London through wild, rural Cornwall to the bleak, forbidding beauty of the Albanian Balkans, The Mister combines the sensuality of a modern Regency romance with the danger, desire, and adventure of E L James's captivating storytelling, leaving the reader breathless to the very last page.

Embora seu pai seja um general-de-brigada da União, a paixão de Josephine pelo belo soldado confederado Michael McKirnan reacende-se. Por mais cativante que Josephine seja, a última coisa que Michael precisa é se envolver aquela bela jovem em sua vida de intrigas. A obstinada Josephine não será dissuadida e suas vidas se entrelaçam enquanto eles embarcam na jornada de suas vidas, tentando ficar um passo à frente dos militares e de um louco decidido a se vingar. Enquanto eles viajam de Washington, DC, para St. Louis, Atlanta e, finalmente, East Texas, os dois descobrem o que o amor, a fé, a compaixão e a lealdade realmente significam.

And even at ten, Miranda knew she would love him forever. But the years that followed were as cruel to Turner as they were kind to Miranda. She is as intriguing as the viscount boldly predicted on that memorable day—while he is a lonely, bitter man, crushed by a devastating loss. But Miranda has never forgotten the truth she set down on paper all those years earlier—and she will not allow the love that is her destiny to slip lightly through her fingers . . .
