CABRERA ROJAS

STARDRAGONS. HarperCollins

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. I force myself to look at the face in the photo, into her slightly smudged features, and I can't bring myself to move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's

whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

"A free-wheeling adaptation of the 19th century play *La Ronde*, in which ten men in ten scenes sleep with and seduce one another; each encounter subtly, sometimes radically, changing their lives. The search for emotional fulfillment -- the thread that connects the episodes in *La Ronde* -- is given fresh resonance in Tony Award-winning playwright Joe DiPietro's hilarious and heartwarming take on the German classic, transposed to the gay subculture in contemporary Manhattan."--Cover.

Narelle is Sydney born and bred but lately she's lost her sense of belonging. Something keeps bringing her back to Pymont. This peninsula was her family's bedrock, and the home of her extraordinary grandmother June, who held everything together through the decades: a son's brush with the law, a daughter's battles with demons, a husband's decline. Life revolved around the sugar refinery. For a time this was the sweetest neighbourhood in the country. But the family bedrock, like the sugar, has dissolved away. Narelle can't fix the past, but maybe she can fix the future. A story of Sydney ' work and corruption, family and massive social change. A story of how Australia went

from working class to middle class. 'Valentine, an essential Australian dramatist, writes the marginalised and oft-persecuted fringes of Australia into our dramatic canon with long-denied dignity and grace. The Sugar House is a gift of theatre; an exploration of who we were, who we are and who we wish we could be.' **TIMEOUT**

Sydney Taylor Award-winning novel *Berlin Boxing Club* is loosely inspired by the true story of boxer Max Schmeling's experiences following Kristallnacht. Publishers Weekly called it "a masterful historical novel" in a starred review. Karl Stern has never thought of himself as a Jew; after all, he's never even been in a synagogue. But the bullies at his school in Nazi-era Berlin don't care that Karl's family doesn't practice religion. Demoralized by their attacks against a heritage he doesn't accept as his own, Karl longs to prove his worth. Then Max Schmeling, champion boxer and German hero, makes a deal with Karl's father to give Karl boxing lessons. A skilled cartoonist, Karl has never had an interest in boxing, but now it seems like the perfect chance to reinvent himself. But when Nazi violence against Jews escalates, Karl must take on a new role: family protector. And as Max's fame forces him to associate with Nazi elites, Karl begins to wonder where his hero's sympathies truly lie. Can Karl balance his boxing dreams with his obligation to keep his family out of harm's way? Includes an author's note and sources page detailing the factual inspirations behind the novel.
