A new, interactive approach to storytime, *The Whole Book Approach* was developed in conjunction with the Eric Carle Museum of Picture Book Art and expert author Megan Dowd Lambert's graduate work in children's literature at Simmons College, offering a practical guide for reshaping storytime and getting kids to think with their eyes. Traditional storytime often offers a passive experience for kids, but the Whole Book approach asks the youngest of readers to ponder all aspects of a picture book and to use their critical thinking skills. Using classic examples, Megan asks kids to think about why the trim size of Ludwig Bemelman's *Madeline* is so generous, or why the typeset in David Wiesner's Caldecott winner, *The Three Pigs*, appears to twist around the page, or why books like Chris Van Allsburg's *The Polar Express* and Eric Carle's *The Very Hungry Caterpillar* are printed landscape instead of portrait. The dynamic discussions that result from this shared reading style range from the profound to the hilarious and will inspire adults to make children's responses to text, art, and design an essential part of storytime.

Steven dropped to his knees next to the paramedic. "Jenna." Her eyes opened and in them he saw shock and tears and guilt. "I'm so sorry, Steven. I should have listened to you." Steven noticed the smears of blood on her worn Duke T-shirt. "Any other wounds?" he asked the paramedic. Only her throat. The blood on her shirt appears to be her own. "We found bloody handprints on the carpet where she crawled from the bedroom," said Uniform Two. Steven's gut seethed as he pictured her scared and hurt and crawling through her own house like a wounded animal. For that alone, whoever did this to her would pay...

If you had to name a statue, any statue, odds are good you'd mention the Statue of Liberty. Have you seen her? She's in New York. She's holding a torch. And she's taking one step forward. But why? In this fascinating, fun take on nonfiction, uniquely American in its frank tone and honest look at the literal foundation of our country, Dave Eggers and Shawn Harris investigate a seemingly small trait of America's most emblematic statue. What they find is about more than history, more than art. What they find in the Statue of Liberty's right foot is the powerful message of acceptance that is essential to an entire country's creation. Can you believe that?

SOME SECRETS CAN CHANGE YOUR LIFE ... FOREVER Lindsey Gillett is missing. And she's not the first girl at Waverly High to vanish without a trace. To help cope with the tragedy, new history teacher Aubrey Petit organizes a student investigation team. But when the project's key members start turning up dead across campus, Aubrey suspects there's more going on than anyone is willing to admit. The murdered students all had something in common with Lindsey. They shared a secret. And what they uncovered could threaten the future of the historic school. At Waverly High, someone wants to keep the past buried--and you don't want to get in their way.

From New York Times bestselling author Kate White comes a gripping novel about one woman's dangerous quest to recover lost memories someone would rather she never find. The key to her missing memories could bring relief—or unlock her worst nightmares. On a cold, rainy morning, finance journalist Ally Linden arrives soaked to the bone at her Manhattan office, only to find that she's forgotten her keycard. When her boss shows, he's

shocked to see her—because, he explains, she hasn't worked there in five years. Ally knows her name, but is having trouble coming up with much beyond that, though after a trip to the psychiatric ER, she begins to piece together important facts: she lives on the Upper West Side; she's now a freelance journalist; she's married to a terrific man named Hugh. More memories materialize and yet she still can't recall anything about the previous two days. Diagnosed as having experienced a dissociative state, she starts to wonder if it may have been triggered by something she saw. Could she have witnessed an accident—or worse—had something happened to her? Desperate for answers, Ally tries to track where she spent the missing days, but every detail she unearths points to an explanation that's increasingly ominous, and it's clear someone wants to prevent her from learning where those forty-eight hours went. In order to uncover the truth, Ally must dig deep into the secrets of her past—and outsmart the person who seems determined to silence her.

An "edge-of-your-seat" (Jessa Maxwell, author of The Golden Spoon) thriller about three women with dark secrets whose lives intersect in the picturesque and perilous Yosemite National Park from the USA TODAY bestselling author of Please Join Us. Equipped with a burner phone and a new job, Cassie Peters has left her hectic life in New York City for the refuge of her hometown of Mammoth Lakes, California. There, she begins working again with Yosemite Search and Rescue, though she is still haunted by a case she worked on a decade ago. She quickly falls into old patterns, joining a group of fellow seasonal workers and young adventurers who have made Yosemite their home during the summer. There, she meets Petal, a young woman living in a trailer with her much older wife, keeping a detailed diary of the goings on of the park, and Jada, a recent college graduate on a cross-country road trip with her boyfriend, documenting their journey on Instagram. When these three women cross paths, Cassie's past catches up with her, and the shocking consequences ripple out far beyond what any could have imagined. "Taut and atmospheric with as many jagged peaks and valleys as its dramatic setting, this captivating page-turner will keep you guessing until the end" (Katherine St. John, author of The Vicious Circle).

The internationally acclaimed author of The House on Mango Street and winner of the PEN/Nabokov Award for Achievement in International Literature gives us a deeply moving tale of loss, grief, and healing: a lyrically told, richly illustrated fable for grown-ups about a woman's search for a cat who goes missing in the wake of her mother's death. The word "orphan" might not seem to apply to a fifty-three-year-old woman. Yet this is exactly how Sandra feels as she finds herself motherless, alone like "a glove left behind at the bus station." What just might save her is her search for someone else gone missing: Marie, the black-and-white cat of her friend, Roz, who ran off the day they arrived from Tacoma. As Sandra and Roz scour the streets of San Antonio, posting flyers and asking everywhere, "Have you seen Marie?" the pursuit of this one small creature takes on unexpected

urgency and meaning. With full-color illustrations that bring this transformative quest to vivid life, Have You Seen Marie? showcases a beloved author's storytelling magic, in a tale that reminds us how love, even when it goes astray, does not stay lost forever.
