[Quizlet Algebra 1 Unit 4 Mandatory](#) Start studying Algebra 1 - Unit 4. Learn vocabulary, terms, and more with flashcards, games, and other study tools. [Algebra 1 - Unit 4 Flashcards |](#)

[Quizlet](#) The mathematical purpose of this lesson is to describe distributions using the appropriate terminology. In order to learn more about different kinds of distributions, one thing students do is

invent reasonable contexts for a given distribution. Illustrative Mathematics Algebra 1, Unit 1.4 Preparation ... Arrange students in groups of 2-4. Display the distributions for all to see. Give students 1 minute of quiet think time and then time to share their thinking with their small group. In their small groups, tell each student to share their reasoning why a particular item does not belong and together find at least one reason each item doesn't ...
