After Revival Comes Christian Focus  
 Christian universalism has been explored in its biblical, philosophical, and historical dimensions. For the first time, *The God Who Saves* explores it in systematic theological perspective. In doing so it also offers a fresh take on universal salvation, one that is postmetaphysical, existential, and hermeneutically critical. The result is a constructive account of soteriology that does justice to both the universal scope of divine grace and the historicity of human existence. In *The God Who Saves* David W. Congdon orients theology systematically around the New Testament witness to the apocalyptic inbreaking of God's reign. The result is a consistently soteriocentric

theology. Building on the insights of Rudolf Bultmann, Ernst Kasemann, Eberhard Jungel, and J. Louis Martyn, he interprets the saving act of God as the eschatological event that crucifies the old cosmos in Christ. Human beings participate in salvation through their unconscious, existential cocrucifixion, in which each person is interrupted by God and placed outside of himself or herself. Both academically rigorous and pastorally sensitive, *The God Who Saves* opens up new possibilities for understanding not only what salvation is but also who the God who brings about our salvation is. Here is an interdisciplinary exercise in dogmatic theology for the twenty-first century.

**Prayer** Lexham Press

Revival comes from prayer. Today's church needs an outpouring of the Holy

Spirit. Early church leaders like Luther, Wesley, Finney and Moody were filled and refilled with the Holy Spirit. Prayer like theirs was the powerful key to every revival throughout Christian history. Whether you're an ordained minister, a stay-at-home mom, or a new Christian, God can work through you. Join Yonggi Cho and Wayde Goodall in *Prayer*, the story of Pastor Cho's personal life and successful ministry. Readers will: - understand the different types of prayer, - value the importance of prayer, - learn why, how, and when to pray, - cultivate a lifestyle of prayer, and - receive new revelations of how to listen to the Holy Spirit. Hear the secrets God desires to share with you and be immersed in His profound love.

Just as Christ was raised from the dead on

the third day, a powerful supernatural event is about to occur on the earth. From an obscure Old Testament prophecy comes the shocking prediction of an explosion of heavenly power that will bring healing and revival in a time period identified as the Third Day. Dr. Donald A. Moss takes you on a whirlwind journey into the realm of prophetic revelation to witness the coming in of an exciting, new spiritual order on the earth. You'll discover: \* The "proceeding" Word of God \* Why modern-day Apostles will soon appear \* Why "celebrity" ministries will fade away \* How 3 terrible "enemies" will soon arise from within the modern Church (you'll be given a psychospiritual profile of each enemy that will pinpoint who they are) \* What is about to happen in the coming worldwide economic crisis and why it will actually aid the revival of the Third Day. \* How a new order of unity will bring people of all races and backgrounds together \* How you can live a "supernatural" lifestyle in the coming days "The Third Day presents intelligent evidence that a Divine flashpoint is drawing near. From the biblical perspective, a day is as a thousand years. Two thousand years or two days of grace have elapsed since the death and resurrection of Jesus. The third day or the third one thousand year period from the time of Christ will be a time of finishing grace when the Spirit of the Lord is poured out upon all flesh. It will be as the lightning comes out of the east and shines into the west to prepare believers for the coming of Christ in the clouds. The modern Church must shake the dust of its former understandings and acknowledge this awesome possibility." -Dr. Donald A. Moss *Revival-God's Proven Method of Awakening His Church* Whitaker House

Fire blazes from heaven, and a stone altar erupts in flame. So begins a spiritual awakening, the kindling of a revival fire still burning today. Beginning with Elijah and God's tremendous one-day revival of Israel, Wesley Duewel tells stories of revivals spanning the globe from America to China to Africa, all brought by obedience and heartfelt prayer. He illustrates how God has used revival fire through the centuries to revive the church and reveal the glorious presence of the Holy Spirit.

In "When God comes to church," Raymond C. Ortlund Jr. explores what the Bible teaches about revival. He explains what God can do to revive his people and what we must do to prepare ourselves for revival. Ortlund's conclusions provide solid

guidance for church leaders and lay people who long for renewal and revival from God.

#### Glory in the Church Wipf and Stock

Why don't our churches today look like the church in the book of Acts? Could they?

When God manifests his presence to a fellowship of believers in Christ, God's people experience revival. That's one way to define what revival is—when God comes to church. In *Revival: When God Comes to Church*, Pastor Steve Gaines analyzes how churches can look like the church of the first century. Infused with the Holy Spirit, they evangelized most of the civilized world within only three centuries. We don't need another program, personalities, or marketing; we need his presence. The Holy Spirit is our primary draw, and when he touches people, they're never the same.

In this day and age of hyperactivity it is easy for us to mistake action for anointing and volume for presence. However, a chicken with its head cut off has action, but it is not very healthy, you could say, "...thou hast a name that thou livest and art dead." (Revelation 3:1) Revival is our answer to all that ails the church, but, have we been so long without revival that we no longer desire it? "If My People" is a book designed to open our hearts and minds to what the Psalmist meant when he said, "Wilt thou not revive us again: that thy people may rejoice in thee?" (Psalm 85:6) Our only hope is revival but, what is it? What does it look like? Why do we need it? and What can I do? This little book answers these questions and much more. This little book puts us on the right path for a full out bona fide revival.

7 Steps to Revival Years ago, the Lord spoke these words to international Bible teacher Derek Prince, author of the acclaimed book *Shaping History Through Prayer and Fasting*: "There shall be a great revival in the United States and Great Britain." Derek believed God was going to send a tremendous revival. But He wasn't going to send it to the nations. He was going to send revival to the church in the nations. Then, that revival would impact the world with the gospel of Jesus Christ before His return. This prophetic word about revival has yet to be fulfilled, which means the years to come hold great excitement for the church. The renewal God wants to bring to the United States and Great Britain—indeed, to the whole earth—may lie just ahead of us. Each of us has a pivotal role in this upcoming revival.

How should we prepare ourselves to be used by the Lord in the revolutionary times to come? The fact is, how soon we see this revival will depend on how soon we are ready. Derek Prince knew there would be many contributing factors to the worldwide revival God intends to bring. In this riveting book, he focuses on seven elements that are essential to the process. Learn these vital elements and how you can prepare yourself to help bring about The Coming Revival—ushering in the fullness of the kingdom and the culmination of the age.

Pervaded by the stench of self-satisfaction, self-obsession, and self-justification, the Church in the West, overcome by its culture, finds herself in an ailing condition very few seem to want to mention, never mind confront to correct. Biblical imperatives often go unheeded in the pew, largely because they are unsounded from the pulpit, as we live out our own dark and more sinister version of the Emperors New Clothes. Drawing primarily from the scriptures, along with other revival writers such as Finney, Tozer, Ravenhill, *Getting Ready for Revival* seeks to stimulate our minds out of our ignorance of Gods Word and stir our hearts over our forgetfulness of God, returning us to the wells we did not dig (Deut. 6:1012) of Gods provision and insistence that we may not die in the graves our own wells are.

In Christian history, no phenomenon is clearer than the recurrence of revivals. A passion for repentance sweeps across a city, and those who had been unaware of the supernatural are now keenly aware of God's presence. Gripped by conviction of wrongdoing, they throw everything aside and desperately search for a way of salvation. Our spiritual instincts are often clouded by worthless pursuits, but God is working through His laws for the salvation of His people and for the world's good. In *Revival Now*, learn about God's laws of revival, including the laws of progress, spiritual growth, ebbing tide, fullness of time, awakening, variety, and more. Edited for today's reader by Tom Phillips, *Revival Now*, originally written by James Burns in 1909 (*Revivals, Their Laws and Leaders*), traces common characteristics of past revivals, and shows how our world today is ripe for a new, profound move of God's Spirit. Also included are inspirational prompts and prayers to help you experience Scripture and encounter Jesus. A Jesus awakening is here! DR. TOM PHILLIPS is a farm boy from Mississippi whose grandfather was a circuit-riding

preacher. His family's spiritual heritage originated in the great awakenings throughout the Southeast, beginning in Kentucky, in the early 1800s. Today Tom is vice president of the Billy Graham Evangelistic Association (BGEA). Tom and his wife, Ouida, have three grown children and make their home in Charlotte, North Carolina.

In the past there have been those who live their spiritual lives by biblical explanation only. At the same time others have based their theological dispositions on "signs and wonders" characterized by the Pentecostal/Charismatic movement. Popular teachers Paul Cain and R.T. Kendall believe that God is on the brink of releasing an era of unprecedented glory as the people of God "marry" together both the Word and the Spirit.

*When Revival Comes: The Power & The Glory* delves into the hundreds of prophetic Scriptures that are at the cusp of manifesting on earth. Many on the earth have no idea that the age of man is closing and the Kingdom Age is at an explosive juncture to burst forward. Revival is God's plan for mankind. It has

been so since the very beginning when Adam and Eve sinned and lost the Glory that was upon them and the earth. Curses came and injustice filled the planet by way of the works of the evil one. He has propagated evil yet the Most High has always succeeded in bringing His goodness to the earth. Now more than at any other time in history God is posed to extend His hand of mercy and justice by bringing forth His Glory and His Power - a Restoration of all things. (Mt 19:28) All who enter into this Glory will never be the same. Believe, stand and govern with Him to advance your Land in His goodness and Kingdom blessings. Learn what He is about to do in the nations!

**Under the Thorn Tree** Whitaker House Every Christian longs and prays for a revival. Every pastor dreams of a revival coming to his church. However the old proverb "Beware of what you pray for" is never more true when it comes to praying for a revival. Before a revival can ever come, God will take you through the fires to purify your motives. This is the story of one young pastor who experienced those cleansing fires and when revival finally came all he got was a hug from God. That hug, however, made all the tears he cried, acceptable, justified.

In these last days, the Christian Faith has fallen into apostasy as it is rightly written in 1 Timothy 4:1-2(NIV), The Spirit clearly says in the later times some will abandon the faith and follow deceiving spirits and things taught by demons. We all await a Christian revival but before true revival comes, there must first be a rebirth of learning. This book is a body of living words that make up flames of revival; it is the re-awakening of the Christian Faith. It will enlighten your understanding of God's mind and will. Therefore pay full attention to its contents (Proverbs 4:20, NIV) because understanding it will give you real understanding of the Christian Faith. If you

understand this book then the Bible will become plain to you because it is its language. The Spirit of Revival is written to make all the mysteries of the Bible (including the mysteries of the Garden of Eden, the nature of Faith, the concept of sin, and the miracle of baptism) plain and simple to you. These words are not his, but those of Christ. They are spirits ( life) and seven times pure: When there is a need for revival, and the spirit of meditation falls on a man he does not just start preaching (or teaching), but the Spirit raises his understanding of the Truth, it may take years for him to be ready, that is why there is a period in the life of Christ that is not mentioned in the gospels but it is summarized as, ""And Jesus grew in wisdom and in stature, and in the favor of the Lord and man"" (Luke 2:52, NIV). And when such a man has become perfect in wisdom and judgments such that he walk not by sight nor reprove after his hearing because he can discern between spirits (wisdoms), he is presented to man for the glory of the Spirit that leads him. The words in this book are sure and greater than all insights. Pastor Ewang Nelson Mfortaw is a young Cameroonian who believes in the glory of revival because of what he has learnt from the Spirit of Christ who lives in us. He was born in August 1982, and presently lives in Douala (Cameroon).

A Concise Guide to Reading the Prophetic Books The Prophetic Books of the Bible are full of symbolic speeches, dramatic metaphors, and lengthy allegories—a unique blend of literary styles that can make them hard to comprehend. How can we know if we are reading them the way God intended them to be read? In this accessible guide, leading Old Testament scholar Peter Gentry identifies seven common characteristics of prophetic literature in the Bible that help us understand each book's message. With illustrations and clear examples, Gentry offers guidance for reading these challenging texts—teaching us practical strategies for deeper engagement with the biblical text as we seek to apply God's Word to our lives today.

**The Coming Revival. A Sermon [on Psalm Lxxxv. 6].** SGM Publishing

In every era the church needs revival—certainly today as much as ever. And in the heart of every committed Christian there is the longing for personal revival—to know the quality and depths of spiritual reality, and the presence of God in one's personal life. This was the deepest desire of Dr. Martyn Lloyd-Jones, one of the great 20th-century Bible expositors. It

was also the purpose behind this series of messages which were first given on the 100th anniversary of the Great Revival which started in Wales, and swept across England and throughout the United States and to the far corners of the world. As Dr. Lloyd-Jones recognized, it is a rare time in the history of the church when there is a great outpouring of the Holy Spirit— and a time of special interest of every Christian who longs for revival today. As Dr. J. I.

Packer writes in his foreword, Dr. Lloyd-Jones believed in "the necessity of revival—that is, a quickening divine visitation—as the only vent that can avert ultimate spiritual disaster. The thrustful urgency of the sermons in this book testifies to the depth of his conviction that without revival in the church there is really no hope for the Western world at all." Dr. Lloyd-Jones deftly draws principles from

the lives of Old and New Testament characters as well as expounding some of the great prayers of the Bible. Clearly and forcefully, he presents a masterful exposition of the circumstances accompanying revival in the past, why each generation needs it, and how it will come about today. We must come to the sovereign God, forsake our sin, and wait upon Him for this special, essential outpouring. God, bring us revival!
