Clay Carter has been there too long and, like most of his colleagues, dreams of a better job in a real firm. When he reluctantly takes the case of a young man charged with a random street killing, he assumes it is just another of the many senseless murders that hit D.C. every week. As he digs into the background of his client, Clay stumbles on a conspiracy too horrible to believe. He suddenly finds himself in the middle of a complex case against one of the largest pharmaceutical companies in the world, looking at the kind of enormous settlement that would totally change his life—that would make

him, almost overnight, the legal profession's newest king of torts... Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM!*

Crenshaw was probably the best quarterback ever to play for the legendary Messina Spartans. Fifteen years have gone by since those glory days, and Neely has come home to Messina to bury Coach Eddie Rake, the man who molded the Spartans into an unbeatable football dynasty. Now, as Coach Rake's "boys" sit in the bleachers waiting for the dimming field lights to signal his passing, they replay the old games, relive the old glories, and try to decide once and for all whether they love Eddie Rake – or hate him.

For Neely Crenshaw, a man who must finally forgive his coach – and himself – before he can get on with his life, the stakes are especially high. Don't miss John Grisham's new book, *THE EXCHANGE: AFTER THE FIRM!*

Grisham is the acknowledged master of the legal thriller. In his first collection of novellas, law is a common thread, but America's favorite storyteller has several

surprises in store. “Homecoming” takes us back to Ford County, the fictional setting of many of John Grisham’s unforgettable stories. Jake Brigance is back, but he’s not in the courtroom. He’s called upon to help an old friend, Mack Stafford, a former lawyer in Clanton, who three years earlier became a local legend when he stole money from his clients, divorced his wife, filed for bankruptcy, and left his family in the middle of the night, never to be heard from again—until now. Now Mack is back, and he’s leaning on his old pals, Jake and Harry Rex, to help him return. His homecoming does not go as planned. In “Strawberry Moon,” we meet Cody Wallace, a young death row inmate only three hours away from execution. His lawyers can’t save him, the courts slam the door, and the governor says no to a last-minute request for clemency. As the clock winds down, Cody has one final request. The “Sparring Partners” are the Malloy brothers, Kirk and Rusty, two successful young lawyers who inherited a once prosperous firm when its founder, their father, was sent to prison. Kirk and

Rusty loathe each other, and speak to each other only when necessary. As the firm disintegrates, the resulting fiasco falls into the lap of Diantha Bradshaw, the only person the partners trust. Can she save the Malloys, or does she take a stand for the first time in her career and try to save herself? By turns suspenseful, hilarious, powerful, and moving, these are three of the greatest stories John Grisham has ever told. Their integrity is the bedrock of the entire judicial system. We trust them to ensure fair trials, to protect the rights of all litigants, to punish those who do wrong, and to oversee the flow of justice. But what happens when a judge bends the law or takes a bribe? Lacy Stoltz is an investigator for the Florida Board on Judicial Conduct. It is her

job to respond to complaints dealing with judicial misconduct. After nine years with the Board, she knows that most problems are caused by incompetence, not corruption. But a corruption case eventually crosses her desk. A previously disbarred lawyer is back in business, and he claims to know of a Florida judge who has stolen more money than all other crooked judges combined. And not just crooked judges in Florida. All judges, from all states, and throughout United States history. And now he wants to put a stop to it. His only client is a person who knows the truth and wants to blow the whistle and collect millions under Florida law. When the case is assigned to Lacy, she immediately suspects that this one could be dangerous. Dangerous is one thing. Deadly is something else. “[A] main character [who’s] a seriously appealing woman . . . a whistle-blower who secretly calls attention to corruption . . . a strong and frightening sense of place . . . [John Grisham’s] on his game.”—Janet Maslin, *The New York Times* “[John Grisham is] our guide to the byways and backwaters of our

legal system, superb in particular at ferreting out its vulnerabilities and dramatizing their abuse in gripping style.”—USA Today “Riveting . . . an elaborate conspiracy.”—The New York Times Book Review Don’t miss John Grisham’s new book, *THE EXCHANGE: AFTER THE FIRM*, coming soon!

 Politics has always been a dirty game. Now justice is, too. In a crowded courtroom in Mississippi, a jury returns a shocking verdict against a chemical company accused of

dumping toxic waste into a small town's water supply, causing the worst "cancer cluster" in history. The company appeals to the Mississippi Supreme Court, whose nine justices will one day either approve the verdict or reverse it. Who are the nine? How will they vote? Can one be replaced before the case is ultimately decided? The chemical company is owned by a Wall Street predator named Carl Trudeau, and Mr. Trudeau is convinced the Court is not friendly enough. With judicial elections looming, he decides to try to purchase himself a seat on the Court. The cost is a few million dollars, a drop in the bucket for a billionaire like Mr. Trudeau. Through an intricate web of conspiracy and deceit, his political operatives recruit a young, unsuspecting candidate. They finance him, manipulate him, market him, and mold him into a potential Supreme Court justice. Their Supreme Court justice.

Samuel "Sooley" Sooleymon is a raw, young talent with big hoop dreams—and even bigger challenges off the court. "Hard to put down ... the pages turn quickly ... building to a climax that won't leave readers doubting whether this is a John Grisham novel."

—Associated Press In the summer of his seventeenth year, Samuel Sooleymon gets the chance of a lifetime: a trip to the United States with his South Sudanese teammates to play in a showcase basketball tournament. He has never been away from home, nor has he ever been on an airplane. The opportunity to be scouted by dozens of college coaches is a dream come true. Samuel is an amazing athlete, with speed, quickness, and an

astonishing vertical leap. The rest of his game, though, needs work, and the American coaches are less than impressed. During the tournament, Samuel receives devastating news from home: A civil war is raging across South Sudan, and rebel troops have ransacked his village. His father is dead, his sister is missing, and his mother and two younger brothers are in a refugee camp. Samuel desperately wants to go home, but it's just not possible. Partly out of sympathy, the coach of North Carolina Central offers him a scholarship. Samuel moves to Durham, enrolls in classes, joins the team, and prepares to sit out his freshman season. There is plenty of more mature talent and he isn't immediately needed. But Samuel has something no other player has: a fierce determination to succeed so he can bring his family to America. He works tirelessly on his game, shooting baskets every morning at dawn by himself in the gym, and soon he's dominating everyone in practice. With the Central team losing and suffering injury after injury, Sooley, as he is nicknamed, is called off the bench. And the legend

begins. But how far can Sooley take his team? And will success allow him to save his family? Gripping and moving, Sooley showcases John Grisham's unparalleled storytelling powers in a whole new light. This is Grisham at the top of his game. • "A suspenseful thriller mixed with powerful themes such as false incarceration, the death penalty and how the legal system shows prejudice." —Associated Press In the small Florida town of Seabrook, a young lawyer named Keith Russo was shot dead at his desk as he worked late one night. The killer left no clues. There were no witnesses, no one with a motive. But the police soon came to suspect Quincy Miller, a young Black man who was once a client of Russo's. Quincy was tried, convicted, and sent to prison for life. For twenty-two years he languished in prison, maintaining his innocence. But no one was listening. He had no lawyer, no advocate on the outside. In desperation, he writes a letter to Guardian Ministries, a small nonprofit run by Cullen Post, a lawyer who is also an Episcopal minister. Guardian accepts only a few innocence cases at a time. Cullen Post travels

the country fighting wrongful convictions and taking on clients forgotten by the system. With Quincy Miller, though, he gets far more than he bargained for. Powerful, ruthless people murdered Keith Russo, and they do not want Quincy Miller exonerated. They killed one lawyer twenty-two years ago, and they will kill another without a second thought.
