The lives of the saints are a great source of inspiration and reassurance for us. The holy women in Saintly Moms can help us better

to understand motherhood as a vocation, just like any other calling from God, and a path to holiness. Whether you're a new mom, a grandmother, or somewhere in between, this book will encourage all mothers in their vocation as they identify themselves in the lives of these saints, who also experienced the joys and

challenges of being a mom. Their stories will also be inspiring to young women exploring the vocation of motherhood and anyone with an interest in saints who were mothers. Each chapter profiles a different holy mother, reflects on a lesson learned in her life, and ends with a prayer through her intercession.

While we grow in admiration and devotion to them, these Sainly Moms can help us see the saintly possibilities each one of us possesses.

ABOUT THE AUTHOR Kelly Ann Guest is a youth minister, contributing blogger at CatholicMom.com, and contributing author for The Catholic Mom's Prayer Companion. John Wiley & Sons This introductory creative writing text uses a unique, multi-genre approach to provide students with a broad-based knowledge of their craft, treating them as professional writers. Beginning by discussing elements common to all genres, this book underscores the importance of learning good writing habits before committing to a genre, encouraging writers to look beyond their genre expectations and learn from other forms. The

book then devotes one chapter to each of the major literary genres: fiction, poetry, drama and creative nonfiction. These style-specific sections provide depth as they compare the different genres, furnishing students with a comprehensive understanding of creative writing as a discipline and fostering creativity. The discussion concludes with a chapter on digital media and an appendix on literary citizenship and publishing. With exercises at the end of each

chapter, a glossary of literary terms, and a list of resources for further study, *A Writer's Craft* is the ideal companion to an introductory creative writing class. It has been listed as one of the 'Best Books for Writers' by *Poets and Writers* magazine.

SIGNED EDITION To the Letter tells the story of our remarkable journey through the mail. From

Roman wood chips discovered near Hadrian's Wall to the wonders and terrors of email, Simon Garfield explores how we have written to each other over the centuries and what our letters reveal about our lives. Along the way he delves into the great correspondences of our time, from Cicero and Petrarch to Jane Austen and Ted Hughes (and John Keats, Virginia Woolf, Jack Kerouac, Anaïs Nin and Charles Schulz), and traces the very particular advice offered by bestselling letter-writing

manuals. He uncovers a host of engaging stories, including the tricky history of the opening greeting, the ideal ingredients for invisible ink, and the sad saga of the dead letter office. As the book unfolds, so does the story of a moving wartime correspondence that shows how letters can change the course of life. To the Letter is a wonderful celebration of letters in every form, and a passionate rallying cry to keep writing.

The creator of the viral hit "Empathy Cards" teams up with a compassion expert to produce a visually stunning and groundbreaking illustrated

guide to help you increase your emotional intelligence and learn how to offer comfort and support when someone you know is in pain. When someone you know is hurting, you want to let her know that you care. But many people don't know what words to use—or are afraid of saying or doing the wrong thing. This thoughtful, instructive guide, from empathy expert Dr. Kelsey Crowe and greeting card maverick Emily McDowell, blends well-researched,

actionable advice with the no-nonsense humor and the signature illustration style of McDowell's immensely popular Empathy Cards, to help you feel confident in connecting with anyone experiencing grief, loss, illness, or any other difficult situation. Written in a how-to, relatable, we've-all-been-that-deer-in-the-headlights kind of way, There Is No Good Card for This isn't a spiritual treatise on how to make you a better person or a scientific argument about why

compassion matters. It is a helpful illustrated guide to effective compassion that takes you, step by step by step, past the paralysis of thinking about someone in a difficult time to actually doing something (or nothing) with good judgment instead of fear. There Is No Good Card for This features workbook exercises, sample dialogs, and real-life examples from Dr. Crowe's research, including her popular "Empathy Bootcamps" that give people tools for building

relationships when it really counts. Whether it's a coworker whose mother has died, a neighbor whose husband has been in a car accident, or a friend who is seriously ill, There Is No Good Card for This teaches you how to be the best friend you can be to someone in need.
