*The Trail of Tears and Indian Removal* Oxford University Press  
This unique reader presents a broad approach to the study of American Indians through the voices and viewpoints of the Native Peoples themselves. Multi-disciplinary and hemispheric in approach, it draws on ethnography, biography, journalism, art, and poetry to familiarize students with the historical and present day experiences of native peoples and nations throughout North and South America—all with a focus on themes and issues that are crucial within Indian Country today. For courses in Introduction to American Indians in departments of Native American

Studies/American Indian Studies, Anthropology, American Studies, Sociology, History, Women's Studies.

Chase's Calendar of Events 2025 Encounter Books

Find out what's going on any day of the year, anywhere across the globe! Since 1957, Chase's Calendar of Events lists everything worth knowing and celebrating for each day of the year: 12,500 holidays, national days, historical milestones, famous birthdays, festivals, sporting events and more. "One of the most impressive reference volumes in the world." -- Publishers Weekly From national days to celebrity birthdays, from historical milestones to astronomical phenomena, from award ceremonies and sporting events to religious festivals and carnivals, Chase's is the must-have reference used by experts and professionals—a one-stop shop with 12,500 entries for

everything that is happening now or is worth remembering from the past. Completely updated for 2025, Chase's also features extensive appendices (astronomical data, major awards, perpetual calendar) as well as an exclusive companion website that puts the power of Chase's at the user's fingertips. 2025 is packed with special events and observances, including National days and public holidays of every nation on Earth Scores of new special days, weeks and months--such as the International Day for the Arabian Leopard (Feb 10), American Sparkling Wine Day (July 3) or Reduce Your Lawn Day (May 20). Birthdays of new world leaders, lauded authors, sports stars and breakout celebrities Info on milestone anniversaries, such as the 250th anniversary of the beginning of the Revolutionary War, the 250th birth anniversary of Jane Austen, the 150th birth anniversary of Mary McLeod Bethune, the 50th anniversary of the cult film *The Rocky Horror Picture Show*, the 25th anniversary of the first human habitation of the International Space Station, and much more. Information on such special events as the International Year of Glaciers' Preservation and Expo 2025 And much more!

A PRINTZ MEDAL WINNER! A MORRIS AWARD WINNER! AN AMERICAN INDIAN YOUTH LITERATURE AWARD YA HONOR BOOK! A REESE WITHERSPOON x HELLO SUNSHINE BOOK CLUB YA PICK An Instant #1 New York Times Bestseller Soon to be adapted at Netflix for TV with President Barack Obama and Michelle Obama's production company, Higher Ground. "One of this year's most buzzed about young adult novels." —Good Morning America A TIME Magazine Best YA Book of All Time Selection Amazon's Best YA Book of 2021 So Far (June 2021) A 2021 Kids' Indie Next List

Selection An Entertainment Weekly Most Anticipated Books of 2021 Selection A PopSugar Best March 2021 YA Book Selection With four starred reviews, Angeline Boulley's debut novel, *Firekeeper's Daughter*, is a groundbreaking YA thriller about a Native teen who must root out the corruption in her community, perfect for readers of Angie Thomas and Tommy Orange. Eighteen-year-old Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something. Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

**Comprehensive Calendar of Bicentennial Events** Timber Press

Using the structure of the liturgical calendar and the lives of the

saints for inspiration, Kevin Brown explores not only faith, but subjects ranging from love to childhood and from grammar to grace. The saints' backgrounds serve as metaphors for our lives today, as we struggle with our mortality and our morality. In these poems, Brown is able to laugh at himself and his failings while reminding us of our own. He points out where our various approaches to faith make us better people and where we fail to follow what we tell others to do. In these poems, the miraculous becomes ordinary even as ordinary events and people are imbued with the sacred, granting readers hope for themselves and for the world.

*Legislative Calendar* Vintage

#1 NEW YORK TIMES BESTSELLER • A twisting, haunting true-life murder mystery about one of the most monstrous crimes in American history, from the author of *The Wager* and *The Lost City of Z*, “one of the preeminent adventure and true-crime writers working today.”—*New York Magazine* • NATIONAL BOOK AWARD FINALIST • NOW A MARTIN SCORSESE PICTURE “A shocking whodunit...What more could fans of true-crime thrillers ask?”—*USA Today* “A masterful work of literary journalism crafted with the urgency of a mystery.” —*The Boston Globe* In the 1920s, the richest people per capita in the world were members of the Osage Nation in Oklahoma. After oil was discovered beneath their land, the Osage rode in chauffeured automobiles, built mansions, and sent their children to study in Europe. Then, one by one, the Osage began to be killed off. The family of an Osage woman, Mollie Burkhart, became a prime target. One of her relatives was shot. Another was poisoned. And it was just the beginning, as more and more Osage were dying under mysterious

circumstances, and many of those who dared to investigate the killings were themselves murdered. As the death toll rose, the newly created FBI took up the case, and the young director, J. Edgar Hoover, turned to a former Texas Ranger named Tom White to try to unravel the mystery. White put together an undercover team, including a Native American agent who infiltrated the region, and together with the Osage began to expose one of the most chilling conspiracies in American history. Look for David Grann’s latest bestselling book, *The Wager! Firekeeper's Daughter* University of Oklahoma Press Unpacks the twenty-one most common myths and misconceptions about Native Americans In this enlightening book, scholars and activists Roxanne Dunbar-Ortiz and Dina Gilio-Whitaker tackle a wide range of myths about Native American culture and history that have misinformed generations. Tracing how these ideas evolved, and drawing from history, the authors disrupt long-held and enduring myths such as: “Columbus Discovered America” “Thanksgiving Proves the Indians Welcomed Pilgrims” “Indians Were Savage and Warlike” “Europeans Brought Civilization to Backward Indians” “The United States Did Not Have a Policy of Genocide” “Sports Mascots Honor Native Americans” “Most Indians Are on Government Welfare” “Indian Casinos Make Them All Rich” “Indians Are Naturally Predisposed to Alcohol” Each chapter deftly shows how these myths are rooted in the fears and prejudice of European settlers and in the larger political agendas of a settler state aimed at acquiring Indigenous land and tied to narratives of erasure and disappearance. Accessibly written and revelatory, “All the Real Indians Died Off” challenges readers to rethink what they have been taught about Native

Americans and history.

*Indian Claims Commission Decisions* Portage & Main Press

Find out what's going on any day of the year, anywhere across the globe! All from the reference book that Publishers Weekly calls "one of the most impressive reference volumes in the world."

*Identity by Design* Beacon Press

The right to vote is the foundation of democratic government; all other policies are derived from it. The history of voting rights in America has been characterized by a gradual expansion of the franchise. American Indians are an important part of that story

but have faced a prolonged battle to gain the franchise. One of the most important tools wielded by advocates of minority voting rights has been the Voting Rights Act. This book explains the history and expansion of Indian voting rights, with an emphasis on seventy cases based on the Voting Rights Act and/or the Equal Protection Clause. The authors describe the struggle to obtain Indian citizenship and the basic right to vote, then analyze the cases brought under the Voting Rights Act, including three case studies. The final two chapters assess the political impact of these cases and the role of American Indians in contemporary politics.

**Chase's Calendar of Events 2022** Vintage

A sixth-generation North Carolinian, highly-acclaimed author John Ehle grew up on former Cherokee hunting grounds. His experience as an accomplished novelist, combined with his extensive, meticulous research, culminates in this moving tragedy rich with historical detail. The Cherokee are a proud, ancient civilization. For hundreds of years they believed themselves to be the "Principle People" residing at the center of the earth. But by the 18th century, some of their leaders believed it was necessary to adapt to European ways in order to survive. Those chiefs sealed the fate of their tribes in 1875 when they signed a treaty relinquishing their land east of the Mississippi in return for promises of wealth and better land. The U.S. government used the treaty to justify the eviction of the Cherokee nation in an exodus that the Cherokee will forever remember as the "trail where they cried." The heroism and nobility of the Cherokee shine through this intricate story of American politics, ambition, and greed. B & W photographs

Calendar of the Correspondence Relating to the American Revolution University of Washington Press

**Powwow Calendar 2000** Bloomsbury Publishing USA

The study of USA's on-going failure to achieve true racial integration, *Bind Us Apart* shows how, from the Revolution through to the Civil War, white American anti-slavery reformers

failed to forge a colour-blind society.

**The Story of More** W. W. Norton & Company

In August 1862 the worst massacre in U.S. history unfolded on the Minnesota prairie, launching what has come to be known as the Dakota War, the most violent ethnic conflict ever to roil the nation. When it was over, between six and seven hundred white settlers had been murdered in their homes, and thirty to forty thousand had fled the frontier of Minnesota. But the devastation was not all on one side. More than five hundred Indians, many of them women and children, perished in the aftermath of the conflict; and thirty-eight Dakota warriors were executed on one gallows, the largest mass execution ever in North America. The horror of such wholesale violence has long obscured what really happened in Minnesota in 1862—from its complicated origins to the consequences that reverberate to this day. A sweeping work of narrative history, the result of forty years' research, *Massacre in Minnesota* provides the most complete account of this dark moment in U.S. history. Focusing on key figures caught up in the conflict—Indian, American, and Franco- and Anglo-Dakota—Gary Clayton Anderson gives these long-ago events a striking immediacy, capturing the fears of the fleeing settlers, the animosity of newspaper editors and soldiers, the violent dedication of Dakota warriors, and the terrible struggles of seized women and children. Through rarely seen journal entries, newspaper accounts, and military records, integrated with biographical detail, Anderson documents the vast corruption within the Bureau of Indian Affairs, the crisis that arose as pioneers overran Indian lands, the failures of tribal leadership and institutions, and the systemic strains caused by the Civil War.

Anderson also gives due attention to Indian cultural viewpoints, offering insight into the relationship between Native warfare, religion, and life after death—a nexus critical to understanding the conflict. Ultimately, what emerges most clearly from Anderson's account is the outsize suffering of innocents on both sides of the Dakota War—and, identified unequivocally for the first time, the role of white duplicity in bringing about this unprecedented and needless calamity.

ceremonial way of life is perfect for holiday and family sharing"—School Library Journal STARRED REVIEW "An elegant representation"—Shelf Awareness STARRED REVIEW

**American Motorcyclist** Book Publishing Company (TN)

It is June first and twelve-year-old Mary does not really understand what is happening: she does not understand the hatred and greed of the white men who are forcing her Cherokee family out of their home in New Echota, Georgia, capital of the Cherokee Nation, and trying to steal what few things they are allowed to take with them, she does not understand why a soldier killed her grandfather--and she certainly does not understand how she, her sister, and her mother, are going to survive the 1000 mile trip to the lands west of the Mississippi.

*The New Trail of Tears* Stone Arch Books

We have a strong instinct to belong to small groups defined by clear purpose and understanding--"tribes." This tribal connection has been largely lost in modern society, but regaining it may be the key to our psychological survival. Decades before the American Revolution, Benjamin Franklin lamented that English settlers were constantly fleeing over to the Indians-but Indians almost never did the same. Tribal society has been exerting an almost gravitational pull on Westerners for hundreds of years, and the reason lies deep in our evolutionary past as a communal species. The most recent example of that attraction is combat veterans who come home to find themselves missing the incredibly intimate bonds of platoon life. The loss of closeness that comes at the end of deployment may explain the high rates of post-traumatic stress disorder suffered by military veterans today. Combining history, psychology, and anthropology, Tribe

explores what we can learn from tribal societies about loyalty, belonging, and the eternal human quest for meaning. It explains the irony that—for many veterans as well as civilians—war feels better than peace, adversity can turn out to be a blessing, and disasters are sometimes remembered more fondly than weddings or tropical vacations. Tribe explains why we are stronger when we come together, and how that can be achieved even in today's divided world.

**The Indian World of George Washington** Cambridge University Press

“Part essay collection, part gardening guide, *The Heirloom Gardener* encourages readers to embrace heirloom seeds and traditions, serving as a well-needed reminder to slow down and reconnect with nature.” —Modern Farmer  
Modern life is a cornucopia of technological wonders. But is something precious being lost? A tangible bond with our natural world—the deep satisfaction of connecting to the earth that was enjoyed by previous generations? In *The Heirloom Gardener*, John Forti celebrates gardening as a craft and shares the lore and traditional practices that link us with our environment and with each other. Charmingly illustrated and brimming with wisdom, this guide will inspire you to slow down, recharge, and reconnect.

*The Sacred Pipe* Rowman & Littlefield

The essential pocket primer on climate change that will leave an indelible impact on everyone who reads it. • “Jahren asks the central question of our time: how can we learn to live on a finite planet?” —Elizabeth Kolbert, *New York Times* bestselling author of *The Sixth Extinction* “The voice that science has been waiting for.” —Nature Hope Jahren is an award-winning scientist, a

brilliant writer, a passionate teacher, and one of the seven billion people with whom we share this earth. In *The Story of More*, she illuminates the link between human habits and our imperiled planet. In concise, highly readable chapters, she takes us through the science behind the key inventions—from electric power to large-scale farming to automobiles—that, even as they help us, release greenhouse gases into the atmosphere like never before. She explains the current and projected consequences of global warming—from superstorms to rising sea levels—and the actions that we all can take to fight back. At once an explainer on the mechanisms of global change and a lively, personal narrative given to us in Jahren’s inimitable voice, *The Story of More* is “a superb account of the deadly struggle between humanity and what may prove the only life-bearing planet within ten light years” (E. O. Wilson).

*Yaqui Myths and Legends* Rowman & Littlefield

This beautiful book presents a fascinating array of complete women's and girls' outfits dating from the 1830s to the present, including dresses, shawls, shoes, belts, bags, fans, and hair accessories. Also included is historical and contemporary background information on Native life and Native women and their dress. To accompany a major exhibit of the same name at the NMAI in March 2007.

*Legislative Calendar* Rowman & Littlefield
