Down & Dirty Supernatural Cleaning Services Boxset Books 4-7: The Lying, the Witch, and the Werewolf, The Remains of the Fae, A Midsummer Night's Clean, The Ghosts of Wrath W. W. Norton & Company
What happens when a down-on-her-luck single mom meets not one, but two sexy saviors? Roommates with twice the benefits. Jess has one goal in life—protect her son. But when an overcrowded shelter puts her and Jasper out on the street in the dead of winter, she fears she's going to fail that mission. Help comes in the form of confirmed bachelors, Tony Moretti and Dr. Rhys Beaumont. Tony and Rhys

share the same motto—work hard, play harder. But when fate drops a homeless waitress and her young son on their doorstep, their wild and free lifestyle takes a sharp turn. Their desire to help her is only surpassed by their desire to claim her, share her, make her theirs. When Tony and Rhys offer Jess a place to stay and security, there's no denying the chemistry between the three of them. All she has to do is let them in. But Jess isn't willing to get hurt again . . . no matter how persuasive, how determined, how deliciously possessive her new roommates are. Two alpha males plus one single mom in a steamy polyamory, threesome romance!

Out of the dark comes a knight she least expects. He's the Sergeant at Arms for the

Dark Knights MC. He enforces the rules and gets his hands dirty. She's the daughter of a biker. Property of another MC. She's young. He's not. He's lived a life. She's just finding her way. She's a bad idea. A very bad idea. One which can quickly turn allies into rivals. One war is over, he's not ready to begin another. But the temptation might make it unavoidable. Note: While this interracial/age gap story can be read as a standalone, it's best to read it after the Down & Dirty: Dirty Angels MC books to know the background of both the H and h. As with all my books, it doesn't have a cliffhanger and has an HEA.

From New York Times bestseller Kendall Ryan comes a delicious new standalone

romance featuring an accidental Vegas wedding and a totally perfect alpha hero. Remember that time you accidentally woke up in Vegas married to your hot younger guy friend? That's basically my life right now. Mistakes were made, okay? He's too young for me. Twenty-three to my thirty. And he's saving himself for the right girl. Yup. Apparently I've married the last alpha-male virgin on the planet. And my stubborn, oddly traditional, new husband doesn't want a divorce. He wants me. Complicated doesn't even begin to cover it. *Down and Dirty* is a sexy romp with a hero you'll melt for and a relatable, sassy heroine you'll love. If you're a fan of steamy romances with laugh out loud moments, grab yourself a copy- you won't regret it!

Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get *Down & Dirty* because this is Linc's story... For Linc, life was easy. But life's about to change. The Dirty Angels MC is Linc's life. The club his family. His lifesaver when he'd been drowning. Being a part of the club makes life easy for him. He wakes up, rolls out of bed, heads downstairs for grub, booze, women, whatever, before hitting the bar at night for work. But then there's Jayde. A dark-haired, blue-eyed beauty, a college graduate and an aspiring attorney. The first time he'd seen her hips swaying through church, he couldn't keep his eyes off her. Since then, they've circled each other for years. But Jayde deserves better than him, so he's kept her at arm's length. Linc has nothing to offer her, while she's poised to take on the world. Not only that, she's dangerous. Her father's a cop. Her brother, too. Even worse, her oldest brother is the club president. And that's the most dangerous of all. No matter how much he wants to touch her, smell her, taste her, make her his, he knows he'll take his life into his own hands by doing so. Jayde's torn between her family and the forbidden pull of both Linc and the DAMC. Will a mistake they make finish destroying the Jamisons? Or will it heal the long-time rift between the club and her family? Note: *Down & Dirty: Linc* is the ninth book in the Dirty Angels MC series. It's highly recommended that you read this 10-book series in order. It has no cheating, no relationship cliffhanger and, as always, has an HEA. Don't miss one of America's top 100 most-loved novels, selected by PBS's *The Great American Read*. This beloved book by E. B. White, author of *Stuart Little* and *The*

Trumpet of the Swan, is a classic of children's literature that is "just about perfect." Illustrations in this ebook appear in vibrant full color on a full-color device and in rich black-and-white on all other devices. Some Pig. Humble. Radiant. These are the words in *Charlotte's Web*, high up in Zuckerman's barn. *Charlotte's spiderweb* tells of her feelings for a little pig named Wilbur, who simply wants a friend. They also express the love of a girl named Fern, who saved Wilbur's life when he was born the runt of his litter. E. B. White's Newbery Honor Book is a tender novel of friendship, love, life, and death that will continue to be enjoyed by generations to come. It contains illustrations by Garth Williams, the acclaimed illustrator of E. B. White's *Stuart Little* and *Laura Ingalls Wilder's Little House* series, among many other books. Whether enjoyed in the classroom or for homeschooling or independent reading, *Charlotte's Web* is a proven favorite. *Down and Dirty Double-J Romance, Inc.* To clear her aunt's name of a scandal involving a fake Mayan artifact, Catherine will do anything--even take on Jack, a hardened adventurer. Jack's always done things the down-and-dirty way, and though he insists Cathy isn't his type, he can't resist the challenge of fulfilling her unspoken desires.

In this "dishy...superbly reported" (*Entertainment Weekly*) New York Times bestseller, Peter Biskind chronicles the rise of independent filmmakers who reinvented Hollywood—most notably Sundance founder Robert Redford and Harvey Weinstein, who with his brother, Bob, made Miramax Films an indie powerhouse. As he did in his acclaimed *Easy Riders, Raging Bulls*, Peter Biskind "takes on the movie industry of the 1990s and again gets the story" (*The New York Times*). Biskind charts in fascinating detail the meteoric rise of the controversial Harvey Weinstein, often described as the last mogul, who created an Oscar factory that became the envy of the studios, while leaving a trail of carnage in his wake. He follows Sundance as it grew from a regional film festival to the premier showcase of independent film, succeeding almost despite the mercurial Redford, whose visionary plans were nearly thwarted by his own quixotic personality. Likewise, the directors who emerged from the independent movement, such as Quentin Tarantino, Steven Soderbergh, and David O. Russell, are now among the best-known directors in Hollywood. Not to mention the actors who emerged with them, like Matt Damon, Ben Affleck, Ethan

Hawke, and Uma Thurman. Candid, controversial, and "sensationally entertaining" (*Los Angeles Times*) *Down and Dirty Pictures* is a must-read for anyone interested in the film world. *Charlotte's Web Double-J Romance, Inc.* Welcome to Shadow Valley where the Dirty Angels MC rules. Get ready to get *Down & Dirty* because this is Jag's story... The only thing Jag, DAMC Road Captain, loves more than his custom bike is Ivy. He's wanted her ever since he could remember. However, through the years, he's had to watch her date anyone but him since she avoids dating bikers like the plague. Instead, she gravitates toward the complete opposite: geeks and nerds. Something Jag will never be. Smart and independent, Ivy wants to be the property of no man. Growing up in the club, she knows firsthand how they treat women. She regrets the mistake she made by dragging Jag upstairs to his room at the club one drunken night. Ever since then, she's been doing her best to keep him at arm's length, though it's proven difficult. Especially when she finds out his secret, which only endears her to him even more. Between secrets, lies, and a violent tangle with a rival club, can these two passionate hot-heads find the love and solace they're looking for in each other's arms? Or will everything just tumble down around them? Note: *Down & Dirty: Jag* is the second book in the Dirty Angels MC series. It's highly recommended that you read this 10-book series in order. It has no cheating, no relationship cliffhanger and, as always, has an HEA.

Down & Dirty - Crow Little, Brown

The updated edition of *Steal This Vote*—a rollicking history of US voter suppression and fraud from Jacksonian democracy to Citizens United and beyond. In *Down for the Count*, award-winning journalist Andrew Gumbel explores the tawdry history of elections in the United States. From Jim Crow to Tammany Hall to the Bush v. Gore Florida recount, it is a chronicle of votes bought, stolen, suppressed, lost, miscounted, thrown into rivers, and litigated up to the Supreme Court. Gumbel then uses this history to explain why America is now experiencing the biggest backslide in voting rights in more than a century. First published in 2005 as *Steal This Vote*, this thoroughly revised and updated edition reveals why America faces so much trouble running clean, transparent elections. And it demonstrates how the partisan battles now raging over voter IDs, campaign spending, and minority voting rights fit into a long, largely unspoken tradition of hostility to the very notion of

representative democracy. Interviewing Democrats, Republicans, and a range of voting rights activists, Gumbel offers an engaging and accessible analysis of how our democratic integrity is so often corrupted by racism, money, and power. In an age of high-stakes electoral combat, billionaire-backed candidacies, and bottom-of-the-barrel campaigning, this book is more important than ever. "In a riveting and frightening account, Gumbel . . . traces election fraud in America from the 18th century to the present . . . [the issues he] so winningly addresses are crucial to the future of democracy."
