Beach Road Little, Brown

Written in the fearless voice of Detective Alex Cross, *Alex Cross's Trial* is a #1 New York Times bestseller of murder, love, and above all, bravery. From his grandmother, Alex Cross has heard the story of his great uncle Abraham and his struggles for survival in the era of the Ku Klux Klan. Now, Alex passes the family tale along to his own children in a novel he's written—a novel called *Trial*. As a lawyer in turn-of-the-century Washington D.C., Ben Corbett represents the toughest cases. Fighting against oppression and racism, he risks his family and his life in the process. When President Roosevelt asks Ben to return to his home town to investigate rumors of the resurgence of the Ku Klux Klan there, he cannot refuse. When he arrives in Eudora, Mississippi, Ben meets the wise Abraham Cross and his beautiful granddaughter, Moody. Ben enlists their help, and the two Crosses introduce him to the hidden side of the idyllic Southern town. Lynchings have become commonplace and residents of the

town's black quarter live in constant fear. Ben aims to break the reign of terror—but the truth of who is really behind it could break his heart. Written in the fearless voice of Detective Alex Cross, *Alex Cross's Trial* is a gripping story of courage in the face of prejudice and terror.

Along Came a Spider Random House

Unprotected and alone, Alex Cross is chasing a horrible new breed of killer. When the crimes hit close to home, he must hunt down the source . . . before it finds him first. When the home of Alex Cross's oldest friend, Ellie Cox, is turned into the worst murder scene Alex has ever seen, the destruction leads him to

believe that he's chasing his most dangerous enemy yet. As Alex and his girlfriend, Brianna Stone, become entangled in the deadly Nigerian underworld of Washington D.C., what they discover is shocking: a stunningly organized gang of lethal teenagers headed by a powerful, diabolical man—the African warlord known as the Tiger. Just when the detectives think they're closing in on the elusive murderer, the Tiger disappears into thin air. Tracking him to Africa, Alex knows that he must follow. Alone. Heart-stopping, speed-charged, and electrifying, *Cross Country* is a stunning thriller from "the man who can't miss" (Time).

Discover the shocking #1 New York Times bestseller: the true story of a young NFL player's first-degree murder conviction and untimely death -- and his journey from the Patriots to prison.

Aaron Hernandez was a college All-American who became the youngest player in the NFL and later reached the Super Bowl. His every move as a tight end with the New England Patriots played out the headlines, yet he led a secret life -- one that ended in a maximum-security prison. What drove him to go so wrong, so fast? Between the summers of 2012 and 2013, not long after Hernandez made his first Pro Bowl, he was linked to a series of violent incidents culminating in the death of Odin Lloyd, a semi-pro football player who dated the sister of Hernandez's fiancée, Shayanna Jenkins. *All-American Murder* is the first book to investigate Aaron Hernandez's first-degree murder conviction and the mystery of his own shocking and untimely death.

****THE INSTANT #1 NEW YORK TIMES BESTSELLER**** "An unforgettable—and Hollywood-bound—new thriller... A mix of Hitchcockian suspense, Agatha Christie plotting, and Greek tragedy." —Entertainment Weekly *The Silent Patient* is a shocking psychological thriller of a woman's act of violence against her husband—and of the therapist obsessed with uncovering her motive. Alicia Berenson's life is seemingly perfect. A famous painter married to an in-demand fashion photographer, she lives in a grand house with big windows overlooking a park in one of London's most desirable areas. One evening her husband Gabriel returns home late from a fashion shoot, and Alicia shoots him five times in the face, and then never speaks another word. Alicia's refusal to talk, or give any kind of explanation, turns a domestic tragedy into something far grander, a mystery that captures the public imagination and casts Alicia into notoriety. The price of her art skyrockets, and she, the silent patient, is hidden away from the tabloids and spotlight at the Grove, a secure forensic unit in North London. Theo Faber is a criminal psychotherapist who has waited a long time for the opportunity to work with Alicia. His determination to get her to talk and unravel the mystery of why she shot her husband takes him down a twisting path into his own motivations—a search for the truth that threatens to consume him....

James Patterson's blockbuster Alex Cross series has sold over 100 million copies—and now he's bringing those thrills to a new generation! Alex's son Ali is eager to follow in his father's footsteps as a detective, but when his best friend goes missing, what price will he have to pay to solve the mystery? Ali Cross has

always looked up to his father, former detective and FBI agent Alex Cross. While solving some of the nation's most challenging crimes, his father always kept his head and did the right thing. Can Ali have the same strength and resolve? When Ali's best friend Gabe is reported missing, Ali is desperate to find him. At the same time, a string of burglaries targets his neighborhood—and even his own house. With his father on trial for a crime he didn't commit, it's up to Ali to search for clues and find his friend. But being a kid sleuth isn't easy—especially when your father warns you not to get involved!—and Ali soon learns that clues aren't always what they seem. Will his detective work lead to a break in Gabe's case or cause even more trouble for the Cross family?

The Zofingia Club was a discussion group to which C.G. Jung belonged as a medical student: in 1897 he became Chairman, and gave five lectures. These have survived and are published here in a supplementary volume to the *Collected Works*. The lectures are of great interest to anyone concerned with Jung's early ideas, as a young medical student from a strongly Swiss Protestant background. The Lectures are: *The Border Zones of Exact Science* (November 1896); *Some Thoughts on Psychology* (May 1897); *An Inaugural Address on Becoming Chairman of the Zofingia Club*; *Thoughts on the Nature and Value of Speculative Inquiry* (Summer 1898); and *Thoughts on the Interpretation of Christianity with Reference to the Theory of Albrecht Ritschl*

(January 1899).

The Deep Little, Brown

Dark mysteries come to East Hampton while a struggling lawyer fights to save his friend from being framed for a triple murder. Montauk lawyer Tom Dunleavy's client list is woefully small-occasional real estate closings barely keep him in paper clips. So when he is hired to defend a local man accused in a triple murder in East Hampton, he knows that he has found the case of his lifetime. The crime turns the glittering playground for the super-rich into a blazing inferno. Dunleavy's client is a local hero, but he knows the case rests on money, deception, and forbidden desires. His client will be framed-unless he can find the key to the case. When Dunleavy is joined by his former flame, the savvy and well-connected attorney, Kate Costello, he believes he has a chance. But payback is a bitch, especially from the rich. The violent retaliations of billionaires threatened by his investigation exceed anything Dunleavy has ever seen. With the entire nation's eyes on him in a new Trial of the Century, Dunleavy orchestrates a series of revelations that lead to a stunning outcome-and the truth is wilder than anything he ever imagined.

Fear No Evil Grand Central Publishing

In this #1 New York Times bestseller, Alex Cross is ready to resign-but when his partner shows up with a case he can't refuse, he goes up against the most bone-chilling killers of his entire career. Detective Alex Cross is on his way to resign from the Washington, D.C., Police Force when his partner's oldest friend-a Vietnam veteran-is arrested for murder. He is subject to the iron hand of the United States Army, and the evidence against him is strong enough to send him to the gas chamber. Sampson is certain his friend has been framed, and Alex's investigation turns up evidence overlooked-or concealed-by the military authorities. Drawing on their years of street training and an almost telepathic mutual trust, Cross and Sampson go deep behind military lines to confront the most terrifying-and deadly-killers they have ever encountered. Behind these three highly skilled killing machines there appears to be an even more threatening controller. Discovering the identity of this lethal genius will prove to be

Cross's most terrifying challenge ever. On his visits home, Alex must confront another, more harrowing mystery: what's the matter with Nana Mama? As he explores the possibility of a new relationship with a woman who offers him new hope, Alex must also confront the fact that his beloved grandmother is only human.

NEW YORK TIMES BESTSELLER An Explosive, Revelatory Assessment of the Greatest Betrayal in American History, Newly Revised and Updated William Barr · Paul Manafort · Michael Cohen · Steve Bannon · Rudy Giuliani · Mitch McConnell · Roger Stone · George Papadopoulos · Jeff Sessions · And More! "Impressive... a persuasive whodunit narrative." -Washington Post In *The Plot to Betray America*, New York Times bestselling author and renowned intelligence expert Malcolm Nance reveals exactly how President Trump and his inner circle conspired, coordinated, communicated, and eventually strategized to commit the greatest acts of treachery in the history of the United States: compromising the presidential oath of office in exchange for power and personal enrichment. Seduced by the promises of riches dangled in front of them by Vladimir Putin, the Trump administration eagerly decided to reap the rewards of the plan to put a Kremlin-friendly crony in the Oval Office. Even after his impeachment, Trump continues to defend Putin and jeopardize American intelligence. And instead of interfering, Trump's powerful Republican allies have done everything they can to facilitate Trump's irreparable damage to national security. Through in-depth research and interviews with intelligence experts and insiders, Nance charts Trump's deep financial ties to Russia through his family's investments-including those of Donald Trump Jr., Ivanka Trump, and Jared Kushner-and exposes the corrupt behavior of Trump's other double-crossing pro-Moscow associates. In doing so, Nance also draws a portrait of a venal and selfish president, one who willingly sells American national security to dictators, strongmen, and the ultra-rich at the expense, and sometimes the lives, of American citizens. In this newly revised and updated edition, *The Plot to Betray America* ultimately sketches the blueprint of the Trump administration's conspiracy against our country-and shows us how we can still fight to defend democracy, protect our national security, and save the Constitution.

The Zofingia Lectures Hachette UK

"An elegant and thoughtful dismantling of perhaps the most dangerous ideology at work today." — BEN SHAPIRO, bestselling author and host of "The Ben Shapiro Show" "Reading Noah Rothman is like a workout for your brain." — DANA PERINO, bestselling author and former press secretary to President George W. Bush There are just two problems with "social justice": it's not social and it's not just. Rather, it is a toxic ideology that encourages division, anger, and vengeance. In this penetrating

work, Commentary editor and MSNBC contributor Noah Rothman uncovers the real motives behind the social justice movement and explains why, despite its occasionally ludicrous public face, it is a threat to be taken seriously. American political parties were once defined by their ideals. That idealism, however, is now imperiled by an obsession with the demographic categories of race, sex, ethnicity, and sexual orientation, which supposedly constitute a person's "identity." As interest groups defined by identity alone command the comprehensive allegiance of their members, ordinary politics gives way to "Identitarian" warfare, each group looking for payback and convinced that if it is to rise, another group must fall. In a society governed by "social justice," the most coveted status is victimhood, which people will go to absurd lengths to attain. But the real victims in such a regime are blind justice—the standard of impartiality that we once took for granted—and free speech. These hallmarks of American liberty, already gravely compromised in universities, corporations, and the media, are under attack in our legal and political systems.
