The Best of Sewing with Nancy Sterling Publishing Company

The ultimate resource for needlepoint, canvaswork and tapestry embroidery, packed with over 100 decorative stitches and techniques. You may have tried tent stitch and cross stitch and you've probably seen some Bargello popping up in craft magazines, but did you know

that these are only a couple of the needlepoint stitches out there? This essential guide to needlepoint will allow you to bring far greater texture and interest to your stitching, with expert guidance on how to embroider the stitches and how to choose the best stitches for your designs. Always worked on an open-weave, grid-like canvas, even needlepoint's most decorative stitches are surprisingly easy. In this step-by-step guide, packed full of handy how-to illustrations, beginners and expert stitchers alike will feel confident enough to give every stitch a go. Alongside the stitch directory, you'll find all the information you need on materials and equipment, and 10 bite-sized projects with full-colour charts to show off your new stitching

superpowers. Author Emma Homent has been pioneering the rediscovery of all the incredible stitches in her popular #stitchmondays posts on Instagram. In this book, Emma shares her passion for this traditional craft in a fresh and contemporary way, with a desirable modern aesthetic for a new generation of needlepointers. You'll learn about the tools and materials needed, how to organise threads, and how to frame up your canvas for stitching. Over 100 stitches are demonstrated with both photos and diagrams, with 10 easy and accessible projects to help ease you into trying out some of the fancier stitches - including a glasses case, plant hanger, accessories, gifts and more. Emma also shares her guidance on what stitches are best for backgrounds, for filling large

areas more quickly, and which are best for adding structure and interest. Whether you are a keen embroiderer or an absolute beginner, this invaluable guide is your go-to resource for everything needlepoint.

A Year of Embroidery David & Charles 'Cuppa' Quilt Pattern Book by Sue Spargo

Summertime Sampler World Book Media
 "Her unique color combinations, stitching style and use of felt present a fun and fresh take on the age-old

decorative stitching method” (Bolt Fabric Boutique). Folk art is influencing everything from fashion to interiors and now you can incorporate this trend into your home in a contemporary way with this collection of stunning modern folk art inspired embroidery designs by leading designer, Nancy Nicholson. This collection includes 30 embroidery designs with project ideas to show you how to use the designs to create beautiful and practical home decor items and accessories. The techniques for the stitches and project instructions are shown using Nancy’s stitch diagrams so extremely easy to follow whether you are an experienced stitcher or a newbie. The projects are divided between felt and fabric sections and include: pin cushion, lampshade, tote bag, cushion,

table runner, coaster and pinafore. Nancy’s distinctive folk art style perfectly captures this trend and will appeal to stitchers of all ages and abilities. “I was blown away by the beautiful photography, the lovely, easy-to-follow projects dripping with inspiration, and the conversational tone of the writing . . . The instructions to make up the projects are clear and easy to follow.” —Kate & Rose

Ms. Saito, a distinguished quilt artist, teacher and author in Japan, is most often known for her beautiful quilt designs. In fact, she is a master at many different handwork crafts. In this book, Ms. Saito has created embroider patterns for 120 original designs. She often combines the embroideries with

appliqué and quilting to create what she calls "patchwork embroidery". Like all of her work, these designs are equally detailed and unique. In addition to the 120 embroidery designs, she includes 20 "patchwork embroidery" projects that include bags, wall hangings, keepsake boxes and more.

The Zipper Pouch Book Shambhala Publications
 Expanded and completely revised, this book is the perfect companion for

longarm, sit-down, or hand quilters to add a simple but beautiful background filler to their quilting repertoire. Dubbed "McTavishing" after its creator, it has become the most popular new design concept in quilting today. As shown in the extensively illustrated projects, McTavishing may be added to any quilt or garment, from wholecloth to contemporary art quilts, and done by hand, domestic machine, or longarm technique. The book's how-to chapters demonstrate the uses of the McTavishing stitch--as an addition to an open quilt block, in a border, to highlight complex applique, to custom tailor a favorite garment, or as part of a larger overall design--while the accompanying DVDs provide lessons from the author. Accompanied by interviews with

accomplished hand and domestic machine quilters, this guide offers readers an unparalleled view of the exciting new quilting process. This edition boasts revised how-to chapters, new graphics, new text, and a simpler teaching method. Additional pages feature new quilts and quilters as well as a new section on modern quilting styles.

Explore personal transformation through the stitching of dreams and intentions. Anything but ordinary, *Mystical Stitches* combines the beloved and accessible craft of embroidery with a spiritual element, introducing a rich treasury of 200 magical symbols you can use to set an intention and create personal icons to wear or embellish items in the home. Christi Johnson offers unique patterns

inspired by botanicals, animals, numbers, the cosmos, earth elements, zodiac signs, and mythical beasts, for novice or well-practiced crafters to combine into talismans with personal meaning. Johnson's folk art style is vibrant and unintimidating and provides a framework for bringing spiritual elements into physical form. This publication conforms to the EPUB Accessibility specification at WCAG 2.0 Level AA.

Embrace a simpler approach to stitching with bold one- and two-color embroidery motifs. *Zakka Embroidery* presents designs that are an elegant blend of Japanese and Scandinavian style. The motifs and patterns are spare and graphic, yet softened with organic

shapes and imagery drawn from nature. The result is embroidery that evokes a personal feel and conjures a sense of nostalgia. The task of picking just the right palette for an embroidery project can be overwhelming to beginners and experienced stitchers alike. But when you take away that challenge, a whole world of texture and style becomes available. Here Japanese designer Yumiko Higuchi presents embroidery motifs to be stitched using just one or two colors—creating patterns and designs that are more evocative for their form than for a play of colors. Each embroidery design is paired with a simple craft project, transforming the

stitched fabric into a functional object, including pouches, pillows, aprons, and more. With beautiful photographs, clear step-by-step instructions, and detailed diagrams, *Zakka Embroidery* will be an inspiring guide for those new to embroidery and a delightful experience for those experienced with needle and thread.
