### **Sequels** Tor Books

Could it be that the one who is smiling at you as he hands you the offering plate is abusing his wife at home? What if your Sunday school teacher,

who knows so much about the Bible, is abusing his family behind closed doors? Is it possible that one of the elders or even the pastor of your church is practicing an unholy charade? If the spouse of one of these abusers comes to you for help, would you even be able to recognize the signs? How will you understand the

dynamics of this deceiving evil? Pastor and author Jeff Crippen presents Christ's body with a work steeped in Scripture that lays before us a map of the abusive mind, the tactics of abuse, the effects abuse has on its victims, and the tragic way our churches have failed the victims of this sin. He issues a clarion

call for those who love Christ to answer the call to love the oppressed and speak for the victims, as Proverbs 31:9 says: "Open your mouth, judge righteously, defend the rights of the poor and needy." Together we can root out the wolves in the midst of the flock and unmask the domestic abuser in the church hiding in our pews.

Anchor

In 2002, an ancient limestone box called the James Ossuary was trumpeted on the world's

front pages as the first material evidence of the existence of Jesus Christ. Today it is exhibit number one in a forgery trial involving millions of dollars worth of high-end, Biblical era relics, some of which literally re-wrote Near Eastern history and which could lead to the incarceration of some very wealthy men and embarrass major international institutions, including the British Museum and Sotheby's. Set in Israel, with its 30,000 archaeological digs crammed with

biblical-era artifacts, and full of colorful characters—scholars, evangelicals, detectives, and millionaire collectors—*Unholy Business* tells the incredibly story of what the Israeli authorities have called "the fraud of the century." It takes readers into the murky world of Holy Land relic dealing, from the back alleys of Jerusalem's Old City to New York's Fifth Avenue, and reveals biblical archaeology as it is pulled apart by religious believers on one side and

scientists on the other.

Against resistance on all sides, Detective John Dillmann exposed a vile insurance scam. The suspects were a mail-order minister-massage parlor owner and Dr. Jim Giesick, the victim's bogus psychologist husband. This is the incredible, first-hand account.

Baxter's Explore the Book  
Henry Holt and Company  
Winner of the 2012 Man  
Booker Prize Winner of

the 2012 Costa Book of the Year Award The sequel to Hilary Mantel's 2009 Man Booker Prize winner and New York Times bestseller, *Wolf Hall* delves into the heart of Tudor history with the downfall of Anne Boleyn. Though he battled for seven years to marry her, Henry is disenchanted with Anne Boleyn. She has failed to give him a son and her sharp intelligence and audacious will alienate his old friends and the noble families of England. When the discarded Katherine dies

in exile from the court, Anne stands starkly exposed, the focus of gossip and malice. At a word from Henry, Thomas Cromwell is ready to bring her down. Over three terrifying weeks, Anne is ensnared in a web of conspiracy, while the demure Jane Seymour stands waiting her turn for the poisoned wedding ring. But Anne and her powerful family will not yield without a ferocious struggle. Hilary Mantel's *Bring Up the Bodies* follows the dramatic trial of the queen and her

suitors for adultery and treason. To defeat the Boleyns, Cromwell must ally with his natural enemies, the papist aristocracy. What price will he pay for Anne's head? Bring Up the Bodies is one of The New York Times' 10 Best Books of 2012, one of Publishers Weekly's Top 10 Best Books of 2012 and one of The Washington Post's 10 Best Books of 2012

'A tale that encapsulates epic fantasy to its

entirety' Fantasy Book Critic, The Year's Top Ten! In war, nothing is holy. The third in David Hair's epic Moontide Quartet, perfect for fans of Brandon Sanderson, George R.R. Martin and Robert Jordan. Emperor Constant's crusade is teetering on the edge of disaster. In the wake of a devastating battle, everything has changed: the East is rising, bringing equal measures of hope and despair to Urte. For Elena and Kazim, the victory is a call to arms against the renegade

spymaster Gurvon Gyle. For the Queen of Javon, it is a beacon as she seeks new ways to overthrow her usurper husband and reclaim the country for her brother. For Ramon, trapped behind enemy lines, it is one more obstacle in his desperate attempt to get his men safely home. And while the armies of East and West clash in ever-more-bloody conflict, emperors, inquisitors and assassins hunt the Scytale of Corineus, the key to ultimate power, which is in the hands of the most

unlikely guardians: failed mage Alaron and market-girl Ramita, pregnant widow of the world's greatest mage. What they choose to do with the Scytale could change Urte forever. 'Filled with action, adventure, magic, love, danger and hope. This is a series I cannot recommend enough' - C.E. Tracy

The problem: Phoebe was poor and unhappy with her lot. The solution: Marry a rich man and she would be happy. It should be simple, except that her rich suitor, Ezekiel Hoppings, was ugly and her poor suitor, Charles Black, was handsome. But the more she got to know them both, the more Phoebe realized that some solutions were not as simple as they first appear.

**A Treacherous Curse**

Berkley

"Jane Kenyon had a virtually faultless ear. She was an exquisite master of the art of poetry."

—Wendell Berry Published twenty-five years after her untimely death, *The Best Poems of Jane Kenyon* presents the essential work of one of America's most cherished poets—celebrated for her tenacity, spirit, and grace. In their inquisitive explorations and direct language, Jane Kenyon's poems disclose a quiet certainty in the natural

world and a lifelong dialogue with her faith and her questioning of it. As a crucial aspect of these beloved poems of companionship, she confronts her struggle with severe depression on its own stark terms. Selected by Kenyon's husband, Donald Hall, just before his death in 2018, *The Best Poems of Jane Kenyon* collects work from across a life and career that will be, as she writes in one poem, "simply lasting."  
[The Speaker](#) Graywolf Press

During our brief and perilous journey *ex irritum ad irritum*, how are we to find, what the German philosopher Martin Heidegger (*Sein und Zeit*) would call, the true approach to being? How do we answer the question posed by the Apostle Thomas when he asked how can we know the way (Jn. 14:5)? In other words, how should we fill that parenthesis of infinitesimal brevity, which James Joyce (*Ulysses*) maintained, demarcates each of our lives? The Bible has often

been put forth as a supposedly infallible guidebook charting the correct path to an authentic existence (e.g. 2 Tim. 3:16-17). According to its proponents, Scripture is an absolutely dependable life-manual because it is the word of God (*Summa Theologica*, First Part, Q. 1, Art. 10). However, close inspection of the Bible calls into question its divine authorship; and, thus, its reliability as an accurate roadmap for the soul. In fact, under close examination it proves to

be nothing more than a mundane and cobbled together collection of archaic superstitions beginning with the outlandish speculations of Moses concerning the creation of the world and ending with the maniacal ravings of John regarding its destruction. Exposing the true nature of Holy Writ was the main purpose for writing Unholy Writ. The modus operandi for this expos involved a thoroughgoing critical analysis of Scripture. The results from such a careful consideration of its

contents clearly demonstrated that any claim that the Bible is some sort of sacrosanct ethical vade mecum is completely invalid. Specifically, the multiple contradictions and absurdities contained in the Bible confer an unreliability upon it that undermines its function as a guide for anything, let alone as some sort of moral map for the journey through life. Furthermore, many of the ideas that are promoted in Holy Writ are actually spiritually harmful. In addition,

unless the condoned misogyny, violence, intolerance, injustice, and cruelty can be removed, then it is difficult to view the Scriptures as anything like an unwavering celestial beacon that clearly lights the way through the moral fog that at times engulfs our lives. Moreover, the many errors that it contains, including those about the natural world, undermine the pivotal claim that the Bible is divinely inspired. *Who's who* AuthorHouse Traveling major highways and secondary roads,

walking unpaved paths, the author recites contradictions of the land between the Mediterranean Sea and the Jordan River, the Holy Land. Here, religion uneasily confronts politics and democracy, sublime nature undergoes militarization, and hospitality and empathy mix with brutality, hatred and violence. Everything becomes security: not just borders and relations with the neighbors, but also water and archaeological evidence, demography and voting Arabs. Control

of holy sites, perception of illegal immigrants, separate highway networks and built-up hilltops are all viewed through the prism of threat and security. Threats proliferate, be they real or imaginary, spontaneous or politically-driven. Whether in Jerusalem, the “city of the world”, or in small towns, tensions are palpable between Israel’s radical Jews and its Arab residents. Even within the Jewish community itself, increasingly nationalistic, animosities between ultra-

Orthodox and more secular inhabitants are on the rise. Christians also feel under attack, as do moderate Palestinians from their Islamized brethren. In the occupied West Bank, Palestinian villagers confront radical settlers, often protected by Israeli soldiers, while in the isolated Gaza, Hamas imposes ever stricter rules upon its people. Not surprisingly, the Holy Land has become aplenty with both mental and physical barriers, with walls, checkpoints, no-go and firing zones. Will rage

and fear, sorrow and despair eventually trump hope? Although glimmers of hope exist—new water technology, Tel Aviv’s culture of tolerance, more pressures from the international community—the author remains more pessimistic than ever, as reflected in the book’s title.

Quigley Publishing  
Company  
New York Times bestseller  
Twenty years after the publication of the bestselling *All’s Fair*, James Carville and Mary

Matalin look at how they—and America—have changed in the last two decades. James Carville and Mary Matalin have long held the mantle of the nation’s most ideologically mismatched and intensely opinionated political couple. In this follow-up to *All’s Fair*, Carville and Matalin pick up the story they began in that groundbreaking bestseller and talk family, faith, love, and politics in their two winning voices. If nothing else, this new collaboration proves that after twenty years of

marriage they can still manage to agree on a few things. A fascinating look at the last two decades in American politics and an intimate, quick-witted primer on grown-up relationships and values, *Love & War* provides unprecedented insight into one of our nation’s most intriguing and powerful couples. With their natural charm and sharp intelligence, Carville and Matalin have written undoubtedly the most spirited memoir of the year.

**Your Hate Mail Will Be**

**Graded** Quigley Publishing Company  
 On September 13, 1998, John Scalzi sat down in front of his computer to write the first entry in his blog Whatever--and changed the history of the Internet as we know it today. What, you're not swallowing that one? Okay, fine: He started writing Whatever and amused about 15 people that first day. If that many. But he kept at it, for ten years and running. Now 40,000 people drop by on a daily basis to see what he's got to say.

About what? Well, about whatever: Politics, writing, family, war, popular culture and cats (especially with bacon on them). Sometimes he's funny. Sometimes he's serious (mostly he's sarcastic). Sometimes people agree with him. Sometimes they send him hate mail, which he grades on originality and sends back. Along the way, Scalzi's become a best-selling, award-winning author, a father, and a geek celebrity. But no matter what, there's always another Whatever

post to amuse and/or enrage his readers. Your Hate Mail Will Be Graded collects some of the best and most popular Whatever entries from the first ten years of the blog – a decade of Whatever, presented in delightfully random form, just as it should be. \* Winner of the 2009 Hugo Award for Best Non-Fiction Book \*

 Explore the Book is not a  
 commentary with verse-  
 by-verse annotations.  
 Neither is it just a series  
 of analyses and outlines.

Rather, it is a complete  
 Bible survey course. No  
 one can finish this series  
 of studies and remain  
 unchanged. The reader  
 will receive lifelong  
 benefit and be enriched  
 by these practical and  
 understandable studies.  
 Exposition, commentary,  
 and practical application  
 of the meaning and  
 message of the Bible will  
 be found throughout this  
 giant volume. Bible  
 students without any  
 background in Bible study  
 will find this book of  
 immense help as will  
 those who have spent

much time studying the  
 Scriptures, including  
 pastors and teachers.  
 Explore the Book is the  
 result and culmination of  
 a lifetime of dedicated  
 Bible study and exposition  
 on the part of Dr. Baxter.  
 It shows throughout a  
 deep awareness and  
 appreciation of the grand  
 themes of the gospel, as  
 found from the opening  
 book of the Bible through  
 Revelation.

 Library Association  
 Members of an Egyptian  
 expedition fall victim to  
 an ancient mummy's

curse in this thrilling Veronica Speedwell novel from the New York Times bestselling author of the Lady Julia Grey mysteries. London, 1888. As colorful and unfettered as the butterflies she collects, Victorian adventuress Veronica Speedwell can't resist the allure of an exotic mystery—particularly one involving her enigmatic colleague, Stoker. His former expedition partner has vanished from an archaeological dig with a priceless diadem unearthed from the newly

discovered tomb of an Egyptian princess. This disappearance is just the latest in a string of unfortunate events that have plagued the controversial expedition, and rumors abound that the curse of the vengeful princess has been unleashed as the shadowy figure of Anubis himself stalks the streets of London. But the perils of an ancient curse are not the only challenges Veronica must face as sordid details and malevolent enemies emerge from Stoker's

past. Caught in a tangle of conspiracies and threats—and thrust into the public eye by an enterprising new foe—Veronica must separate facts from fantasy to unravel a web of duplicity that threatens to cost Stoker everything...

SOON TO BE A MAJOR  
MOTION PICTURE

STARRING AMY ADAMS •  
In this blazingly smart and voracious debut novel, an

artist turned stay-at-home mom becomes convinced she's turning into a dog. • "A must-read for anyone who can't get enough of the ever-blurring line between the psychological and supernatural that Yellowjackets exemplifies." —Vulture One day, the mother was a mother, but then one night, she was quite suddenly something else... An ambitious mother puts her art career on hold to stay at home with her newborn son, but the experience

does not match her imagination. Two years later, she steps into the bathroom for a break from her toddler's demands, only to discover a dense patch of hair on the back of her neck. In the mirror, her canines suddenly look sharper than she remembers. Her husband, who travels for work five days a week, casually dismisses her fears from faraway hotel rooms. As the mother's symptoms intensify, and her temptation to give in to her new dog impulses peak, she struggles to

keep her alter-canine-identity secret. Seeking a cure at the library, she discovers the mysterious academic tome which becomes her bible, *A Field Guide to Magical Women: A Mythical Ethnography*, and meets a group of mommies involved in a multilevel-marketing scheme who may also be more than what they seem. An outrageously original novel of ideas about art, power, and womanhood wrapped in a satirical fairy tale, *Nightbitch* will make you want to howl in laughter

and recognition. And you should. You should howl as much as you want.
