A New York Times bestseller and one of the most praised Korean cookbooks of all time, you'll explore the foods and flavors of Koreatowns across America through this collection of 100 recipes. This is not your average "journey to Asia" cookbook. Koreatown is a spicy, funky, flavor-packed love affair with the grit and charm of Korean cooking in America. Koreatowns around the country are synonymous with mealtime feasts and late-night chef hangouts, and Deuki Hong and Matt Rodbard show us why through stories, interviews, and over 100 delicious, super-accessible recipes. It's spicy, it's fermented, it's sweet and savory and loaded with umami: Korean cuisine is poised to break out in the U.S., but until now, the cookbooks have been focused on taking readers on an idealized Korean journey. Koreatown, though, is all about what's real and happening right here: the foods of Korean American communities all over our country, from L.A. to New York City, from Atlanta to Chicago. We follow Rodbard and Hong through those communities with stories and recipes for everything from beloved Korean barbecue favorites like bulgogi and kalbi to the lesser-known but deeply satisfying stews, soups, noodles, salads, drinks, and the many kimchis of the Korean American table.

Winner of the 2011 James Beard Foundation Award for International Cooking, this is the authoritative guide to stir-frying: the cooking technique that makes less seem like more, extends small amounts of food to feed many, and makes ingredients their most tender and delicious. The stir-fry is all things: refined, improvisational, adaptable, and inventive. The technique and tradition of stir-frying, which is at once simple yet subtly complex, is as vital today as it has been for hundreds of years—and is the key to quick and tasty meals. In *Stir-Frying to the Sky's Edge*, award-winning author Grace Young shares more than 100 classic stir-fry recipes that sizzle with heat and pop with flavor, from the great Cantonese stir-fry masters to the culinary customs of Sichuan, Hunan, Shanghai, Beijing, Fujian, Hong Kong, Macau, Taiwan, Singapore, and Malaysia, as well as other countries around the world. With more than eighty stunning full-color photographs, Young's definitive work illustrates the innumerable, easy-to-learn possibilities the technique offers—dry stir-fries, moist stir-fries, clear stir-fries, velvet stir-fries—and weaves the insights of Chinese cooking philosophy into the preparation of beloved dishes as Kung Pao Chicken, Stir-Fried Beef and Broccoli, Chicken Lo Mein with Ginger Mushrooms, and Dry-Fried Sichuan Beans.

In this inventive and intensely personal cookbook, the blogger behind the award-winning ladyandpups.com reveals how she cooked her way out of an untenable living situation, with more than eighty delicious Asian-inspired dishes with influences from around the world. For Mandy Lee, moving from New York to Beijing for her husband's work wasn't an exotic adventure—it was an ordeal. Growing increasingly exasperated with China's stifling political climate, its infuriating bureaucracy, and its choking pollution, she began "an unapologetically angry food blog," LadyandPups.com, to keep herself from going mad. Mandy cooked because it channeled her focus, helping her cope with the difficult circumstances of her new life. She filled her kitchen with warming spices and sticky sauces while she shared recipes and observations about life, food, and cooking in

her blog posts. Born in Taiwan and raised in Vancouver, she came of age food-wise in New York City and now lives in Hong Kong; her food reflects the many places she's lived. This entertaining and unusual cookbook is the story of how "escapism cooking"—using the kitchen as a refuge and ultimately creating delicious and satisfying meals—helped her crawl out of her expat limbo. Illustrated with her own gorgeous photography, *The Art of Escapism Cooking* provides that comforting feeling a good meal provides. Here are dozens of innovative and often Asian-influenced recipes, divided into categories by mood and occasion, such as: For Getting Out of Bed Poached Eggs with Miso-Browned Butter Hollandaise Crackling Pancake with Caramel-Clustered Blueberries and Balsamic Honey For Slurping Buffalo Fried Chicken Ramen Crab Bisque Tsukemen For a Crowd Cumin Lamb Rib Burger Italian Meatballs in Taiwanese Rouzao Sauce For Snacking Wontons with Shrimp and Chili Coconut Oil and Herbed Yogurt Spicy Chickpea Poppers For Sweets Mochi with Peanut Brown Sugar and Ice Cream Recycled Nuts and Caramel Apple Cake Every dish is sublimely delicious and worth the time and attention required. Mandy also demystifies unfamiliar ingredients and where to find them, shares her favorite tools, and provides instructions for essential condiments for the pantry and fridge, such as Ramen Seasoning, Fried Chili Verde Sauce, Caramelized Onion Powder Paste, and her Ultimate Sichuan Chile Oil.

This is one of the first ever Chinese cookery books to be written in English. "Chop Suey, says the author of this unusual cookery book, is a dish known to the Chinese only as an agreeable foreign concoction. Having reduced every foreigner to a proper sense of his own ignorance with this gentle remark, Mrs. Yen Hung Feng immediately makes honourable amends and expounds, for our pleasure and practical use, the art and mystery of Chinese cooking. She explains the customs of the Chinese table, the kinds of food and implements used in a Chinese kitchen- with suggestions for substitutes where that is necessary - and, most important of all, Chinese methods of preparing food.

Housewives, please note that a centuries-long shortage of fuel in China has led to the development of cooking techniques which need the shortest possible time on the stove. Mrs. Yen Hung Feng has given a large selection of recipes, with very full instructions for those who are new to Chinese cooking, and there are careful drawings which make the most difficult process clear. She ends this delightful book with an account of the most important traditional festivals of China, giving, at the same time, a recipe for the dish proper to each occasion. Here is a practical book for the kitchen which is an introduction to Chinese life as well." Contents Include: China in your Kitchen - Appetizers - Chinese Soups - Egg Dishes - Fish and Shellfish - Poultry - Pure Meat Dishes - Vegetable Dishes - Rice and Mien Dishes - Chinese Desserts - Chinese Tea - Chinese Festival Dishes - Index of Recipes
