York Times, The Washington Post, NPR, USA TODAY, Vanity Fair, Elle, Harper's Bazaar, Marie Claire, Shondaland, Teen Vogue, Vulture, Lit Hub, Bustle, Electric Literature, and BookPage What does it mean for a family to lose a child they never really knew? One afternoon, in a town in southeastern Nigeria, a mother opens her front door to discover her son's body, wrapped in colorful fabric, at her feet. What follows is the tumultuous, heart-wrenching story of one family's struggle to understand a child whose spirit is both gentle and mysterious.

Raised by a distant father and an understanding but overprotective mother, Vivek suffers disorienting blackouts, moments of disconnection between self and surroundings. As adolescence gives way to adulthood, Vivek finds solace in friendships with the warm, boisterous daughters of the Nigerwives, foreign-born women married to Nigerian men. But Vivek's closest bond is with Osita, the worldly, high-spirited cousin whose teasing confidence masks a guarded private life. As their relationship deepens—and Osita struggles to understand Vivek's escalating crisis—the mystery gives way to a heart-stopping act of violence in a moment of exhilarating freedom. Propulsively readable, teeming with unforgettable characters, *The Death of*

*Vivek Oji* is a novel of family and friendship that challenges expectations—a dramatic story of loss and transcendence that will move every reader.

A beautiful commemorative edition of Dr. Martin Luther King's essay "Letter from Birmingham Jail," part of Dr. King's archives published exclusively by HarperCollins. With an afterword by Reginald Dwayne Betts On April 16, 1923, Dr. Martin Luther King Jr., responded to an open letter written and published by eight white clergyman admonishing the civil rights demonstrations happening in Birmingham, Alabama. Dr. King drafted his seminal response on scraps of paper

smuggled into jail. King criticizes his detractors for caring more about order than justice, defends nonviolent protests, and argues for the moral responsibility to obey just laws while disobeying unjust ones. "Letter from Birmingham Jail" proclaims a message - confronting any injustice is an acceptable and righteous reason for civil disobedience. This beautifully designed edition presents Dr. King's speech in its entirety, paying tribute to this extraordinary leader and his immeasurable contribution, and inspiring a new generation of activists dedicated to carrying on the fight for justice and equality.

*Men Explain Things to Me* Simon and Schuster

The #1 New York Times Bestseller “An engaging look at the often head-scratching, frequently infuriating mating behaviors that shape our love lives.” —Refinery 29 A hilarious, thoughtful, and in-depth exploration of the pleasures and perils of modern romance from Aziz Ansari, the star of *Master of None* and one of this generation’s sharpest comedic voices At some point, every one of us embarks on a journey to find love. We meet people, date, get into and out of relationships, all with the hope of finding someone with whom we share a deep connection. This seems standard now, but it’s wildly different from what people did even just decades ago. Single

people today have more romantic options than at any point in human history. With technology, our abilities to connect with and sort through these options are staggering. So why are so many people frustrated? Some of our problems are unique to our time. “Why did this guy just text me an emoji of a pizza?” “Should I go out with this girl even though she listed Combos as one of her favorite snack foods? Combos?!” “My girlfriend just got a message from some dude named Nathan. Who’s Nathan? Did he just send her a photo of his penis? Should I check just to be sure?” But the transformation of our romantic lives can’t be explained by technology alone. In a short period of time, the whole culture of finding love has changed dramatically. A few decades ago, people

would find a decent person who lived in their neighborhood. Their families would meet and, after deciding neither party seemed like a murderer, they would get married and soon have a kid, all by the time they were twenty-four. Today, people marry later than ever and spend years of their lives on a quest to find the perfect person, a soul mate. For years, Aziz Ansari has been aiming his comic insight at modern romance, but for *Modern Romance*, the book, he decided he needed to take things to another level. He teamed up with NYU sociologist Eric Klinenberg and designed a massive research project, including hundreds of interviews and focus groups conducted everywhere from Tokyo to Buenos Aires to Wichita. They analyzed behavioral data and surveys and created their own

online research forum on Reddit, which drew thousands of messages. They enlisted the world's leading social scientists, including Andrew Cherlin, Eli Finkel, Helen Fisher, Sheena Iyengar, Barry Schwartz, Sherry Turkle, and Robb Willer. The result is unlike any social science or humor book we've seen before. In *Modern Romance*, Ansari combines his irreverent humor with cutting-edge social science to give us an unforgettable tour of our new romantic world.

Sanger Rainsford is a big-game hunter, who finds himself washed up on an island owned by the eccentric General Zaroff. Zaroff, a big-game hunter himself, has heard of Rainsford's abilities with a gun and organises a hunt. However, they're not after animals - they're after people. When he protests, Rainsford the hunter becomes Rainsford the hunted. Sharing similarities with "The Hunger Games", starring Jennifer Lawrence, this is the story that created the template for pitting man against man. Born in New York, Richard Connell

(1893 - 1949) went on to become an acclaimed author, screenwriter, and journalist. He is best remembered for the gripping novel "The Most Dangerous Game" and for receiving an Oscar nomination for the screenplay "Meet John Doe".

 Your First Text Could be Your Last! Why?  
 Because most women text guys like they text other women. You can have all the dating skills in place but if your texting sucks he's gone. STOP! Understand the male brain so your texting captures his attention and keeps him hooked and attentive until the next date. To understand his mind, you need a top male dating coach. Hi I'm Gregg. I write books based on your needs. Thousands of you bought and read Power Texting

Men so you are killing it already. Now, let's step it up a notch with texting for the more mature crowd, regardless of your age. This texting book is for you. By the end of this texting book, your competition for him is toast - he's into you As a woman, you have a built-in ability to be charming. You deliver a look or you use a certain tone of voice and you're able to work your way with men. In an instant, you can melt a man's heart. When you meet a man you're attracted to, you turn on that charm, you deliver a coy smile, you walk away and he's hooked. Yet, when it comes to texting, you're all thumbs. You're anxious and you feel incompetent. You lose all confidence. As a result, you text instinctively, like a woman, which is the natural thing for you to do. You can

quickly get emotional and frustrated when he doesn't respond as soon as you would like. You might bomb him with texts, getting more worried with each one. All this emotion, anger and frustration is normal. Your flirting skills have evolved over millions of years. Flirting comes as naturally to you as flight to a bird. When you're standing face-to-face with a man, you're good but when you're facing the tiny screen on your phone, you're perplexed. That's because you expect him to respond like your girlfriends do. Guy's don't! We never evolved! Inside Text Him This Not That is not just how to formulate a great text but how to understand the male mind. This is as much about learning how his mind works as it is about learning how to formulate texts he can't

resist. How can you communicate with him if you don't understand what he's looking for or what turns him on? Here's what you will learn inside: The catch me if you can mentality and why it works The 10 rules of engagement that gets him to respond consistently and fast How to build attraction by destroying boredom and shattering all things conventional! How to revive a man who is texting less and less The texting blunders and how to avoid them What to text him so he asks you out The power of delaying, radio silence, and texting like his best friend texts him Text examples that are so unique that he will want more! And a ton more!

starts with communication and this should not be ignored in any communication platform. Maybe you've engaged in a texting marathon and now your relationship is stuck in texting limbo. You want him to ask you out or even give you a call but you don't know how to say it? In this Ultimate Guide to Texting, I've teamed up with top quality men to create texts you can send in the most common dating scenarios - for all those times you want to be flirty and confident but am not sure how. People who have bought this say:"The guide to texting men really changed my perception about texting guys. I would normally just speak my mind without thinking about how they would receive the message and how it would make them feel. I now know from reading the

book that that's where I was going wrong. I applied this to a real-life scenario recently when a guy texted me and cancelled on me last minute. At first I was annoyed and I wanted him to know I was disappointed but I remembered from reading the book that it is not WHAT you say but HOW you say it. So, I simply shifted the tone and language of the message to be understanding and empathetic but subtly letting him know I was disappointed. He responded really well and we organised another night! I feel so much more confident texting men now. Safe to say it's my texting bible!" - Brianna "This book offers so many interesting real-life examples and actionable tips on how to nail the texting game. It's an awesome read regardless of whether you're single or in a

relationship." - Jen "Want him to ask you out? or maybe your guy takes ages to respond to a text and you want to tell him it's not on with you. Safe People will help you discover why good people can get tangled in bad relationships, how to avoid repeating your own mistakes, and how to pick safe, healthy people for the friends you make and the company you keep. Too many of us have invested in relationships that have gone wrong. Maybe you've been

judged, manipulated, or controlled. Or maybe you've trusted the wrong people in the past. It's easy to make the same mistakes of judgment over and over--or, worse, to give up on trying to have great, authentic relationships again. But it doesn't have to be that way. In *Safe People*, Drs. Henry Cloud and John Townsend teach you that being with an unsafe person can be damaging to your confidence, your trust in others, and even your health. You'll learn that you have the power to surround yourself with accepting, honest, and safe people who draw you closer to being the person God intended you to be. Drs. Cloud and Townsend, authors of the New York Times bestseller *Boundaries*, are here to share the lessons they've learned in their years of practicing psychology and

studying the patterns and practices that support clear, biblical boundaries. In *Safe People*, they offer guidance for making safe choices in all of your day-to-day relationships, from family and friends to colleagues and partners. *Safe People* will give you the tools you need to recognize what makes people relationally safe, form positive relationships, and even become a safe person along the way. Drs. Cloud and Townsend share expert insights that will help you ask important questions: How can I learn to pick better friends? Why do I choose people who let me down? How did I end up with this critical boss? How do I attract irresponsible people? Why did I invest money with that unscrupulous person? What is it about me that draws the wrong types of people

to me? Why am I drawn to the wrong types of people? It's time to revitalize your connections and finally start enjoying the healthy, balanced relationships that you deserve.

NEW YORK TIMES BESTSELLER • A powerful memoir of a love that leads two people to find a courageous way to part—and a woman's struggle to go forward in the face of loss—that “enriches the reader's life with urgency and gratitude” (The Washington Post) “A pleasure to read . . . Rarely has a memoir about death been so full of life. . . . Bloom has a talent for mixing the prosaic and profound, the slapstick and the serious.”—USA Today ONE OF THE BEST BOOKS OF THE YEAR: NPR Amy

Bloom began to notice changes in her husband, Brian: He retired early from a new job he loved; he withdrew from close friendships; he talked mostly about the past. Suddenly, it seemed there was a glass wall between them, and their long walks and talks stopped. Their world was altered forever when an MRI confirmed what they could no longer ignore: Brian had Alzheimer's disease. Forced to confront the truth of the diagnosis and its impact on the future he had envisioned, Brian was determined to die on his feet, not live on his knees. Supporting each other in their last journey together, Brian and Amy made the unimaginably difficult and painful decision to go to Dignitas, an organization based in Switzerland that empowers a person to end their own life

with dignity and peace. In this heartbreaking and surprising memoir, Bloom sheds light on a part of life we so often shy away from discussing—its ending. Written in Bloom's captivating, insightful voice and with her trademark wit and candor, *In Love* is an unforgettable portrait of a beautiful marriage, and a boundary-defying love. 'One day there is life . . . and then, suddenly, it happens there is death.' So begins Paul Auster's moving and

personal meditation on fatherhood. The first section, 'Portrait of an Invisible Man', reveals Auster's memories and feelings after the death of his father. In 'The Book of Memory' the perspective shifts to Auster's role as a father. The narrator, 'A', contemplates his separation from his son, his dying grandfather and the solitary nature of writing and story-telling.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what fifteen-year-old Will

has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just

as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And

so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, Long Way Down is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.
