[Hoihoi Turituri](#) Penguin

A te reo Maori edition of the top-selling The Noisy Book With over 100 pages, this unique boardbook is full of bright, bold illustrations and lots of noises to make-it's perfect to share with a baby or toddler."A sturdy, fat, little board book, just the right size for the tiny fingers of pre-readers. They can also join in the satisfying and quirky noises." Best Books for Kids 2010, Dominion Post (NZ)"This celebration of sound is epic in its scope and delightful in its execution... lever and raucous fun." starred review, Publishers Weekly (US)"With a catalog of over 50 animals and objects on 116 thinner-than-normal-but-still-sturdy pages (probably the longest board book on record), this offering gives youngsters plenty to chatter about." Kirkus Reviews (US)

Meanwhile, the accompanying DVD brings it all to life with full animation, glorious colour and spectacular sound effects. With entertaining, informative text and a large format for sharing, this book is perfect for reading aloud. The companion DVD is very easy to navigate, and can be enjoyed with the book or on its own.

The Noisy Book Board Book Creative Teaching Press

From Margaret Wise Brown—author of the childhood favorite Goodnight Moon—and Caldecott-winning illustrator Leonard Weisgard comes The Noisy Book, now back in print in a sturdy board book! The little dog, Muffin, hears a noise. Squeak squeak squeak. What could it be? Originally published in 1939, the classic story of the little dog, Muffin, accompanied by big and bright illustrations will introduce children to the sounds around them.

They're back! Rediscover the zaniest characters you've ever met in this best-selling series which

has sold millions worldwide. Bright and charming, with easily recognizable characters and a small take-along format, Mr. Men and Little Miss books are easy enough for young readers, witty enough for humor-prone adults, and highly collectible for one and all. Also check your local listings to view the Mr. Men & Little Miss TV show. Back to the Mr. Men & Little Miss microsite.

Big Noisy Book of Dinosaurs Hyperion

The artificial noise in our lives is a debris field of arbitrary and often harmful signals. Our lives are riddled with sound: heavy-footed neighbours, an ambulance screeching nearby, white noise from the television. Unsurprisingly, the noisy environment in which we live has an immense impact on our concentration, alertness, and feelings of anxiety. To help us manage the rubble that hinders our mind and well-being, Bernie Krause whisks us through the practical steps that each one of us can take to reduce the unhealthy noise in your life and realize the healing powers of certain acoustic encounters. Along the way, we explore the difference between harmful noise and the signals that make us feel good, between noise as a stressor and soundscapes that serve to boost our emotional and physiological health and stimulate our productivity. By following his suggestions

you'll discover what a wide variety of sound signatures represent; which ones you like, which ones you don't, and why. Thoroughly researched and accessibly crafted, THE POWER OF TRANQUILITY IN A VERY NOISY WORLD will show you how to gain control over your sonic experiences and live a more tranquil and enduring life.

The first day of school is coming... and I'm going to be in the noisy class. Any class but the noisy class will do! A young girl is about to enter the third grade, but this year she's put into Ms. Johnson's noisy class. Everything about the noisy class is odd. While all the other classes are quiet, Ms. Johnson sings and the kids chatter all day. The door is always closed, yet sounds from it can be heard in the hallway. With summer coming to an end and school starting, the girl realizes that soon she'll be going to the noisy class. What will school be like now? Featuring the honest and delightful humor of debut author Angela Shanté and the bold, graphic imagery of debut illustrator Alison Hawkins, *The Noisy Classroom* encourages those with first-day jitters to reevaluate a scary situation by looking at it from a different angle and to embrace how fun school can be, even in nontraditional ways.

Noisy book Pan MacMillan

On a trip to the country, a little dog named Muffin encounters all kinds of new and puzzling sounds.

[Mr. Noisy's Book of Patterns](#) Baby's Very First

A little dog who has a cold stays indoors all day and listens to the sounds of housecleaning, meals being eaten, and the wind and rain beating on the window pane.

It's Too Noisy! HarperCollins Publishers

"The world is a big and noisy place, filled with wonderful things to do, see, and hear. This book shows them all, from an airport, a train station, and a shopping mall, to school and a swimming pool, [focusing on the many different jobs it takes to keep the world moving]"--Amazon.com.

Thunder and the Noise Storms HarperCollins Publishers

When the world gets too loud and chaotic, a young boy's grandfather helps him listen with wonder instead. Kids laughing, sneakers squeaking, balls bouncing—for Thunder, the sounds of the school day often brew into overwhelming noise storms. But when Thunder's mosom asks him what he hears on an urban nature walk, Thunder starts to understand how sounds like bird wings flapping and rushing water can help him feel calm and connected. Gentle, inviting illustrations by Joshua Mangeshig Pawis-Steckley emphasize Mosom's lessons about the healing power of the world around us.

Boys' Noisy Potty Book Annick Press

Who is making so much noise and how will Jackson ever get to sleep? Despite some silly, sleepy mistakes, genteel Jackson finds a fun and quiet activity for each of his noisy neighbors. He finally gets a great night's sleep—and discovers three new friends in the morning. Cozier than a mole in fuzzy pajamas, *No More Noisy Nights* is an underground, under-the covers read-aloud, perfect for calming bedtime boogey-woogeties.

[Big Noisy Book of Busy Places](#) Macmillan

This book is full of diggers making lots of noises. Press the buttons to hear each sound.
