"If I only had known what could happen, I

would have made a different choice!!!"A decade in a crisis pregnancy center, counseling both Christian and non-Christian teens...speaking to millions of students through the years...counseling and answering the letters of thousands of teens...Pam Stenzel has heard this statement over and over and over again. From kids like you. Sex Has a Price Tag rejoices that, indeed, sex is glorious. Sex is God-given. But sex outside of God's boundary is behavior that has far-reaching consequences. Outside a monogamous marriage it has a price tag of incalculable

costs. Here are real testimonies, encouragement, and advice about: abstinence vs consequences, Biblical definitions and examples, physical diseases and emotional disaster, examination of urgent taboo subjects including masturbation, advice on where to go for help, avoiding sexual activity and awkward situations, dealing with friends, parents... and your self-respect. *Sex Has a Price Tag* is brutally frank but totally sympathetic, written to girls and guys. Here are searing personal testimonies, medical stats, and practical solutions; encouragement in the form of Biblical examples, support and networking options, innovative alternatives to dating situations, and creating journaling. There are sources and links for seeking help. *Sex Has a Price Tag* is life-affirming, and is a life-saver.

A raucous and surprising novel filled with wonderful details about wine, Rex Pickett's *Sideways* is also a thought-provoking and funny book about men, women, and human relationships. The basis for the 2004 comedy-drama road movie of the same name starring Paul Giamatti and Thomas Haden Church. *Sideways* is the story of two friends--Miles and Jack--going away together for the last time to steep themselves in everything that makes it good to be young and single: pinot, putting, and prowling bars. In the week before Jack plans to marry, the pair heads out from Los Angeles to the Santa Ynez wine country. For Jack, the tasting tour is *Seven Days to D-Day*, his final stretch of freedom. For Miles--who has divorced his wife, is facing an uncertain career and has lost his passion for living--the trip is a week long opportunity to evaluate his past, his future and himself.

Searching for even more wild places and new experiences, Dan became determined to explore 'off the map' in Africa. From the mighty Sahara Desert in the north to the dense equatorial jungles of the Congo and the open grasslands of Southern Africa, Dan turned his biggest dream into reality. Over the course of three years Dan's second major expedition spanned fifty-four thousand miles through thirty-five unique African countries. THE ADVENTURE WAS A THOUSAND TIMES BIGGER THAN HE DREAMED POSSIBLE. After exploring the Pan-American Highway from Alaska to Argentina Dan became hooked on the freedom of global overland travel, and he only wanted more. New languages, exotic foods, stunning landscapes and local people with an entirely different outlook became Dan's everyday life. As the months turned into years, through highlights and despair Dan gained a new appreciation for what it truly means to be alive. Viewing our modern world through African eyes gave Dan a new perspective, and he was pulled in by the endless joy, laughter and kindness at every turn. While

the landscapes and wildlife are undeniably breathtaking, it is the natural warmth of the African people that is truly unforgettable. All across the continent Dan was welcomed with love and generosity, and now he will never be the same.
