A fresh exploration of American feminist history told through the lens of the beauty pageant world. Many predicted that pageants would disappear by the 21st century. Yet they are thriving. America's most enduring contest, Miss America, celebrates its 100th anniversary in 2020. Why do they persist? In *Here She Is*, Hilary Levey Friedman reveals the surprising ways pageants have been an empowering feminist tradition. She traces the role of pageants in many of the feminist movement's signature achievements, including bringing women into the public sphere, helping them become leaders in business and politics, providing increased educational opportunities, and giving them a voice in the age of #MeToo. Using her unique perspective as a NOW state president, daughter to Miss America 1970, sometimes pageant judge, and scholar, Friedman explores how pageants became so deeply embedded in American life from their origins as a P.T. Barnum spectacle at the birth of the suffrage movement, through Miss Universe's bathing beauties to the talent- and achievement-based competitions of today. She looks at how pageantry has morphed into culture everywhere from *The Bachelor* and *RuPaul's Drag Race* to cheer and specialized contests like those for children, Indigenous women, and contestants with disabilities. Friedman also acknowledges the damaging and unrealistic expectations pageants place on women in society and discusses the controversies, including Miss America's ableist and racist history, Trump's ownership of the Miss Universe Organization, and the death of child pageant-winner JonBenét Ramsey. Presenting a more complex narrative

than what's been previously portrayed, *Here She Is* shows that as American women continue to evolve, so too will beauty pageants.

A New York Times Bestseller • A Read with Jenna Today Show Book Club Pick! Named a Best Book of the Year by The New York Times Book Review, The Washington Post, People, Entertainment Weekly, USA Today, TIME, The A.V. Club, BuzzFeed, and PopSugar "I can't believe how good this book is.... It's wholly original. It's also perfect.... Wilson writes with such a light touch.... The brilliance of the novel [is] that it distracts you with these weirdo characters and mesmerizing and funny sentences and then hits you in a way you didn't see coming. You're laughing so hard you don't even realize that you've suddenly caught fire." —Taffy Brodesser-Akner, author of *Fleishman is in Trouble*, New York Times Book Review From the New York Times bestselling author of *The Family Fang*, a moving and uproarious novel about a woman who finds meaning in her life when she begins caring for two children with a remarkable ability. Lillian and Madison were unlikely roommates and yet inseparable friends at their elite boarding school. But then Lillian had to leave the school unexpectedly in the wake of a scandal and they've barely spoken since. Until now, when Lillian gets a letter from Madison pleading for her help. Madison's twin stepkids are moving in with her family and she wants Lillian to be their caretaker. However, there's a catch: the twins spontaneously combust when they get agitated, flames igniting from their skin in a startling but beautiful way. Lillian is convinced Madison is pulling her leg, but it's the truth. Thinking of her dead-end life at home, the life that has consistently

disappointed her, Lillian figures she has nothing to lose. Over the course of one humid, demanding summer, Lillian and the twins learn to trust each other—and stay cool—while also staying out of the way of Madison’s buttoned-up politician husband. Surprised by her own ingenuity yet unused to the intense feelings of protectiveness she feels for them, Lillian ultimately begins to accept that she needs these strange children as much as they need her—urgently and fiercely. Couldn’t this be the start of the amazing life she’d always hoped for? With white-hot wit and a big, tender heart, Kevin Wilson has written his best book yet—a most unusual story of parental love.

“In her tender and genuinely beautiful memoir, Kelle Hampton encourages us to not simply accept the unexpected circumstances of our lives, but to embrace them like the things we wished for all along.” —Matthew Logelin, New York Times bestselling author of *Two Kisses for Maddy Bloom* is an inspiring and heartfelt memoir that celebrates the beauty found in the unexpected, the strength of a mother’s love, and, ultimately, the amazing power of perspective. From the outside looking in, Kelle Hampton had the perfect life: a beautiful two-year-old daughter, a loving husband, a thriving photography career, and great friends. When she learned she was pregnant with her second child, she and her husband, Brett, were ecstatic. Her pregnancy went smoothly and the ultrasounds showed a beautiful, healthy, high-kicking baby girl. But when her new daughter was placed in her arms in the delivery room, Kelle knew instantly that something was wrong. Nella looked different than her two-year-old sister, Lainey, had at birth. As she watched friends and family celebrate with

champagne toasts and endless photographs, a terrified Kelle was certain that Nella had Down syndrome—a fear her pediatrician soon confirmed. Yet gradually Kelle's fear and pain were vanquished by joy, as she embraced the realization that she had been chosen to experience an extraordinary and special gift. With lyrical prose and gorgeous full-color photography, Bloom takes readers on a wondrous journey through Nella's first year of life—a gripping, hilarious, and intensely poignant trip of transformation in which a mother learns that perfection comes in all different shapes. It is a story about embracing life and really living it, of being fearless and accepting difference, of going beyond constricting definitions of beauty, and of the awesome power of perspective. As Kelle writes, "There is us. Our Family. We will embrace this beauty and make something of it. We will hold our precious gift and know that we are lucky."

What's it like to be the most beautiful girl in the world? Molly desperately wants to be beautiful. And that's what she tells Dharma, the mysterious portrait artist who sketches her face at the town fair just minutes after she's humiliated in front of Hudson, the guy of her dreams. When Molly wakes up the following morning, she's the most beautiful girl in Miracle, Ohio. Babies coo in her arms, her house fills with flowers from dozens of drooling boys, and she's chosen to be a model for the hottest store in town. Best of all, Hudson finally falls for her. But Molly soon discovers that beauty--and her wish--comes with a price. She's faced with an impossible choice: Will reclaiming her true identity mean letting go of Hudson for good?

### Choosing to See Beauty

#### The Speckled Beauty Tor Books

Come Up Here is a book about God's desire for the church to see His glory, encounter His heart, and be equipped to carry His power at the end of the age. Revelation 4 and 5 give us one of the most detailed descriptions of God's majesty in all of Scripture. As we see His glory, experience His greatness, and encounter His goodness, we are enabled to carry out His work in the earth while loving Him wholeheartedly. This is what He wants for every single believer. As you read this book, you will be equipped with: key themes of the end-times, the beauty of God, the glory of Jesus, the power of the Holy Spirit and God's desire for the Church to carry unshakeable hope and revival in the earth during the end-times. Discover the joy, power, faith and courage God intends for you as you experience His heart and grow in intimacy with Him.

*Real Gorgeous* Choosing to See Beauty In this book, Maura Preszler shares her bittersweet journey from pain and trauma to recovery and healing. Growing up in an abusive home, receiving negative and painful messages about her value and worth, Maura was set on a path filled with mental, emotional, and physical suffering. Finding herself battling an eating disorder and a tremendous fear of vulnerability to others, particularly men, Maura was determined to face her demons and do whatever it took to find healing. Through

her tremendous faith in God and her determination to persist in the hard work of therapy, Maura has found her way to freedom and the kind of love-filled life for which she once yearned. Maura's story serves as a model and inspiration for those seeking a way forward from trauma and into a future filled with hope. Beauty

NEW YORK TIMES BEST SELLER • Sharon

Stone tells her own story: a journey of  
 healing, love, and purpose. • "Not your  
 typical Hollywood autobiography.

Brutally honest, restless and questing."

—O, The Oprah Magazine Sharon Stone,  
 one of the most renowned actresses in  
 the world, suffered a massive stroke that  
 cost her not only her health, but her  
 career, family, fortune, and global fame.  
 In *The Beauty of Living Twice*, Stone  
 chronicles her efforts to rebuild her life  
 and writes about her slow road back to  
 wholeness and health. In a business that  
 doesn't accept failure, in a world where  
 too many voices are silenced, Stone  
 found the power to return, the courage  
 to speak up, and the will to make a  
 difference in the lives of men, women,  
 and children around the globe. Over the  
 course of these intimate pages, as  
 candid as a personal conversation, Stone  
 talks about her pivotal roles, her life-  
 changing friendships, her worst  
 disappointments, and her greatest  
 accomplishments. She reveals how she  
 went from a childhood of trauma and  
 violence to a career in an industry that in  
 many ways echoed those same assaults,  
 under cover of money and glamour. She  
 describes the strength and meaning she  
 found in her children, and in her

humanitarian efforts. And ultimately, she  
 shares how she fought her way back to  
 find not only her truth, but her family's  
 reconciliation and love. Stone made  
 headlines not just for her beauty and her  
 talent, but for her candor and her refusal  
 to "play nice," and it's those same  
 qualities that make this memoir so  
 powerful. *The Beauty of Living Twice* is a  
 book for the wounded and a book for the  
 survivors; it's a celebration of women's  
 strength and resilience, a reckoning, and  
 a call to activism. It is proof that it's  
 never too late to raise your voice and  
 speak out.

Balboa Press

A devoted wife, a loving husband and a  
 chilling murder that no one saw coming.  
 Things that make me scared: When  
 Charlie cries. Hospitals and lakes. When  
 Ian drinks vodka in the basement. ISIS.  
 When Ian gets angry... That something is  
 really, really wrong with me. Maddie and  
 Ian's love story began with a chance  
 encounter at a party overseas; he was  
 serving in the British army and she was  
 a travel writer visiting her best friend, Jo.  
 Now almost two decades later, married  
 with a beautiful son, Charlie, they are  
 living the perfect suburban life in Middle  
 America. But when a camping accident  
 leaves Maddie badly scarred, she begins  
 attending writing therapy, where she  
 gradually reveals her fears about Ian's  
 PTSD; her concerns for the safety of their  
 young son; and the couple's tangled and  
 tumultuous past with Jo. From the  
 Balkans to England, Iraq to Manhattan,  
 and finally to an ordinary family home in  
 Kansas, sixteen years of love and fear,  
 adventure and suspicion culminate in  
*The Day of the Killing*, when a frantic  
 911 call summons the police to the  
 scene of a shocking crime. Don't miss  
 Annie Ward's explosive new novel, *The*

Lying Club, a story of revenge, murder and shocking secrets!

A fearless young woman from a small African village starts a revolution against an American oil company in this sweeping, inspiring novel from the New York Times bestselling author of *Behold the Dreamers*. ONE OF THE TEN BEST BOOKS OF THE YEAR: The New York Times, People • ONE OF THE BEST BOOKS OF THE YEAR: The New York Times Book Review, The Washington Post, Esquire, Good Housekeeping, The Christian Science Monitor, Marie Claire, Ms. magazine, BookPage, Kirkus Reviews “Mbue reaches for the moon and, by the novel’s end, has it firmly held in her hand.”—NPR We should have known the end was near. So begins Imbolo Mbue’s powerful second novel, *How Beautiful We Were*. Set in the fictional African village of Kosawa, it tells of a people living in fear amid environmental degradation wrought by an American oil company. Pipeline spills have rendered farmlands infertile. Children are dying from drinking toxic water. Promises of cleanup and financial reparations to the villagers are made—and ignored. The country’s government, led by a brazen dictator, exists to serve its own interests. Left with few choices, the people of

Kosawa decide to fight back. Their struggle will last for decades and come at a steep price. Told from the perspective of a generation of children and the family of a girl named Thula who grows up to become a revolutionary, *How Beautiful We Were* is a masterful exploration of what happens when the reckless drive for profit, coupled with the ghost of colonialism, comes up against one community’s determination to hold on to its ancestral land and a young woman’s willingness to sacrifice everything for the sake of her people’s freedom.

#1 NEW YORK TIMES BESTSELLER • From the author of *Small Great Things* and *The Book of Two Ways* comes “a powerfully evocative story of resilience and the triumph of the human spirit” (Taylor Jenkins Reid, author of *The Seven Husbands of Evelyn Hugo* and *Daisy Jones & The Six*) Rights sold to Netflix for adaptation as a feature film • Named one of the best books of the year by *She Reads* Diana O’Toole is perfectly on track. She will be married by thirty, done having kids by thirty-five, and move out to the New York City suburbs, all while climbing the professional ladder in the cutthroat art auction world. She’s an associate specialist at Sotheby’s now, but her boss has hinted at a promotion if she can close a deal with a high-profile client. She’s not engaged just yet, but she knows her boyfriend, Finn, a surgical resident, is about to propose on their romantic getaway to the Galápagos—days before her thirtieth birthday. Right on time. But then a virus that felt worlds away has appeared in the city, and on the eve of their

departure, Finn breaks the news: It’s all hands on deck at the hospital. He has to stay behind. You should still go, he assures her, since it would be a shame for all of their nonrefundable trip to go to waste. And so, reluctantly, she goes. Almost immediately, Diana’s dream vacation goes awry. Her luggage is lost, the Wi-Fi is nearly nonexistent, and the hotel they’d booked is shut down due to the pandemic. In fact, the whole island is now under quarantine, and she is stranded until the borders reopen. Completely isolated, she must venture beyond her comfort zone. Slowly, she carves out a connection with a local family when a teenager with a secret opens up to Diana, despite her father’s suspicion of outsiders. In the Galápagos Islands, where Darwin’s theory of evolution by natural selection was formed, Diana finds herself examining her relationships, her choices, and herself—and wondering if when she goes home, she too will have evolved into someone completely different.

A riveting debut novel set in contemporary Seoul, Korea, about four young women making their way in a world defined by impossible standards of beauty, after-hours room salons catering to wealthy men, ruthless social hierarchies, and K-pop mania "Powerful and provocative . . . a novel about female strength, spirit, resilience—and the solace that friendship can sometimes provide."—The Washington Post NAMED ONE OF THE BEST BOOKS OF THE YEAR BY Time • NPR • Esquire • Bustle • BBC • New York Post • InStyle Kyuri is an achingly beautiful woman with a hard-won job at a Seoul "room salon," an exclusive underground bar where she entertains businessmen while they drink. Though she prides herself on her cold, clear-eyed approach to life, an impulsive mistake threatens her livelihood. Kyuri's roommate, Miho, is a talented artist who grew up in an orphanage but won a scholarship to study art in New York. Returning to Korea after college, she finds herself in a precarious relationship

with the heir to one of the country's biggest conglomerates. Down the hall in their building lives Ara, a hairstylist whose two preoccupations sustain her: an obsession with a boy-band pop star, and a best friend who is saving up for the extreme plastic surgery that she hopes will change her life. And Wanna, one floor below, is a newlywed trying to have a baby that she and her husband have no idea how they can afford to raise in Korea's brutal economy. Together, their stories tell a gripping tale at once unfamiliar and unmistakably universal, in which their tentative friendships may turn out to be the thing that ultimately saves them.

It should have been an open and shut murder case, but Mia Quinn finds out nothing about it is simple. After a young Chinese prostitute is stabbed to death by her rich American client, the tabloids dub Dandan Yee "Lethal Beauty"—despite the fact that she was the one who ended up dead. Yet even with double standards and naked prejudice working against her, Seattle prosecutor Mia Quinn is determined to get justice for Dandan Yee. But when a key witness goes missing and an unsavory juror shuts down deliberations without explanation, Mia fears the trial—and the law—are being tampered with. A constellation of fresh killings has Mia and homicide detective Charlie Carlson searching for a common source and puts Mia's family in the crosshairs of a Chinese crime cabal. Meanwhile, Dandan Yee's mother has opted to take matters into her own hands . . . and the stakes get more lethal overnight. In the midst of all this, Mia has to contend with a fifteen-year-old son who is growing up too fast for his own good and the idea that Charlie might want to be more than

just friends. Can Mia and Charlie stop the murders and still keep her family safe?

Or is the very act of seeking justice enough to cost her everything—and everyone—she loves?
