Nisi Prius (1688-1867).

### The Fourth Part of the Institutes of the Laws of England

Cambridge University Press

In 1859, three sailors arrive on an isolated island to man a new lighthouse at the wreck-prone tippy tip of South America. They soon discover a band of egregious criminals, led by dangerous evildoer Kongre, who have been tricking ships into running aground, killing the survivors and taking the loot. When two lighthouse men go to assist a ship and are killed, serious trouble ensues.

The new Edition of the report of the European Commission for the Efficiency of Justice (CEPEJ), which evaluates the functioning of the judicial systems in 45 Council of Europe's member states and an observer state to the CEPEJ, Israël, remains in line with the process carried out since 2002. Relying on a methodology which is already a reference for collecting and processing a wide number of quantitative and qualitative judicial data, this unique study has been conceived above all as a tool for public policy aimed at improving the efficiency and the quality of justice. To have the knowledge in order to be able to understand, analyse and reform, such is the objective of the CEPEJ which has prepared this report, intended for policy makers, legal practitioners, researchers as well as for those who are interested in the functioning of justice in Europe.

### The Begum's Millions Prabhat Prakashan

Verne's first cautionary tale about the dangers of science — first modern and corrected English translation. When two European scientists unexpectedly inherit an Indian rajah's fortune, each builds an experimental city of his dreams in the wilds of the American Northwest. France-Ville is a harmonious urban community devoted to health and hygiene, the specialty of its French founder, Dr. François Sarrasin. Stahlstadt, or City of Steel, is a fortress-like factory town devoted to the manufacture of high-tech weapons of war. Its German creator, the fanatically pro-Aryan Herr Schultze, is Verne's first truly evil scientist. In his quest for world domination and racial supremacy, Schultze decides to showcase his deadly wares by destroying France-Ville and all its inhabitants. Both prescient and cautionary, *The Begum's Millions* is a masterpiece of scientific and political speculation and constitutes one of the earliest technological utopia/dystopias in Western literature. This Wesleyan edition features notes, appendices, and a critical introduction as well as all the illustrations from the original French edition.

### The Book of Martyrs: Containing an Account of the Sufferings and Death of the Protestants in the Reign of Queen Mary ... Now Revised and Corrected by an Impartial Hand Wesleyan University Press

"Le Chancellor" de Jules Verne. Jules Verne, écrivain français (1828-1905)."

**The Irish Parliament in the Middle Ages** Faber & Faber  
*Cursed Kings* tells the story of the destruction of France by the madness of its king and the greed and violence of his family. In the early fifteenth century, France had gone from being the strongest and most populous nation state of medieval Europe to suffering a complete internal collapse and a partial conquest by a foreign power. It had never happened before in the country's history - and it would not happen again until 1940. Into the void left by this domestic catastrophe, strode one of the most remarkable rulers of the age, Henry V of England, the victor of Agincourt, who conquered much of northern France before dying at the age of thirty-six, just two months before he would have become King of France. Following on from *Divided Houses* (winner

of the Wolfson History Prize and shortlisted for the Hessel-Tiltman), *Cursed Kings* is the magisterial new chapter in 'one of the great historical works of our time' (Allan Massie).

### Der Chancellor Routledge

Containing more than 600 entries, this valuable resource presents all aspects of travel writing. There are entries on places and routes (Afghanistan, Black Sea, Egypt, Gobi Desert, Hawaii, Himalayas, Italy, Northwest Passage, Samarkand, Silk Route, Timbuktu), writers (Isabella Bird, Ibn Battuta, Bruce Chatwin, Gustave Flaubert, Mary Kingsley, Walter Raleigh, Wilfrid Thesiger), methods of transport and types of journey (balloon, camel, grand tour, hunting and big game expeditions, pilgrimage, space travel and exploration), genres (buccaneer narratives, guidebooks, New World chronicles, postcards), companies and societies (East India Company, Royal Geographical Society, Society of Dilettanti), and issues and themes (censorship, exile, orientalism, and tourism). For a full list of entries and contributors, a generous selection of sample entries, and more, visit the Literature of Travel and Exploration: An Encyclopedia website.

The Survivors of the Chancellor: Diary of J. R. Kazallon, Passenger (French: *Le Chancellor: Journal du passager J.-R. Kazallon*) is an 1875 novel written by Jules Verne about the final voyage of a British sailing ship, the Chancellor, told from the perspective of one of its passengers (in the form of a diary).

### Around the World in Eighty Days Wesleyan University Press

Please note: This audiobook has been created using AI voice.  
Desiring a more romantic crossing of the Atlantic, Englishman J. R. Kazallon decides to forgo a steamship and instead sets sail on the Chancellor, a large three-mast sailing ship. What follows is a classic nautical adventure, told in the form of a series of diary entries and filled with tragedy, suffering, and even horror. Despite the grim subject matter, Jules Verne still finds space to include ample descriptions of geology, biology, and meteorology.

Unlock the secrets to personal development and success with "The Way to Wealth" by Benjamin Franklin, a timeless guide to achieving prosperity and fulfillment through practical wisdom and timeless principles. Join Benjamin Franklin as he shares his insights and advice on how to design a life of abundance and achievement. Drawing upon his own experiences and observations, Franklin distills the keys to success into a series of timeless aphorisms and maxims that offer practical guidance for navigating life's challenges and seizing opportunities. As you immerse yourself in the pages of "The Way to Wealth," you'll discover Franklin's timeless wisdom on topics such as frugality, industry, and the importance of continuous self-improvement. Through his pithy aphorisms and sage advice, Franklin offers a roadmap to success that is as relevant today as it was when it was first written. Themes of diligence, discipline, and self-reliance permeate the narrative of "The Way to Wealth," offering readers a blueprint for achieving their goals and realizing their dreams. Whether you're striving for financial independence, professional success, or personal fulfillment, Franklin's timeless principles provide a solid foundation for building a life of meaning and purpose. Character analysis reveals the depth and complexity of Franklin's own character, as well as the characters of the individuals he encounters in his journey towards wealth and success. From the industrious tradesman to the thrifty housewife, each character embodies key virtues and values that are essential for achieving success in life. The overall tone of "The Way to Wealth" is one of optimism and empowerment, with Franklin's clear and concise prose offering readers a practical roadmap for achieving their goals and realizing their dreams. His

writing is characterized by its simplicity and accessibility, making complex concepts and ideas easily understandable to readers of all backgrounds and experience levels. Since its publication, "The Way to Wealth" has been hailed as a classic of personal development literature, revered for its timeless wisdom and practical advice. Its enduring popularity and continued relevance make it a must-read for anyone seeking to unlock their full potential and achieve success in life. Whether you're a seasoned entrepreneur, a budding professional, or simply someone who wants to live a more fulfilling life, "The Way to Wealth" offers invaluable insights and guidance that will help you design the life you've always dreamed of. Don't miss your chance to embark on this transformative journey of personal growth and development. Grab your copy now and start building the life of your dreams today.

[Lighthouse at the End of the World](#) University of Pennsylvania Press

This 1936 book contains a detailed investigation of the ideas and theories behind the forms of fifteenth-century English government, reaching conclusions regarding the 'spirit' of the constitution. This book will be of value to anyone with an interest in fifteenth-century history, political history and the development of the English constitution.

[Hundred Years War Vol 4](#) Wesleyan University Press

One of the great "first novels" in world literature is now available in a complete, accurate English translation. Prepared by two of America's leading Verne scholars, Frederick Paul Walter and Arthur B. Evans, this edition honors not only Verne's farseeing science, but also his zest, style, and storytelling brilliance. Initially published in 1863, *Five Weeks in a Balloon* was the first novel in what would become the author's "Extraordinary Voyages" series. It tells the tale of a 4,000-mile balloon trip over the mysterious continent of Africa, a trip that wouldn't actually take place until well into the next century. Fusing adventure, comedy, and science fiction, *Five Weeks* has all the key ingredients of classic Verne: sly humor and cheeky characters, an innovative scientific invention, a tangled plot that's full of suspense and surprise, and visions of an unknown realm. As part of the Early Classics of Science Fiction series, this critical edition features extensive

notes, all the illustrations from the original French edition, and a complete Verne biography and bibliography. *Five Weeks in a Balloon* will be a prized addition to libraries and science fiction reading lists, and a must-read for Verne fans and steampunk connoisseurs. Publication of this book is funded by the Beatrice Fox Auerbach Foundation Fund at the Hartford Foundation for Public Giving.

**The English Reports: Common Pleas** Wesleyan University Press

"First Mate Shandon receives a mysterious letter asking him to construct a reinforced steamship in Liverpool. As he heads out for Melville Bay and the Arctic labyrinth, a crewman reveals himself to be John Hatteras, and his lifelong obsession, the Pole. Despite experiencing appalling cold and hunger, the captain treks across the frozen wastes in search of fuel. Abandoned by his crew, Hatteras remains without resources at the coldest spot on earth. How can he find food and explore the Polar Sea? And what will he find at the top of the world?"--Back cover.

*The Registrar* U of Nebraska Press

Written in 1898, and part of Jules Verne's famous series "Voyages Extraordinaires," this fantastic tale a young man's search for his father along Venezuela's then-uncharted Orinoco River contains all the ingredients of a classic Verne scientific-adventure story. As well as a unique feminist twist.

**The Survivors of the Chancellor** Createspace Independent Publishing Platform

The eagerly anticipated fourth volume of Jonathan Sumption's prize-winning history of the Hundred Years War.

*The Modern Language Journal* Penguin UK

Nine students from London's Antillean School receive travel scholarships to visit their island homelands in the Caribbean.

Accompanied by their eccentric Latin professor, they set sail on what they expect to be a thrilling educational voyage. Little do they realize that, prior to their arrival on board, their ship had been hijacked by escaped convicts who murdered its original captain and crew. This is the only novel by the legendary Jules

Verne that has never been available in English until now. Although ostensibly written for an adolescent audience, its suspense-filled plot, sophisticated narrative style, and critique of European colonialism make it an engrossing read for all ages.
