Death of a Six-Foot Teddy Bear Dark Harvest Trilogy

The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling and acclaimed author Holly Black. Tana lives in a world where walled cities called Coldtowns exist. In

them, quarantined monsters and humans mingle in a decadently bloody mix of predator and prey. The only problem is, once you pass through Coldtown's gates, you can never leave. One morning, after a perfectly ordinary party, Tana wakes up surrounded by corpses. The only other survivors of this massacre are her exasperatingly endearing ex-boyfriend, infected and on the edge, and a mysterious boy burdened with a terrible secret. Shaken and determined, Tana enters a race against the clock to save the three of them the only way she knows how: by going straight to the wicked, opulent heart of Coldtown itself. The Coldest Girl in Coldtown is a wholly original story of rage and revenge, of guilt and horror, and of love and loathing from bestselling

and acclaimed author Holly Black.

From the author of the highly praised Trophy Chase Trilogy comes this exciting swashbuckling tale of a pirate sentenced to die for the crime of mutiny. As he awaits his fate, this pirate (none other than the delightful Smith Delaney from the Trophy Chase Trilogy) ponders his life and the events that have brought him to this fate. In the process of remembering, and in grappling with mercy and justice as they have been played out in his life, a tale is spun, a tale of true hearts wronged, noble love gone awry, dark deeds done for the sake of gold, and sacrifices made for love. In the end, our pirate will come face-to-face with himself, with his own death, and

with a God who promises grace where none is deserved. Readers of Christian fantasy will once again be swept away by Bryan Polivka's compelling storytelling abilities. As Publisher's Weekly said of the author's first book, "readers will be flipping pages eagerly."

She discovers wings on the stranger, and the murderer takes the shape of both a hawk and a man. Angels. Shape-shifters. Myths and stories—until now. When a group of immortal vigilantes threatens millions, only one man is brave enough to stand in their way. Their story didn't start this year...or even this millennium. It began when Moses was on Mt. Sinai. Tired of waiting on the One True God, the twelve tribes of Israel

began worshipping a golden calf through pagan revelry. Many received immediate death for their idolatry, but 40 were handed a far worse punishment—endless life on earth with no chance to see the face of God. This group of immortals became the 13th Tribe, and they've been trying to earn their way into heaven ever since—by killing sinners. Though their logic is twisted, their brilliance is undeniable. Their wrath is unstoppable. And the technology they possess is beyond anything mere humans have ever seen. Jagger Baird knows nothing about the Tribe when he's hired as head of security for an archaeological dig on Mt. Sinai. The former Army Ranger is still reeling from an accident that claimed the life of his best friend, his arm, and his faith in

God. The Tribe is poised to execute their most ambitious attack ever and the lives of millions hang in the balance. When Jagger's wife and son are caught in the crossfire, he'll stop at nothing to save them. But how can one man stand against an entire tribe of immortals? "Liparulo plunges deep into the pages of Scripture to find intriguing what-if's and stunning revelations—all woven into a tale that is both skin-tinglingly supernatural and thought-provokingly real. Packed with high-tech gadgetry, action, and heart . . . Read this novel! Seriously!" —TED DEKKER, New York Times best-selling author of *Forbidden* and the *Circle Series* "The author of *Comes a Horseman* ushers in an exciting new series with this action-packed and intricately plotted spiritual thriller that

should appeal to fans of Frank Peretti and Oliver North." —Library Journal "A fantasy-thriller with overt (but not overly intrusive) Christian themes . . . The book can be read as a story of a man's spiritual transition, or it can be read as a fast-paced thriller with fantasy elements. Either way, it's a success." —Booklist "Liparulo opens the *Immortal Files* series with a bang . . . Liparulo has concocted a fast-moving, imaginative narrative that examines moral questions . . . every reader is in for roller-coaster action, competently done, with a late-breaking major plot curve that leaves the door open for more." —Publishers Weekly "If you're a fan of suspense or biblical fiction, this is one book you won't want to miss. Its mind-blowing action will keep readers totally immersed." —RT Book

There's a price on her head, and it has everything to do with the brand on her arm. Tertian Space Coalition has blessed every planet in the quadrants with high technology, save one: Drosero. But in spite of their tenuous treaty with the ruling clans, TSC has plans for the

backward planet. And they're not alone. After a catastrophic explosion, Kersei Dragoumis awakens in a derelict shuttle, alone, injured, and ignorant of the forbidden technology that has swept her into a nightmare. The brand she's borne since childhood burns mysteriously, but the pain is nothing to that when she learns her family is dead and she is accused of their murders. Across the quadrants, Marco Dusan responds to the call of a holy order-not to join them, but to seek a bounty. Gifted-or cursed-with abilities that mark him a Kynigos, a tracker sworn to bring interplanetary fugitives to justice, Marco discovers this particular bounty has nothing to do with justice and everything to do with prophecy.
