Sandy's Picture Stories is designed for busy teachers of Beginner ESL. Each Unit is based on a topic useful for new immigrants like "The Noisy Neighbor" or "The Burglar". Every Unit begins with a series of pictures meant to be copied on to light card stock and cut into card sets. This is followed by a

randomized card set of key words and another of sentences. Students are meant to sequence the pictures and invent the story, then match key words to pictures and revise their story. More advanced students can match the pictures with the sentence cards and to read the story to a partners. This if followed by a correct sentence sequence so students can read it silently and orally and adjust their picture stories if needed. Next we have a word scramble to reinforce vocabulary learning and scrambled sentences to build grammar and syntax awareness. The unit concludes with a listening exercise to further reinforce learning. The total two-hour lesson is quick

and easy to prepare yet is engaging and involving so students participate eagerly. This is a handy book that all teachers of Beginner ESL will want to have.

A great story can lead a reader on a journey of discovery—especially if it's presented in two languages! Beautifully illustrated in a traditional style, *Japanese Stories for Language Learners* offers five compelling stories with English and Japanese language versions appearing on facing pages. Taking learners on an exciting cultural and linguistic

journey, each story is followed by detailed translator's notes, Japanese vocabulary lists, and grammar points along with a set of discussion questions and exercises. The first two stories are very famous traditional Japanese folktales: *Urashima Taro* (Tale of a Fisherman) and *Yuki Onna* (The Snow Woman). These are followed by three short stories by notable 20th century authors: *Kumo no Ito* (The Spider's Thread) by Akutagawa Ryunosuke (1892-1927) *Oborekaketa Kyodai* (The Siblings Who Almost Drowned) by Arishima Takeo (1878-1923) *Serohiki no Goshu* (Gauche the Cellist) by Miyazawa Kenji (1896-1933) Reading these stories in the original Japanese

script--and hearing native-speakers read them aloud in the accompanying free audio recording--helps students at every level deepen their comprehension of the beauty and subtlety of the Japanese language. Learn Japanese the fun way—through the country's rich literary history.
