30 Life Principles

Suppose you could ask God any question and get an answer. What would it be? Young people all over the world have been asking those questions.

So Neale Donald Walsch, author of the internationally bestselling *Conversations with God* series had another conversation.

Conversations with God for Teens is a simple, clear, straight-to-the-point dialogue that answers teens questions about God, money, sex, love, and more. *Conversations with God for Teens* reads like a rap session at a church youth group, where teenagers discuss everything they ever wanted to know about life but were too afraid to ask God. Walsch acts as the verbal conduit, showing teenagers how easy it is to converse with the divine. When Claudia, age 16, from Perth, Australia, asks, "Why can't I just have sex with everybody? What's the big deal?", the answer God offers her is: "Nothing you do will ever be okay with everybody. 'Everybody' is a large word. The real question is can you have sex and have it be okay with you?"

There's no doubt that the casual question-and-answer format will help make God feel welcoming and accessible to teens. Conversations with God for Teens is the perfect gift purchase for parents, grandparents, and anyone else who wants to provide accessible spiritual content for the teen(s) in their lives.

TALKING TO GOD IS EASY. IT'S THE LISTENING THAT'S THE HARD PART. Although most of us can talk with ease to our best friend, many of us aren't so good at keeping quiet and hearing what our friend has to say. So it is with God. For true communication with Him, we must learn to listen through understanding His Word. Dr. Charles Stanley's Listening to God, part of the Life Principles Study Series, presents a sound way to explore the Word and hear God's truths. You'll learn to identify with the passages, recognize your emotional response, reflect on the passages' meaning and take steps to apply what you've learned.

Pray Your Way Through

Your Day. More than two thousand years ago Jesus taught about the importance of prayer and the apostle Paul urged Christians to "pray without ceasing." Yet a rewarding prayer life seems almost impossible for those of us juggling busy schedules, family needs, friendships, home tasks, or a demanding job. The author of three other books on prayer, Janet Holm McHenry set out on a personal journey to learn how to draw even closer to God through this crucial spiritual discipline. Her findings led to PrayerStreaming, a life-changing guide to praying through the clutter and clatter of everyday life. Tap into History's Best Spiritual Wisdom Regarding Prayer. Drawing from eight of the most respected and time-tested spiritual classics on the subject of prayer, as well as personal experiences of deepened intimacy with God, Janet Holm McHenry illustrates that incorporating prayer
