### Pre-Marital & Marriage Counseling Manual Harmony

Tying the Knot by Rob Green offers soon-to-be-married couples a practical vision of Christ-centered marriage that is realistic, hopeful, and actionable. With homework to help any counselor or couple put crucial lessons into practice, Tying the Knot is a highly relevant premarital counseling book. This eight-session study guides

couples through issues like conflict, expectations, communication, finances, and intimacy, showing how each can be successfully resolved with Christ at the center of the marriage. Knowing the stresses and needs of a couple in their season of engagement, Green has helpfully designed the study to require a manageable (and healthy) 60 minutes of at-home work per session, with questions and exercises to build communication and intimacy at the end of each chapter. Tying the Knot also includes an appendix for mentors, making it easy for a married

couple, lay leader, or counselor to lead an engaged couple through the book. Field-tested and recommended by multiple counselors in a thriving counseling practice, Tying the Knot has already guided many couples into a stronger and more joyful union. Let this eight-week premarital study reorient your life and marriage around Christ, so you both will experience all the blessings of marriage as God designed it.

Just as Masters and Johnson were pioneers in the study of human sexuality, so Dr. John Gottman has revolutionized the study of marriage. As a professor of psychology at the University of Washington and the founder and director of the Seattle Marital and Family Institute, he has studied the habits of married couples in unprecedented detail over the course of many years. His findings, and his heavily attended workshops, have already turned around thousands of faltering marriages. This book is the culmination of his life's work: the seven principles that guide couples on the path toward a harmonious and long-lasting relationship. Straightforward in their approach, yet profound in their effect, these principles teach partners new and startling strategies for making their marriage work. Gottman helps couples focus on each other, on paying attention to the small day-to-day moments that, strung together, make up the heart and soul of any relationship. Being thoughtful about ordinary matters provides spouses with a solid foundation for resolving conflict when it does occur and finding strategies for

living with those issues that cannot be resolved. Packed with questionnaires and exercises whose effectiveness has been proven in Dr. Gottman's workshops, *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential. The *Seven Principles for Making Marriage Work* is the result of Dr. John Gottman's many years of closely observing thousands of marriages. This kind of longitudinal research has never been done before. Based on his findings, he has culled seven principles essential to the success of any marriage. Maintain a love map. Foster fondness and admiration. Turn toward instead of away. Accept influence. Solve solvable conflicts. Cope with conflicts you can't resolve. Create shared meaning. Dr. Gottman's unique questionnaires and exercises will guide couples on the road to revitalizing their marriage, or making a strong one even better.

Christian counselors have long needed a manual they could give couples before marriage counseling so they would be

guided to think through all the important issues of marriage. This manual abundantly fulfills that need.

Before You Say "I Do" Jossey-Bass  
Everett L. Worthington Jr. offers a comprehensive manual for assisting couples over common rough spots and through serious problems in a manner that is compassionate, effective and brief. The Pre-marriage Course Independently Published

This manual was born out of the need to prepare intending Christian couples on what marriage is all about. As much as was possible, every tenet of marriage has been captured. Those to be prepared through these materials must live that marriage life for the glory of their God in Christ Jesus their Saviour. "My Tina and I used a good part of these materials in preparing some 130 couples for Christian marriage. May the Lord of glory, in Christ Jesus, use this material to help Christian Counsellors to prepare intending couples for marriages that will glorify the Lord Jesus Christ and spread His gospel". (Rev. Alfred G. Nyirenda). "May the Lord of glory use the contents of this book to enable Christian marriage counsellors to give

biblically sound advice to those who are getting married or who are struggling in their marriages. May many marriages that would have ended up in separation or divorce be rescued because they were taught in the way many of us were taught by Alfred and Tina Nyirenda. May this result in stronger marriages, more stable families, sturdier churches, and better nations-to the glory of God". Dr. Conrad Mbewe

In the long-awaited follow-up to her groundbreaking, million-copy bestseller *The Proper Care and Feeding of Husbands*, Dr. Laura now focuses on how men and women need to understand and appreciate the uniqueness of masculinity and femininity; what the best ways to relate, caretake, and nurture each other are; and how to bring a marriage back

from the brink of disaster. Dr. Laura asserts that in order to produce and sustain a wonderfully satisfying marriage, spouses must recognize and appreciate the polarity between the masculine and the feminine. Both husband and wife have power in the relationship, and each needs to realize this in order to ensure personal satisfaction. Using real-life examples from her call-in radio show, and giving real-life solutions, Dr. Laura focuses on the typical mistakes made by men and women in their relationships and shows how marriages can not only survive but thrive. *To Love and to Cherish* Zondervan NEW YORK TIMES BESTSELLER • Over a million copies sold! “An eminently practical guide to an emotionally intelligent—and long-lasting—marriage.”—Daniel Goleman, author of *Emotional Intelligence* The Seven Principles for Making Marriage Work has revolutionized the way we understand, repair, and strengthen marriages. John Gottman’s unprecedented study of couples over a period of years has allowed him to observe the habits that can make—and break—a marriage. Here is the culmination of that work: the seven

principles that guide couples on a path toward a harmonious and long-lasting relationship. Straightforward yet profound, these principles teach partners new approaches for resolving conflicts, creating new common ground, and achieving greater levels of intimacy. Gottman offers strategies and resources to help couples collaborate more effectively to resolve any problem, whether dealing with issues related to sex, money, religion, work, family, or anything else. Packed with new exercises and the latest research out of the esteemed Gottman Institute, this revised edition of *The Seven Principles for Making Marriage Work* is the definitive guide for anyone who wants their relationship to attain its highest potential. *Catching Foxes* Harvest House Publishers Christian Premarital Counseling for counselors. The question is, “How does one conduct premarital counseling?” Many have not received any training in this area. I faced this same problem. As a pastor, I had to figure out how to conduct premarital counseling. The benefits were plainly evident. Session by session, couple by couple, I finally figured out a plan. I have since then enhanced it a bit and

made it available to others. Everything one needs is here including handouts and forms with many downloads to enhance use in our internet age. Purpose: To aid pastors, elders and other church leaders involved in premarital counseling to challenge and prepare engaged couples to have good and godly marriages. *Premarital Counseling for Christian Counselors Manual* Baker Publishing Group Why Are Foxes on the Cover of this Premarital Guide? Because every marriage has “foxes” lurking inside it! We all have idols and selfish appetites—and, like the foxes in Solomon’s vineyard, they can cause untold destruction and heartache. In fact, how seriously a couple takes their own foxes will influence whether their marriage blooms and glorifies God, or is a shallow and pale imitation of the real thing. In this workbook for both individuals and groups, biblical counselor John Henderson stimulates meaningful conversation and prayer between engaged couples. The book’s interactive format provides couples with a foundation for understanding what marriage is really about, becoming a godly husband or wife, and understanding conflict and resolving it

biblically. Sit down together, ask a married couple to come alongside you, and get ready to chase the foxes out of your relationship. Book jacket.

### Saving Your Marriage Before It Starts

Moody Publishers

From This Day Forward-Preparing Couples for the Journey of a Lifetime is a pre-marital counseling manual more than three decades in the making. Working with couples as they begin a new home and family is a great privilege as well as a great responsibility. What an amazing opportunity the counseling pastor has in preparing the way not only for the couple, but for the generations to come! Use this handbook in addition to the couple's edition in two different ways. First, the counseling pastor who wishes to use this book for his entire pre-marital counseling model may be assured he is preparing well the couple for marriage, home and family. Every area of the pre-marital counseling program is addressed in tests and assignments that are easy to follow, practical and pointedly biblical. Found in their entirety in Chapter 14, these same tests are also repeated section by section in the appropriate counseling sessions. For

the counseling pastor, these tests are both uncomplicated and yet sufficiently thorough to aid in the counseling process. Creative and specific biblical counseling will be the outflow of these assignments for the counselor using this handbook as his model. The second way this handbook may be used is to view the material as being supplemental. For those counseling pastors who already have their counseling models being used, this book contains information, testing and assignments that may be added to counseling programs already in place. A wide margin is used throughout the handbook. This provides ample opportunity for the counseling pastor to add his own notes, scripture references and illustrations. Additional resources make this handbook particularly useful. Three brand new wedding ceremonies are included in Chapter 7, and many suggestions for making the ceremony truly unique are offered in Chapter 8. Additional counseling aids and worksheets are made available in Chapter 13. Whether you are beginning your counseling ministry or even if you have been preparing couples for many years, it is my prayer that this handbook will be

helpful to you as a counseling pastor, as well as beneficial to couples who are ready to begin their journey of a life time.

In any endeavor, dreams and goals not backed by concrete plans and preparations can result in failure. And marriage is no exception, claims H. Norman Wright. In fact, without solid planning and forethought by engaged couples, we will surely see a continuation of the startling divorce rate among Christians and non-Christians alike. On the other hand, thorough premarital counseling and preparation can result in lifelong marriages that are fulfilling and God honoring. That's where the church comes in. More and more churches are realizing that their responsibility lies not only in pronouncing men and women 'husband and wife,' but also in making sure the proper foundation is laid so that

marriages have a better chance of standing strong under pressure. Since its introduction in 1977 as *Premarital Counseling*, this book has been used by literally thousands of churches throughout the country as both a guide and reference tool. Now Dr. Wright has added new material to cover some perplexing issues that have come into prominence only

recently. Among those special concerns are: Interracial marriages Second marriages Marriages of persons from dysfunctional families Writing for both pastors and other premarital counselors, H. Norman Wright sets you at ease about the counseling process, even if you've had only limited counseling experience. As the

author of the popular *Before You Say I Do* and numerous other books on marriage, H. Norman Wright documents in *The Premarital Counseling Handbook* methods that have proved successful. These will help insure that the marriages performed in your church will resist the pressures that are destroying today's married couples.
