The Lying Game BoD - Books on Demand  
Firedrake, a brave young dragon, his loyal brownie friend Sorrel and a lonely boy called Ben are united as if by destiny. Together, they embark on a magical journey to find the legendary place where silver dragons can live in peace for ever. With only a curious map and the whispered memories of an old dragon to guide them, they fly across moonlit lands and seas to reach the highest mountains in the world. Along the way, they discover extraordinary new friends in unlikely places and a courage they never knew they had. Just as well, for the greatest enemy of all is never far behind them - a heartless monster from the past who's been waiting a very long time to destroy the last dragons on earth.

852 A.D. For centuries, the Vikings have swept out of the Norse countries and fallen on England, Ireland, whatever lands they could reach aboard their longships, and few could resist the power of

their violent onslaught. They came at first to plunder, and then to settle, an encroachment fiercely resisted where ever they went. Such was the case in the southern lands of Ireland. En route to the Viking longphort there, known as Dubh-Linn, Thorgrim Night Wolf and Ornof the Restless stumble across an Irish ship that carries aboard it a single item - a crown. The Vikings eagerly snatch the prize, unaware of its significance to the people of Ireland and the power granted to the king who wears it. Soon the Norsemen are plunged into the violence and intrigue of Medieval Ireland, where local kings fight with each other and with the invaders from the north for rule of the island nation. With enemies at every hand, and loyalties as fickle as the weather, Thorgrim must lead his men, the white invaders, the Fin Gall, in the fight of their lives, with both Irish and Dane eager to see them dead.

Welcome to Monster Hunter International. Five days after Owen Zastava Pitt pushed his insufferable boss out of a fourteenth story window, he woke up in the hospital with a scarred face, an

unbelievable memory, and a job offer. It turns out that monsters are real. All the things from myth, legend, and B-movies are out there, waiting in the shadows. Officially secret, some of them are evil, and some are just hungry. On the other side are the people who kill monsters for a living. Monster Hunter International is the premier eradication company in the business. And now Owen is their newest recruit. It's actually a pretty sweet gig, except for one little problem. An ancient entity known as the Cursed One has returned to settle a centuries old vendetta. Should the Cursed One succeed, it means the end of the world, and MHI is the only thing standing in his way. With the clock ticking towards Armageddon, Owen finds himself trapped between legions of undead minions, belligerent federal agents, a cryptic ghost who has taken up residence inside his head, and the cursed family of the woman he loves. Business is good . . . At the publisher's request, this title is sold without DRM (Digital Rights Management).

 From the New York Times bestselling author of the “twisty-mystery” (Vulture) novel *In a Dark, Dark Wood*, *The Woman in Cabin 10*, and *The Turn of the Key* comes Ruth Ware’s *The Lying Game*.  
 Isa Wilde knows something terrible has happened when she receives a text from an old friend. Why would Kate summon her and their two friends to the seaside town where they briefly attended the Salten House boarding school together seventeen years ago? The four friends had quickly bonded over the Lying

Game—a risky contest that involved tricking fellow boarders and faculty with their lies. Now reunited, Isa, Kate, Thea, and Fatima discover that their past lies had far-reaching effects and criminal implications that threaten them all. In order to protect their reputations, and their friendship, they must uncover the truth about what really happened all those years ago.  
 Atmospheric and twisty, with just the right amount of chill, *The Lying Game* will have readers at the edge of their seats, not knowing who can be trusted in this tangled web of lies.

 The New York Times bestselling author “brings back her irresistibly humorous, snarky, action packed, violent and

outrageously larger than life dragons” (Smexy Books). HE SAYS . . . I, Aidan the Divine, am, well divine. My name was given to me by the Dragon Queen herself! I’m a delight! Cheerful. Charming. And a mighty warrior who is extremely handsome with a very large and well-hidden hoard of gold. I am also royal born, despite the fact that most in my family are horrendous beings that don’t deserve to live. And yet, Branwen the Awful—a low-born, no less—either tells me to shut up or, worse, ignores me completely. SHE SAYS . . . I’ll admit, I ignore Aidan the Divine because it annoys him. A lot. But, we have so much to do right now, I can’t worry about why he keeps looking at me like he’s thinking about kissing me. We have our nations to save and no time for such bloody foolishness . . . no matter how good Aidan looks or how long his spiked tail is. Because before this war destroys everything we love, we’ll have to face our enemies together. But if we make it out alive, who knows what the future will hold . . . Praise for the Dragon Kin Series “Aiken’s patented mix of bloodthirsty action, crazy

scenarios and hilarious dialogue have made this series a truly unique pleasure.”—RT Book Reviews (4½ Stars) “A chest thumping, mead-hall rocking, enemy slaying brawl of a good book.”—All Things Urban Fantasy “Laugh-out-loud funny—I loved it!”—Thea Harrison, New York Times bestselling author “A hot-hot series.” —Library Journal & *A Sky Painted Gold* BoD – Books on Demand Notebook with the Merry Christmas and Happy New Year sticker label cover and the quote "Write something notebook."
