 Reflections on Christ, from a beloved spiritual writer A. W. Tozer was a man of remarkable knowledge, an avid reader of Christian writers and philosophers from throughout the ages. But he meditated on the Bible. He was, like John Wesley, "a man of one Book and a student of many." Combine this with his poignant writing style and you have works like this one, high thoughts of God brought low, yet no less moving. Jesus: The Life and Ministry of God the Son features selections from Tozer's writings on the God-man, Jesus Christ. It follows the chronology of Christ's earthly life and explores classic themes of Christology, helping readers better comprehend and appreciate Jesus' person and work. When you set out to study Christ, you want to behold His splendor the best you can. That's why writers like A. W. Tozer are excellent guides: they love the Lord, know Him well, and yet have a way with the written word. They're able to lay the weight of glory on the human heart as few can. Read Jesus and appreciate anew the

Savior of the world and the power of the written word to glorify His name.

A.W. Tozer maintained that a theologian’s message must be ‘both timeless and timely’, a sentiment borne out in the fact that his writing on worship still acts as an urgent warning today. Tozer is primarily concerned with the loss of the concept of ‘majesty’ from the popular mind and more importantly from the thinking of the church. He sees the church as having surrendered her once lofty concept of God – not deliberately, but little by little and without her knowledge. With this comes a further loss of religious awe and a sense of the divine presence, of an appropriate spirit of worship and of our ability to withdraw inwardly to meet God in adoring silence. Tozer addresses this problem, to go back to the causes of the decline and to understand and correct the errors that have given rise to our devotional poverty. ‘It is impossible to keep our moral practices sound and our inward attitudes right while our idea of God is erroneous or inadequate,’ he tells us. What is needed is a restoration of our knowledge of the holy.

God came in the flesh to show us what love looks like. To truly see the dynamics of this love, we must take a close look at Jesus’s relationships while he was here on earth. How he loved then is how he loves now, and how he loves now is how we as believers are to love. No Greater Love is a study of Jesus’s interactions with people throughout the book of John, including Nicodemus, the woman at the well, and even the Pharisees. What did this love look like in action, especially with those who are hard to love? As it turns out, he didn’t love people because they deserved it; he loved them because he is love. With the great tragedies in our culture today there is a need for this “Jesus love” that’s available to all believers. May this book help you better know his love for you—which, in the end, will lead you to becoming more like him.

Wherever Christians meet these days one word is sure to be heard constantly repeated; that word is revival. In sermon, song and prayer we are forever reminding the Lord and each other that what we must have to solve all our spiritual problems is a “mighty, old-time revival.” The religious press, too, has largely gone over to the proposition that revival is the one great need of the hour, and anyone who is capable of preparing a brief for revival is sure to find many editors who will publish it. So strongly is the breeze blowing for revival that scarcely anyone appears to have the discernment or the courage to turn around and lean into the wind, even though the truth may easily lie in that direction.

To understand the continued and far - reaching ministry of A. W. Tozer, it is important to know who he was, including his relationship with God. In *The Life of A. W. Tozer*, James Snyder lets us in on the life and times of a deep thinker who was not afraid to “tell it like it is” and never compromised his beliefs. A. W. Tozer’s spiritual legacy continues today as his writings challenge readers to a deeper relationship and worship of God in reverence and adoration. W. Tozer gives a behind the scenes look at the man and his message. We see God at work with hammer and chisel to shape Tozer’s life into a vessel capable of influencing all who desire to walk with God. No single author has influenced me personally more than A. W. The one great obsession of A.W. Tozer’s life was worship. Many have written about worship, but Tozer surpassed them all in simple passion and supreme purpose. Compiled from material never before published, this book presents A.W. Tozer’s systematic teaching on worship. His thoughts on the subject were deeply rooted in biblical doctrine and historic writings, blending Scripture with some of the great devotional writers throughout history. Be inspired to not only understand worship but also experience it in your own heart. This will be the best teaching in my ministry. I want to deliver my soul as a prophet of God to the people, and to explain why we were created and why we are here, not to the satisfaction of the needed appetite only but to something bigger, grander and more eternal, that we might worship God and enjoy Him forever.

*A. W. Tozer: Three Spiritual Classics in One Volume* Kharis Publishing

Tozer was a prophet of the twenty-first century. His message to the Church was clear: we must put Christ at the center of our life and live for him and only him. Among Evangelicals, he was an iconoclast. One who desired to satisfy God rather than men. As a result, he made a lot of friends and a lot of enemies. But he was driven by a desire to improve the human race in general and the Church in particular.

**The Gospel According to Isaiah 53** Gospel Light Publications

‘I fear we shall never see another Tozer. Men like him are not college-bred but Spirit-taught.’ Leonard Ravenhill, 20th century British evangelist. Pastor A. W. Tozer, author of the Christian classics *The Pursuit of God* and *The Knowledge of the Holy*, was a complex, intensely private, deeply spiritual man, and a gifted preacher whose impact for the kingdom of God is immeasurable. In this thoughtful biography, bestselling author Lyle Dorsett traces Tozer’s life from his humble beginnings as a Pennsylvania farm boy to his heyday as a Chicago pastor- when hundreds of college students would travel to his South Side church to hear him preach and thousands more heard his Sunday broadcasts on WMBI- to his final pastorate in Toronto. From his conversion as a teen to his death in 1963, Tozer remained true to one passion: to know the Father and make Him known, no matter what the cost. The price he paid was loneliness, censure from other, more secular-minded ministers of the times, and even a degree of estrangement from his family. Read the life story of a flawed but gifted saint, whose works are still impacting the world today.

**The Warfare of the Spirit** Moody Publishers

“Some churches now advertise courses on how to pray. How ridiculous! That is like giving a course on how to fall in love.” —A. W. Tozer Tozer understood prayer as few do: as a way of life. Now readers can share that same grand vision. Prayer combines the best of Tozer on prayer into one volume. Tozer was captured by the great wonder of God, and he regarded prayer as the primary means of coming into His presence. But if our everyday life is filled with the barrenness of busyness and there is no serious urgency to pray, we forfeit the wonder of being conformed to the image of Christ and knowing our God more intimately—the true

Christian life. Prayer is doable. God is accessible. And Tozer provides the wisdom and encouragement to help us encounter Him daily. With commentary and reflection questions provided by compiler W.L. Seaver, Prayer takes our understanding of prayer to new depths and helps us have a life that prays.

What Does Christ-Centered Leadership Look Like? As a Christian, does your leadership approach look any different from that of those who don't follow Christ? Throughout the Bible, God shows us what leadership looks in His kingdom, and sometimes it can seem upside-down. The first shall be last. The master shall be the servant. But how can we apply these counterintuitive truths in our world today? Rather than focusing on the nuts and bolts of management, Lead like Christ uses the book of Titus to take a close look at what biblical leadership entails. Using Paul's instructions to his young ministry partner as a guide, Tozer takes us through themes of grace, servanthood, spiritual boldness, and humility toward the Word of God. This foundation will lead to powerful, long-lasting change in both your own leadership role today as well as in God's eternal kingdom.

"I am crucified with Christ: nevertheless I live; yet not I, but Christ liveth in me; and the life which now I live in the flesh I live by the

faith of the Son of God, who loved me, and gave himself for me."

The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? The Crucified Life is a comprehensive exploration of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of the book is a call to believers to follow Christ to the Cross and be raised to new life—a call to live and thrive in the crucified life.

[The Purpose of Man](#) Moody Publishers

Teachings from the Gospel of John Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the heavenlies. No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to John's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord. Available Fall 2009!.
