MARQUIS SIERRA

Don't Sleep on It Lake Union Publishing

All people sleep. So do all other mammals. Birds sleep, too. Even snakes, fish, and insects have a way of sleeping. How different animals sleep on land, in water, and in the air—and the special ways they do it—is the subject of this fascinating book for young readers. Using accessible language and scientifically accurate terms, author Mary Batten shows how animals sleep in very different ways and for various lengths of time depending on their size, their physiology, and their habitat. From three-toed sloths hanging from tree branches to dolphins dozing near the ocean's surface, Batten presents a rich variety of wildlife and animal behavior. Additional information about the featured animals as well as simple explanations of terms such as hibernation and torpor are included in sidebars throughout the book. Enhancing the text are illustrator Higgins Bond's vivid, realistic wildlife illustrations feature animals in their natural environments.

Trains Don't Sleep Bloomsbury Publishing

The #1 New York Times Bestseller: “A hilarious take on that age-old problem: getting the beloved child to go to sleep” (NPR). “Hell no, you can’t go to the bathroom. You know where you can go? The f**k to sleep.” Go the Fuck to Sleep is a book for parents who live in the real world, where a few snoozing kitties and cutesy rhymes don’t always send a toddler sailing blissfully off to dreamland. Profane, affectionate, and radically honest, it captures the familiar—and unspoken—tribulations of putting your little angel down for the night. Read by a host of celebrities, from Samuel L. Jackson to Jennifer Garner, this subversively funny bestselling storybook will not actually put your kids to sleep, but it will leave you laughing so hard you won’t care.

The Night Burns Bright Profile Books(GB)

Frank Thompson, a recent widower and aging Vietnam veteran is down from Maine visiting his nephew, Bill, and his family in New Jersey. While at a trap range, he and his nephew have a chance encounter with a strange man who claims to remember Frank from the war. That night, the windows in Bill’s home are shattered along with the quiet peaceful lives the two men had been living. Three veterans from a special combat unit directed by the CIA during the Vietnam War have gathered to discuss what they are going to do about a man they claim killed one of their own over forty years ago. Jasper, Birdie and Pogo were part of a team that called themselves the National League All Stars. They were a squad of psychopathic killers trained by Special Forces to cause death and mayhem during the war. Now, they have banded together to hunt down and kill the professional soldier who led them all those years ago. Drawing on his military training and a resurgent bloodlust from his tortured past, Frank prepares for a final, violent reckoning that will bring him full circle with the war that never left him. Praise for THE DEAD DON’T SLEEP: “The Dead Don’t Sleep is a skillfully plotted, fast-moving thriller brimming with a believable cast of characters, especially the indelible Frank Thompson, an old-school hero who I hope to see more of.” —David Swinson, author of Trigger

and The Second Girl “Russo’s The Dead Don’t Sleep is a pulse racing, chest thumper of a novel.”

—Reed Farrel Coleman, New York Times bestselling author of What You Break “Imagine if Rambo had lived a quiet, undisturbed life in Maine until, many decades later, the ghosts of the Vietnam War came after him. That’s roughly the premise of The Dead Don’t Sleep, a gripping, highly readable contemporary thriller with a strong emotional undercurrent. Steven Max Russo has done a magnificent job rendering the unique hold Vietnam continues to claim on thousands of its veterans.”

—Brad Parks, international bestselling author “The Dead Don’t Sleep is a well-crafted, tense, suspenseful thriller in which hatred that’s lasted a lifetime explodes into violence with uncontrollable consequences.” —Thomas Perry, Edgar Award-winning author of The Butcher’s Boy “A dark tale of vengeance and redemption, complete with mystery, secrets, and a longing for new adventure. A delectable and poignant read.” —Steve Berry, New York Times bestselling author of The Malta Exchange “The Dead Don’t Sleep is white-knuckle, nonstop action, a story of hard men at their limits and grudges that never die.” —Joseph Finder, New York Times bestselling author of House on Fire Why We Sleep Random House

Paul Tremblay’s terrifying twist to the home invasion novel—inspiration for the upcoming major motion picture from Universal Pictures “Tremblay’s personal best. It’s that good.” — Stephen King Seven-year-old Wen and her parents, Eric and Andrew, are vacationing at a remote cabin on a quiet New Hampshire lake. Their closest neighbors are more than two miles in either direction along a rutted dirt road. One afternoon, as Wen catches grasshoppers in the front yard, a stranger unexpectedly appears in the driveway. Leonard is the largest man Wen has ever seen, but he is young, friendly, and he wins her over almost instantly. Leonard and Wen talk and play until Leonard abruptly apologizes and tells Wen, “None of what’s going to happen is your fault.” Three more strangers then arrive at the cabin carrying unidentifiable, menacing objects. As Wen sprints inside to warn her parents, Leonard calls out: “Your dads won’t want to let us in, Wen. But they have to. We need your help to save the world.” Thus begins an unbearably tense, gripping tale of paranoia, sacrifice, apocalypse, and survival that escalates to a shattering conclusion, one in which the fate of a loving family and quite possibly all of humanity are entwined. The Cabin at the End of the World is a masterpiece of terror and suspense from the fantastically fertile imagination of Paul Tremblay.

Don't Sleep With Your Drummer Akashic Books

This landmark missive from one of the greatest activists in history calls for direct, non-violent resistance in the fight against racism, and reflects on the healing power of love.

The Dead Don't Sleep Charlesbridge Publishing

A bold and provocative study that presents language not as an innate component of the brain—as most linguists do—but as an essential tool unique to each culture worldwide. For years, the prevailing opinion among academics has been that language is embedded in our genes, existing as an innate and instinctual part of us. But linguist Daniel Everett argues that, like other tools, language was invented by humans and can be reinvented or lost. He shows how the evolution of different language forms—that is, different grammar—reflects how language is influenced by human

societies and experiences, and how it expresses their great variety. For example, the Amazonian Pirahã put words together in ways that violate our long-held understanding of how language works, and Pirahã grammar expresses complex ideas very differently than English grammar does. Drawing on the Wari' language of Brazil, Everett explains that speakers of all languages, in constructing their stories, omit things that all members of the culture understand. In addition, Everett discusses how some cultures can get by without words for numbers or counting, without verbs for "to say" or "to give," illustrating how the very nature of what's important in a language is culturally determined. Combining anthropology, primatology, computer science, philosophy, linguistics, psychology, and his own pioneering—and adventurous—research with the Amazonian Pirahã, and using insights from many different languages and cultures, Everett gives us an unprecedented elucidation of this society-defined nature of language. In doing so, he also gives us a new understanding of how we think and who we are.

Nod National Geographic Books

From bestselling author, broadcaster, journalist and Book Club champion Judy Finnigan comes an unputdownable and wonderfully moving story of the enduring power of a mother's love. Do not stand at my grave and weep I am not there; I do not sleep. Five years ago, Molly Gabriel lost her 20-year-old son, Joey, to a terrible sailing accident. His empty boat was found washed ashore on the rocks -- but his body was never found. Now, Molly has returned to the sands of Cornwall haunted by his death, unable to accept he is gone. Joey was an experienced sailor and died on a calm sea -- things just don't add up and Molly cannot let it go. Desperate for answers she turns to Joey's best friend, Ben, to go back to what really happened that day . . .

Snooze-O-Rama Kunzum, travel

"Although Daniel Everett was a missionary, far from converting the Pirahas, they converted him. He shows the slow, meticulous steps by which he gradually mastered their language and his gradual realisation that its unusual nature closely reflected its speakers' startlingly original perceptions of the world." "He describes how he began to realise that his discoveries about the Piraha language opened up a new way of understanding how language works in our minds and in our lives, and that this way was utterly at odds with Noam Chomsky's universally accepted linguistic theories. The perils of passionate academic opposition were then swiftly conjoined to those of the Amazon in a debate whose outcome has yet to be won." "Adventure, personal enlightenment and the makings of a scientific revolution proceed together in this vivid, funny and moving book."--BOOK JACKET.

To Sleep in a Sea of Stars Scholastic Inc.

"Sleep is one of the most important but least understood aspects of our life, wellness, and longevity ... An explosion of scientific discoveries in the last twenty years has shed new light on this fundamental aspect of our lives. Now ... neuroscientist and sleep expert Matthew Walker gives us a new understanding of the vital importance of sleep and dreaming"--Amazon.com.

Don't Sleep, There are Snakes Peachtree Publishing Company

A disturbing literary dystopian science fiction debut set in a near-future Vancouver during a deadly insomnia pandemic for fans of *The Leftovers* Dawn breaks over Vancouver and no one in the world has slept the night before, or almost no one. A few people, perhaps one in ten thousand, can still sleep, and they've all shared the same golden dream. After six days of absolute sleep deprivation,

psychosis will set in. After four weeks, the body will die. In the interim, panic ensues and a bizarre new world arises in which those previously on the fringes of society take the lead. Paul, a writer, continues to sleep while his partner Tanya disintegrates before his eyes, and the new world swallows the old one whole.

The First Word Humanix Books

Stop trading time for money, and start sharing what you know and earning from your own online, profitable business. Wake up and live your best life!

Learning to Sleep Andersen Press USA

"Fans of true-crime murder mysteries won't want to miss this one."—Booklist, STARRED Review on *The Perfect Place to Die* It's 1918, WW1 is in full swing, and a Spanish Influenza outbreak is on the horizon. In the midst of the chaos, families are being terrorized and people are being killed by a lone man with an axe. As Gianna and her friend Enzo investigate the heinous crimes, she realizes she's connected to the killer in a way she could have never imagined. Gianna is the average seventeen-year-old girl living in 1918 New Orleans. She worries about her family's store, the great war, and a mysterious illness that's about to take hold of the city she loves. It doesn't help that there also appears to be a mad man on the loose in her neighborhood. The attacks started as burglaries but soon escalate to cold blooded murder. There's a killer out there, and the police can't seem to figure out how to stop him. Gianna enlists the help of her friend Enzo to investigate. And as they study the crimes, they see a common link between the victims, and Gianna can't help but wonder if it's the same man who attacked her family years before. As Gianna gets closer to the killer, she discovers a connection between them that she never would have suspected.

The King Who Wouldn't Sleep Simon and Schuster

"Socialists Don't Sleep is one of those timely books that just points out the roots of what's gone wrong in America, how we can get our country back on track to what founders envisioned and the Judeo-Christian community that holds the key to America's long-term successes." — Gov. Mike Huckabee, New York Times Bestselling author & Host of Huckabee Socialists Don't Sleep: Christians Must Rise or America Will Fall is about all the sneaky ways the secular left has pressed Socialism into American politics and life – AND WHY CHRISTIANS ARE THE ONLY ONES WHO CAN STOP IT! Socialists Don't Sleep tells how America has gone from a country of rights coming from God – NOT government – to a country that embraces Socialism – where the US government is now expected to pretty much provide from cradle to the grave. Cheryl K. Chumley, an award-winning journalist and contributing editor to *The Washington Times*, explains how to return the country to its glory days of God-given, and why Christians, more than any other group, are best equipped to lead the way. "Bernie Sanders, Alexandria Ocasio-Cortez — when it comes to socialism in America, these two aren't the problem.

Per se. They're simply symptoms of the real problems that usher in Socialism: a dysfunctional entitlement-minded society, a propaganda-pushing school system, a decayed culture, a sieve-like border. As Cheryl Chumley points out in *Socialists Don't Sleep*, we can't root out socialism unless we first address the real problems." — Michael Savage, New York Times Bestselling author & host of *The Savage Nation*

Mika Titan Books (US, CA)

In this coming-of-age thriller, a twelve-year-old boy's spark of courage to question the harmonious wooded commune he calls home may burn down more than just his own illusions. Lucien has everything he needs: a loving mama, a library full of books, and House of Earth, a private school nestled safely in the woods of upstate New York. It's where Lucien is taught the importance of living in harmony with nature and building a peaceful and sustainable future. But when his youthful curiosity draws him into town and to Gabrielle, a public-school student living a life wholly different from his own, Lucien's inquisitiveness about life beyond the commune and questions regarding the events of 9/11 threaten to unbalance everything he thought he knew. Slowly, things begin to change at House of Earth. The outside world is off limits. Security measures tighten. New rules are put in place, and anyone who violates them is asked to leave and never spoken of again. As forbidden questions pile up, Lucien's willingness to obey weakens. Continuing to meet Gabrielle in secret only reinforces his gnawing fear that something about his world is terribly wrong. Unable to remain silent any longer, Lucien will soon discover that looking for answers at House of Earth may be the most dangerous rule he can break.

Peep Peep, Don't Sleep Grove Press

"When Bear can't sleep, he goes on an adventure and discovers the wonders of New York City--a parade, Central Park, hot dogs, and more! But when he finally gets tired and looks for a place to rest, he learns why it's called the city that never sleeps"--Dust jacket flap.

Don't Go to Sleep Houghton Mifflin Harcourt

At twenty-eight, Jenny Troanni has decided to become the rock goddess she was always meant to be. Items on her new to-do list include: 1) Quit going-somewhere copywriting job and get going-to-band-practice job. 2) Break up with Hootie and the Blowfish-lovin' boyfriend. 3) Hang out in skanky bars. Meet musicians. 4) Cash in pension and buy kickass guitar amp. 5) Team up with sex-crazed guitar genius/best friend Lucy Stover Hanover II. After auditioning every musician in the greater Los Angeles area---including the deluded, deranged, and underaged---Jenny finds the perfect lineup, and 60-Foot Queenie is born. But while reveling in free tequila shots, autograph hunters, and other perks of minor stardom, Jenny realizes with a shock that 60-Foot Queenie is poised to become even bigger than she imagined. Suddenly, she's learning the real lessons of Rock and Roll High School, including the danger of trusting a record company executive who ties a ponytail in his goatee, and the ten telltale signs your bass player is living in your practice space. Part diary, part crash course in rock stardom, *Don't Sleep with Your Drummer* is a hilarious, no-holds-barred guide through the pleasures and pitfalls of the music industry---from the beginning to the bitter end, and back again.

Come on Shore and We Will Kill and Eat You All Tor Books

At night when most kids were dozing so deep, Michael could never quite manage to sleep. His mother would read him one book, or two, His father would sing 'till his face turned blue, All day Michael ran and played and kicked ball, But then he'd just shrug: "I'm not tired at all."

Time for Bed Penguin

The beloved New York Times bestselling author reflects on home, family, friendships and writing in this deeply personal collection of essays. "The elegance of Patchett's prose is seductive and inviting: with Patchett as a guide, readers will really get to grips with the power of struggles, failures, and triumphs alike." —Publisher's Weekly "Any story that starts will also end." As a writer, Ann Patchett knows what the outcome of her fiction will be. Life, however, often takes turns we do not see coming. Patchett ponders this truth in these wise essays that afford a fresh and intimate look into her mind and heart. At the center of *These Precious Days* is the title essay, a surprising and moving meditation on an unexpected friendship that explores "what it means to be seen, to find someone with whom you can be your best and most complete self." When Patchett chose an early galley of actor and producer Tom Hanks' short story collection to read one night before bed, she had no idea that this single choice would be life changing. It would introduce her to a remarkable woman—Tom's brilliant assistant Sooki—with whom she would form a profound bond that held monumental consequences for them both. A literary alchemist, Patchett plumbs the depths of her experiences to create gold: engaging and moving pieces that are both self-portrait and landscape, each vibrant with emotion and rich in insight. Turning her writer's eye on her own experiences, she transforms the private into the universal, providing us all a way to look at our own worlds anew, and reminds how fleeting and enigmatic life can be. From the enchantments of Kate DiCamillo's children's books (author of *The Beatryce Prophecy*) to youthful memories of Paris; the cherished life gifts given by her three fathers to the unexpected influence of Charles Schultz's Snoopy; the expansive vision of Eudora Welty to the importance of knitting, Patchett connects life and art as she illuminates what matters most. Infused with the author's grace, wit, and warmth, the pieces in *These Precious Days* resonate deep in the soul, leaving an indelible mark—and demonstrate why Ann Patchett is one of the most celebrated writers of our time.

Don't Sleep, There are Snakes Rizzoli Publications

As darkness falls, parents get their children ready for sleep.

The Froggies Do NOT Want to Sleep Vintage
