*Baroque Garden Cultures* Elsevier  
Baroque Garden Cultures proposes a new approach to the study of baroque gardens, examining the social reception of gardens as a means to understand garden culture in general and exploring baroque gardens as a feature of baroque cultures in particular.

Gran Canary not only enjoys a fabulous reputation as a paradise of sunshine and beaches; it can also be described as one of the most versatile hiking islands of the Canary Archipelago. Connoisseurs praise it as a miniature continent because of its diversity of landscapes: shimmering dunes

in contrast with luscious subtropical valleys, deep ravines with palm tree oases and glittering reservoirs, next to which are extensive pine tree forests and green slopes with grazing sheep and goats. To the North West cliffs drop down 800 m deep into the ocean, while in the centre of the island serrated, almost 2000 metre high ridges and bizarre rock monoliths emerge, which the Spanish writer Miguel de Unamuno once interpreted as "fossilised storms of fire and lava". This Rother walking guide - following La Palma and Tenerife - is now the third featuring the Canary Islands: excursions to beaches and spectacular cave villages, walks through pine forests and atmospheric ridge paths. Due to the increased significance of hiking tourism, parts of what at times are more than 500 year old rocks have been carefully restored over the last years. These Caminos Reales (royal paths) stretch across the entire island and used to link remote mountain villages with coastal territory. Many proposed tours follow these mainly stone-paved hiking paths and are therefore also ideal for less experienced hikers. Experienced mountain hikers who are not

afraid of "dramatic walks" will also find a rich offer of tours. The first comprehensive hiking guide on Gran Canary leaves nothing to desire! Coloured illustrations and excellent hiking maps at an ideal scale of 1:50,000/1:75,000 round off the picture and awaken the curiosity for ever new excursions into the charmingly bizarre world of the mountains.

Penguin

NATIONAL BESTSELLER • "A richly textured portrait . . . an intimate look at a closed Orthodox community."—Los Angeles Times Book Review NATIONAL BOOK AWARD FINALIST • A NEW YORK TIMES NOTABLE BOOK It is 1976. And the tiny upstate New York town of Kaaterskill Falls is bustling with summer people in dark coats, fedoras, and long, modest dresses. Living side by side with Yankee year-rounders, they are the disciples of Rav Elijah Kirshner. Elizabeth Shulman is a restless wife and mother of five daughters; her imagination transcends her cloistered community. Across the street Andras Melish is drawn to Kaaterskill by his adoring older sisters. Comforted, yet crippled by his sisters' love, he cannot

overcome the ambivalence he feels toward his own children and his young wife. At the top of the hill, Rav Kirshner is nearing the end of his life. As he struggles to decide which of his sons should succeed him—the pious but stolid Isaiah or the brilliant but rebellious Jeremy—his followers wrestle with their future and their past. With this community, Allegra Goodman weaves magic. The nationally bestselling author of *The Family Markowitz* crafts a tale of family and tradition—one that confirms this author's place as a virtuoso of her generation.

### The Island of the Day Before Image Comics

A masterly locked-room mystery set in a near-future Orwellian state—for fans of Margaret Atwood's *The Handmaid's Tale*, Dave Eggers' *The Circle*, and Suzanne Collins' *The Hunger Games* Do you live to play? Or play to live? The year is 2037. The Soviet Union never fell, and much of Europe has been consolidated under the totalitarian Union of Friendship. On the tiny island of Isola, seven people have been selected to compete in a forty-eight-hour test for a top-secret intelligence position. One of them is Anna Francis, a

workaholic bureaucrat with a nine-year-old daughter she rarely sees and a secret that haunts her. Her assignment: to stage her own death and then to observe, from her hiding place inside the walls of the house, how the six other candidates react to the news that a murderer is among them. Who will take control? Who will crack under pressure? But then a storm rolls in, the power goes out, and the real game begins. . . . Combining suspense, unexpected twists, psychological gamesmanship, and a sinister dystopian future, *The Dying Game* conjures a world in which one woman is forced to ask, "Can I save my life by staging my death?"

**Notes of a Ramble Through France, Italy, Switzerland, Germany, Holland, and Belgium** Harper Collins

The beloved, life-affirming international bestseller which has sold over 5 million copies worldwide - now a major film starring Lily James, Matthew Goode, Jessica Brown Findlay, Tom Courtenay and Penelope Wilton To give them hope she must tell their story It's 1946. The war is over, and Juliet Ashton has writer's block. But when she receives a letter from Dawsey Adams of Guernsey - a total

stranger living halfway across the Channel, who has come across her name written in a second hand book - she enters into a correspondence with him, and in time with all the members of the extraordinary Guernsey Literary and Potato Peel Pie Society. Through their letters, the society tell Juliet about life on the island, their love of books - and the long shadow cast by their time living under German occupation. Drawn into their irresistible world, Juliet sets sail for the island, changing her life forever. *Phenolic Resins* New Directions Publishing  
A young Danish woman explores her family's past and Faroe Islands ancestry across three generations. In the process she uncovers details of the passions and challenges her grandparents and their siblings confronted when they were her age, and considers universal themes of home and identity. Lush, lyrical prose transports the reader. Family brings the young woman back to the Faroe Islands - the windswept, rocky northern archipelago where she has never lived but which she has always called home. There she finds her stories entwining with those of her ancestors as she searches for a way to

connect with the culture and her kin. Rooted in the wild beauty of the islands and the author's own history, this is a bewitching tale of exile, homecoming, and what it means to belong.

*Our Policy for Germany* A&C Black

The salient and versatile features of phenolic resins provide favorable comparisons between them and other thermosetting resins as well as thermoplastic products: thermal behavior; high strength level; long term thermal and mechanical stability; fire, smoke and low toxicity characteristics; electrical and thermal insulating capabilities; cost performance characteristics. The technical content of the book describes significant new phenolic resin chemistry, transformations and recent mechanistic pathways of resole and novolak cure. A vastly expanded treatment of selected application areas consists of wood composites, insulation/textile felts, molding compounds, paper/fabric impregnation, foundry, abrasives, friction and refractory. New applications with up-to-date developments include high performance and advanced composites, imaging/photoresist and carbon/graphite

areas. Also included in detail:

Standardized test methods important for ISO 9001 ff certification.

Travels throught Germany,

Bohemia...descriptions of the present stre of those Contries Pushkin Press

W. G. Sebald's celebrated masterpiece, "one of the supreme works of art of our time" (The Guardian), follows a man's search for the answer to his life's central riddle. "Haunting . . . a powerful and resonant work of the historical imagination . . . Reminiscent at once of Ingmar Bergman's Wild Strawberries, Kafka's troubled fables of guilt and apprehension, and, of course, Proust's Remembrance of Things Past."—Michiko Kakutani, The New York Times One of The New York Times's 10 Best Books of the 21st Century • A Los Angeles Times, Entertainment Weekly, and New York Magazine Best Book of the Year Winner of the National Book Critics Circle Award, Koret Jewish Book Award, Independent Foreign Fiction Prize, and Jewish Quarterly Wingate Literary Prize A small child when he comes to England on a Kindertransport in the summer of 1939, Jacques Austerlitz is told nothing of his real family by the Welsh Methodist minister

and his wife who raise him. When he is a much older man, fleeting memories return to him, and obeying an instinct he only dimly understands, Austerlitz follows their trail back to the world he left behind a half century before. There, faced with the void at the heart of twentieth-century Europe, he struggles to rescue his heritage from oblivion. Over the course of a thirty-year conversation unfolding in train stations and travelers' stops across England and Europe, W. G. Sebald's unnamed narrator and Jacques Austerlitz discuss Austerlitz's ongoing efforts to understand who he is—a struggle to impose coherence on memory that embodies the universal human search for identity. This tenth-anniversary edition features a new Introduction by James Wood.

Рипол Классик

An unforgettable, sensual novel by "one of the most gifted and accomplished poets of his generation" (Mark Rudman). "Heroism is a secondary virtue," Albert Camus noted, "but friendship is primary." In his gem-like first novel, Forrest Gander writes of friendship, envy, and eros as a harmonic of charged overtones. Set in a rural southern landscape as vivid as its indelible characters, As a Friend tells the story of Les, a gifted man and land surveyor, whose impact on those around him (his friend Clay, his girlfriend Sarah) provokes intense self-examination and an atmosphere of dangerous eroticism. With poetic insight, Gander explores the nature of attraction, betrayal, and loyalty. What he achieves is brilliant in style and powerfully unsettling.

*Travels Through Germany, Hungary, Bohemia, Switzerland, Italy, and Lorrain* Business Information Agency

A 17th century Italian nobleman is

marooned on an empty ship in this “astonishing intellectual journey” by the author of Foucault’s Pendulum (San Francisco Chronicle). In the year 1643, a violent storm in the South Pacific leaves Roberto della Griva shipwrecked—on a ship. Swept from the Amaryllis, he has managed to pull himself aboard the Daphne, anchored in the bay of a beautiful island. The ship is fully provisioned, he discovers, but the crew is missing. As Roberto explores the different cabinets in the hold, he looks back on various episodes from his life: Ferrante, his imaginary evil brother; the siege of Casale, that meaningless chess move in the Thirty Years’ War in which he lost his father and his illusions; and the lessons given him on Reasons of State, fencing, the writing of love letters, and blasphemy. In this “intellectually stimulating and dramatically intriguing” novel, Umberto Eco conjures a young dreamer searching for love and meaning; and an old Jesuit who, with his clocks and maps, has plumbed the secrets of longitudes, the four moons of Jupiter, and the Flood (Chicago Tribune). History of Freemasonry ... Translated from the second German edition under the

author's personal superintendence. With a preface by C. van Dalen Bergverlag Rother GmbH

While shipwrecked on the island of Pala, Will Farnaby, a disenchanting journalist, discovers a utopian society that has flourished for the past 120 years. Although he at first disregards the possibility of an ideal society, as Farnaby spends time with the people of Pala his ideas about humanity change. HarperPerennial Classics brings great works of literature to life in digital format, upholding the highest standards in ebook production and celebrating reading in all its forms. Catalogue of the Library of the Geological Society of London John Benjamins Publishing

Now a major motion picture starring Salma Hayek, John C. Reilly, Toby Jones, and Vincent Cassel: a rollicking, bawdy, fantastical cycle of 50 fairy tales told by 10 storytellers over 5 days Before the Brothers Grimm, before Charles Perrault, before Hans Christian Andersen, there was Giambattista Basile, a seventeenth-

century poet from Naples, Italy, whom the Grimms credit with recording the first national collection of fairy tales. The Tale of Tales—also known as The Pentamerone—opens with Princess Zoza, unable to laugh no matter how funny the joke. Her father, the king, attempts to make her smile; instead he leaves her cursed, whereupon the prince she is destined to marry is snatched up by another woman. To expose this impostor and win back her rightful husband, Zoza contrives a storytelling extravaganza: fifty fairy tales to be told by ten sharp-tongued women (including Zoza in disguise) over five days. Funny and scary, romantic and gruesome—and featuring a childless queen who devours the heart of a sea monster cooked by a virgin, and who then gives birth the very next day; a lecherous king aroused by the voice of a woman, whom he courts unaware of her physical grotesqueness; and a king who raises a flea to monstrous size on his own blood, sparking a contest in which an ogre vies with men for the hand of the king’s daughter—The Tale of Tales is a fairy-tale treasure that prefigures Game of Thrones and other touchstones of worldwide

fantasy literature. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

**Romantic Drama** Dumbarton Oaks  
 Detectives Jeppe Kørner and Anette Werner race to solve a series of sordid murders linked to some of the most vulnerable patients in a Danish hospital in this sequel to the #1 international bestseller *The Tenant* that is “brimming with personality, eccentric characters, and plenty of mystery and intrigue” (Crime by

the Book). Hospitals are supposed to be places of healing. But in the coronary care unit at one of Copenhagen’s leading medical centers, a nurse fills a syringe with an overdose of heart medication and stealthily enters the room of an older male patient. Six days earlier, a paperboy on his route in central Copenhagen stumbles upon a macabre find: the naked body of a dead woman, lying in a fountain with arms marked with small incisions. Cause of death? Exsanguination—the draining of all the blood in her body. Copenhagen investigator Jeppe Kørner, recovering from a painful divorce and in the throes of a new relationship, takes on the case. His partner, Anette Werner, now on maternity leave after an unexpected pregnancy, is restless at home with a demanding newborn and an equally demanding husband. While Jeppe pounds the streets

looking for answers, Anette decides to do a little freelance sleuthing. But operating on her own exposes her to dangers she can’t even begin to fathom. As the “thrillingly nerve-racking” (Shelf Awareness) investigation ventures into dark corners, it uncovers the shockingly depraved greed that festers beneath the surface of caregiving institutions—and what Jeppe and Anette discover will turn their blood as cold as ice...
