BRENDAN HARRELL

America Street HarperCollins

Brother's Ruin is the first in a new gaslamp fantasy series by Emma Newman.

"Newman reworks the familiar idea of magical schools, breathing some new life into the premise by exploring the darker corners of London and their murky morality." — Publishers Weekly The year is 1850 and Great Britain is flourishing, thanks to the Royal Society of the Esoteric

Arts. When a new mage is discovered, Royal Society elites descend like buzzards to snatch up a new apprentice. Talented mages are bought from their families at a tremendous price, while weak mages are snapped up for a pittance. For a lower middle class family like the Gunns, the loss of a son can be disastrous, so when seemingly magical incidents begin cropping up at home, they fear for their Ben's life and their own livelihoods. But Benjamin Gunn isn't a talented mage. His sister Charlotte is, and to prevent her brother from being imprisoned for false

reporting she combines her powers with his to make him seem a better prospect. When she discovers a nefarious plot by the sinister Doctor Ledbetter, Charlotte must use all her cunning and guile to protect her family, her secret and her city. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

The pen was as mighty as the musket during the American Revolution, as poets waged literary war against politicians,

journalists, and each other. Drawing on hundreds of poems, *Poetry Wars* reconstructs the important public role of poetry in the early republic and examines the reciprocal relationship between political conflict and verse.

[Al-Mutanabbi Street Starts Here](#) JHU Press

A richly illustrated cultural history of the midcentury pulp paperback "There is real hope for a culture that makes it as easy to buy a book as it does a pack of cigarettes."—a civic leader quoted in a New American Library ad (1951) *American Pulp* tells the story of the midcentury golden age of pulp paperbacks and how they brought modernism to Main Street, democratized literature and ideas, spurred social mobility, and helped readers fashion new identities. Drawing on extensive original research, Paula Rabinowitz unearths the far-reaching political, social, and aesthetic impact of the pulps between the late 1930s and early 1960s. Published in vast numbers of titles, available everywhere, and sometimes selling in the millions, pulps were throwaway objects accessible to anyone with a quarter. Conventionally associated with romance, crime, and science fiction, the pulps in fact

came in every genre and subject. *American Pulp* tells how these books ingeniously repackaged highbrow fiction and nonfiction for a mass audience, drawing in readers of every kind with promises of entertainment, enlightenment, and titillation. Focusing on important episodes in pulp history, Rabinowitz looks at the wide-ranging effects of free paperbacks distributed to World War II servicemen and women; how pulps prompted important censorship and First Amendment cases; how some gay women read pulp lesbian novels as how-to-dress manuals; the unlikely appearance in pulp science fiction of early representations of the Holocaust; how writers and artists appropriated pulp as a literary and visual style; and much more. Examining their often-lurid packaging as well as their content, *American Pulp* is richly illustrated with reproductions of dozens of pulp paperback covers, many in color. A fascinating cultural history, *American Pulp* will change the way we look at these ephemeral yet enduringly intriguing books.

American Street Independently Published

A National Bestseller! What does an undocumented immigrant look like? What kind of family must she come from? How could she get into this country? What is the true price she must pay to remain in the United States? JULISSA ARCE knows firsthand that the most common, preconceived answers to those questions are sometimes far too simple—and often just plain wrong. On the surface, Arce's story reads like a how-to manual for achieving the American dream: growing up in an apartment on the outskirts of San Antonio, she worked tirelessly, achieved academic excellence, and landed a coveted job on Wall Street, complete with a six-figure salary. The level of professional and financial success that she achieved was the very definition of the American dream. But in this brave new memoir, Arce digs deep to reveal the physical, financial, and emotional costs of the stunning secret that she, like many other high-achieving, successful individuals in the United States, had been forced to keep not only from her bosses, but even from her closest friends. From the time she was brought to this country by her hardworking parents as a child,

Arce-the scholarship winner, the honors college graduate, the young woman who climbed the ladder to become a vice president at Goldman Sachs-had secretly lived as an undocumented immigrant. In this surprising, at times heart-wrenching, but always inspirational personal story of struggle, grief, and ultimate redemption, Arce takes readers deep into the little-understood world of a generation of undocumented immigrants in the United States today- people who live next door, sit in your classrooms, work in the same office, and may very well be your boss. By opening up about the story of her successes, her heartbreaks, and her long-fought journey to emerge from the shadows and become an American citizen, Arce shows us the true cost of achieving the American dream-from the perspective of a woman who had to scale unseen and unimaginable walls to get there.

Brother's Ruin Macmillan + ORM

On March 5th, 2007, a car bomb was exploded on al-Mutanabbi Street in Baghdad. More than thirty people were killed and more than one hundred were wounded. This locale is the historic center of Baghdad bookselling, a winding street

filled with bookstores and outdoor book stalls. Named after the famed 10th century classical Arab poet al-Mutanabbi, it has been the heart and soul of the Baghdad literary and intellectual community. This anthology begins with a historical introduction to al-Mutanabbi Street and includes the writing of Iraqis as well as a wide swath of international poets and writers who were outraged by this attack. This book seeks to show where al-Mutanabbi Street starts in all of us: personally, in our communities, and in our nations. It seeks to show the commonality between this small street in Baghdad and our own cultural centers, and why this attack was an attack on us all. This anthology sees al-Mutanabbi Street as a place for the free exchange of ideas; a place that has long offered its sanctuary to the complete spectrum of Iraqi voices. This is where the roots of democracy (in the best sense of that word) took hold many hundreds of years ago. This anthology looks toward al-Mutanabbi Street as an affirmation of all that we hope for in a more just society. Contributors include: Beau Beausoleil, Musa al-Musawi, Anthony Shadid, Mousa al-Naseri, Naomi

Shihab Nye, Deena Metzger, Sam Hamod, Lutfiya Al-Dulaimi, Zaid Shlah, Persis Karim, Ayub Nuri, Marian Haddad, Sarah Browning, Eileen Grace O'Malley Callahan, Roger Sederat, Eline Lipkin, Esther Kamkar, Robert Perry, Gloria Collins, Brian Turner, Gloria Frym, Owen Hill, Abd al-Rahim, Salih al-Rahim, Yassin "The Narcicyst" Alsalman, Jose Luis Gutierrez, Sargon Boulus, Peter Money, Sinan Antoon, Muhammad al-Hamrani, Livia Soto, Janet Sternburg, Sam Hamill, Salah Al-Hamdani, Gail Sher, Dunya Mikhail, Irada Al Jabbouri, Dilara Cirit, Niamh MacFionnlaoich, Erica Goss, Daisy Zamora, George Evans, Steve Dickison, Maysoon Pachachi, Summer Brenner, Jen Hofer, Rijin Sahakian, Badr Shakir al-Sayyab, Jane Hirshfield, Jack Marshall, Susan Moon, Diana di Prima, Evelyn So, Nahrain Al-Mousawi, Ko Un, Joe Lamb, Katrina Rodabaugh, Mohammed Hayawi, Nazik Al-Malaika, Raya Asee, Gazar Hantoosh, Mark Abley, Majid Naficy, Lewis Buzbee, Ibn al-Utri, Thomas Christensen, Amy Gerstler, Genny Lim, Saadi Youssef, Judith Lyn Suttton, Josh Kun, Dana Teen Lomax, Etel Adnan, Bushra Al-Bustani, Marilyn Hacker, Richard Harrison, Fady Joudah, Philip

Maya has wanted a dog for as long as she can remember. Just when her parents

decide to buy her one, her Uncle Jerry finds a homeless puppy that he can't keep. Although Mom is skeptical about keeping a dog from the street, she agrees to take in the pup and they name him JJ. Before long, JJ warms his way into their hearts, and Maya and her family learn about homeless animals and how they can be a part of the solution to end pet over-population.

Vivian Maier Princeton University Press
Once a thriving metropolis on the banks of the Mississippi, St. Louis, Missouri, is now a ghostly landscape of vacant houses, boarded-up storefronts, and abandoned factories. The Gateway City is, by any measure, one of the most depopulated, deindustrialized, and deeply segregated examples of American urban decay. "Not a typical city," as one observer noted in the late 1970s, "but, like a Eugene O'Neill play, it shows a general condition in a stark and dramatic form." Mapping Decline examines the causes and consequences of St. Louis's urban crisis. It traces the complicity of private real estate restrictions, local planning and zoning, and federal housing policies in the "white flight" of people and wealth from the central city. And it traces the

inadequacy—and often sheer folly—of a generation of urban renewal, in which even programs and resources aimed at eradicating blight in the city ended up encouraging flight to the suburbs. The urban crisis, as this study of St. Louis makes clear, is not just a consequence of economic and demographic change; it is also the most profound political failure of our recent history. Mapping Decline is the first history of a modern American city to combine extensive local archival research with the latest geographic information system (GIS) digital mapping techniques. More than 75 full-color maps—rendered from census data, archival sources, case law, and local planning and property records—illustrate, in often stark and dramatic ways, the still-unfolding political history of our neglected cities.

The Brainwashing of the American Investor University of Pennsylvania Press
Obsession. It's an ugly thing. It consumes you. Controls you. Dictates your every move. You can try to fight it, try to resist. But its stronger than you. It always wins. The day I first saw her, obsession took root inside me. Suddenly there was nothing else. Just her. My obsession left me no

choice. I had to have her. No matter the cost. No matter the risk. In the end she will be mine. Until then...I wait. *DEPRAVED is a dark MC Romance with scenes that might offend sensitive readers*

American Pulp HarperCollins

WINNER OF THE PULITZER PRIZE •

NATIONAL BESTSELLER • A searing, post-apocalyptic novel about a father and son's fight to survive, this "tale of survival and the miracle of goodness only adds to McCarthy's stature as a living master. It's gripping, frightening and, ultimately, beautiful" (San Francisco Chronicle). •

From the bestselling author of *The Passenger* A father and his son walk alone through burned America. Nothing moves in the ravaged landscape save the ash on the wind. It is cold enough to crack stones, and when the snow falls it is gray. The sky is dark. Their destination is the coast, although they don't know what, if anything, awaits them there. They have nothing; just a pistol to defend themselves against the lawless bands that stalk the road, the clothes they are wearing, a cart of scavenged food—and each other. *The Road* is the profoundly moving story of a journey. It boldly imagines a future in

which no hope remains, but in which the father and his son, "each the other's world entire," are sustained by love. Awesome in the totality of its vision, it is an unflinching meditation on the worst and the best that we are capable of: ultimate destructiveness, desperate tenacity, and the tenderness that keeps two people alive in the face of total devastation. Look for Cormac McCarthy's latest bestselling novels, *The Passenger* and *Stella Maris*.

Nuevo Mundo Island Press

American Street Philosophers: the Success of Failure is a visiting, an understanding, an appreciating and ultimately a resolve for our dilemma. "Rather than dismiss, relocate, complain...the plight of poverty is a metaphor for what our culture is becoming." "...Sobering and inspiring." Thoughts for humans. This book is not a manual on how to cure homelessness or addiction. The cure is not one-size-fits-all. Yet there is hope, and you will see in the residents of Dignity Village what hope looks like. This book is a perspective of humanity through a series of photographs from a compassionate, award-winning, international photojournalist who has chosen to wind down his storied career

with images that may help us see that we are not so different after all. If we are to bridge the chasm of mystique to understand and accept these poetic and enigmatic American Street Philosophers, this book is a step in that direction.

C Street Oxford University Press

"This stunning book is the story I've been waiting for my whole life; where girls rise up to claim their space with joy and power." --Laurie Halse Anderson, New York Times bestselling and award-winning author of *Speak* "An extraordinary story of two indomitable spirits." --Brendan Kiely, New York Times bestselling co-author of *All American Boys* and *Tradition* "Timely, thought-provoking, and powerful." --Julie Murphy, New York Times bestselling author of *Dumplin'* Newbery Honor and Coretta Scott King Award-winning author Renée Watson teams up with poet Ellen Hagan in this YA feminist anthem about raising your voice. Jasmine and Chelsea are best friends on a mission--they're sick of the way women are treated even at their progressive NYC high school, so they decide to start a Women's Rights Club. They post their work online--poems, essays, videos of Chelsea performing her

poetry, and Jasmine's response to the racial microaggressions she experiences--and soon they go viral. But with such positive support, the club is also targeted by trolls. When things escalate in real life, the principal shuts the club down. Not willing to be silenced, Jasmine and Chelsea will risk everything for their voices--and those of other young women--to be heard. These two dynamic, creative young women stand up and speak out in a novel that features their compelling art and poetry along with powerful personal journeys that will inspire readers and budding poets, feminists, and activists. Acclaim for *Piecing Me Together* 2018 Newbery Honor Book 2018 Coretta Scott King Author Award 2017 Los Angeles Times Book Prize, Young Adult Finalist "Timely and timeless." --Jacqueline Woodson, award-winning author of *Brown Girl Dreaming* "Watson, with rhythm and style, somehow gets at . . . the life-changing power of voice and opportunity." --Jason Reynolds, NYT-bestselling author of *Long Way Down* "Brilliant." --John Green, New York Times bestselling author of *The Fault in Our Stars* * "Teeming with compassion and insight." --Publishers

Weekly, starred review * "A timely, nuanced, and unforgettable story about the power of art, community, and friendship." --Kirkus, starred review * "A nuanced meditation on race, privilege, and intersectionality." --SLJ, starred review **American Street** WindRiver Publishing, Inc.

A landmark reissue of Studs Terkel's classic microcosm of America, with a new foreword by the Pulitzer Prize-winning journalist and co-creator of the *Division Street Revisited* podcast "Remarkable. . . . *Division Street* astonishes, dismays, exhilarates." —The New York Times When New Press founder André Schiffrin first published *Division Street* in 1967, Studs Terkel's reputation as America's foremost oral historian was established overnight. Approaching Chicagoans as emblematic of the nation at large, Terkel set out with his tape recorder and spent a year talking to over seventy people about race, family, education, work, prospects for the future—all topics that remain deeply contentious today. Subjects included a Black woman who attended the 1963 March on Washington, a tool-and-die maker, a baker from Budapest, a closeted

gay actor, and a successful but cynical ad man. As Tom Wolfe wrote, Studs was "one of those rare thinkers who is actually willing to go out and talk to the incredible people of this country." Most interviewees shared the hope for a good life for their children and the wish for a less divided and more just America, but the real Chicago street referenced in the title takes on a metaphorical meaning as a symbol of the acute social divides of the 1960s—and highlights the continued relevance of Terkel's work in our polarized times. Now, over fifty years later, Melissa Harris and Pulitzer Prize-winning journalist Mary Schmich have created the remarkable *Division Street Revisited* podcast, coming in January 2025, in which they have found and interviewed descendants of Terkel's original subjects in seven rich episodes. Schmich's foreword to the reissue and the extraordinary podcast—along with the new edition of *Division Street*—together demonstrate Studs Terkel's prescience and the enduring importance of his work. **East Main Street** Prestel Publishing From the author of *White Noise* (winner of the National Book Award) and *The Silence*, a novel that "reflects our era's nightmares

and hallucinations with all appropriate lurid, tawdry shades" (The Cleveland Plain Dealer) Bucky Wunderlick, rock star and budding messiah, has hit a spiritual wall. Unfulfilled by the excess of fame and fortune his revolutionary image has wrought, he bolts from his band mid-tour to hole up in a dingy East Village apartment and separate himself from the paranoid machine that propels the culture he has helped create. As faithful fans await messages, Bucky encounters every sort of roiling farce he is trying to escape. *Great Jones Street* is a penetrating look at rock and roll's merger of art, commerce and urban decay.

Poetry Wars Vintage

Based on eight years of hands-on experience and more than 300 interviews, *Street Saints* is both a book of motivational stories about unsung heroes and a sociological study of the "faith factor," documenting faith-based programs that are treating social maladies in America. This book takes readers on a tour of communities and institutions in America where faith-based initiatives are making a difference. It offers inspiration, role models, and guidelines for people who

would like to give back to their own communities.

The House on Mango Street Penguin

"Traces the transformation of commercial development as it has moved from centralized main streets, out along the street car lines, to form the "miracle miles" and shopping malls of today ... Also explores the evolution of roadside buildings."--Back cover.

Street Seen PM Press

What if scrapping one flawed policy could bring US cities closer to addressing debilitating housing shortages, stunted growth and innovation, persistent racial and economic segregation, and car-dependent development? It's time for America to move beyond zoning, argues city planner M. Nolan Gray in *Arbitrary Lines: How Zoning Broke the American City and How to Fix It*. With lively explanations and stories, Gray shows why zoning abolition is a necessary—if not sufficient—condition for building more affordable, vibrant, equitable, and sustainable cities. The arbitrary lines of zoning maps across the country have come to dictate where Americans may live and work, forcing cities into a pattern of

growth that is segregated and sprawling. The good news is that it doesn't have to be this way. Reform is in the air, with cities and states across the country critically reevaluating zoning. In cities as diverse as Minneapolis, Fayetteville, and Hartford, the key pillars of zoning are under fire, with apartment bans being scrapped, minimum lot sizes dropping, and off-street parking requirements disappearing altogether. Some American cities—including Houston, America's fourth-largest city—already make land-use planning work without zoning. In *Arbitrary Lines*, Gray lays the groundwork for this ambitious cause by clearing up common confusions and myths about how American cities regulate growth and examining the major contemporary critiques of zoning. Gray sets out some of the efforts currently underway to reform zoning and charts how land-use regulation might work in the post-zoning American city. Despite mounting interest, no single book has pulled these threads together for a popular audience. In *Arbitrary Lines*, Gray fills this gap by showing how zoning has failed to address even our most basic concerns about urban growth over the

past century, and how we can think about a new way of planning a more affordable, prosperous, equitable, and sustainable American city.

My (Underground) American Dream Die Gestalten Verlag-DGV

WITH A NEW INTRODUCTION FROM NEW YORK TIMES BEST-SELLING AUTHOR

TAYARI JONES "How can a novel's social criticism be so unflinching and clear, yet its plot moves like a house on fire? I am tempted to describe Petry as a magician for the many ways that *The Street* amazes, but this description cheapens her talent . . . Petry is a gifted artist." — Tayari Jones, from the Introduction *The Street* follows the spirited Lutie Johnson, a newly single mother whose efforts to claim a share of the American Dream for herself and her young son meet frustration at every turn in 1940s Harlem. Opening a

fresh perspective on the realities and challenges of black, female, working-class life, *The Street* became the first novel by an African American woman to sell more than a million copies.

Main Street to Miracle Mile NYU Press

Based on a popular New York Times Op-Ed piece, this is the quirky, heartfelt account of one man's quest to meet his neighbors--and find a sense of community. **As seen in Parade, USA Today, The Washington Post, The Chicago Sun-Times, and more.

**Winner of the Zocalo Square Book Prize, and recently named a first selection by Action Book Club. "It's impossible to read this book without feeling the urge to knock on neighbors' doors." -Chicago Sun-Times Journalist and author Peter Lovenheim lived on the same street in suburban Rochester, NY, most of his life. But it was only after a brutal murder-suicide rocked

the community that he was struck by a fact of modern life in this comfortable enclave: No one knew anyone else. Thus begins Peter's search to meet and get to know his neighbors. An inquisitive person, he does more than just introduce himself. He asks, ever so politely, if he can sleep over. In this smart, engaging, and deeply felt book, Lovenheim takes readers inside the homes, minds, and hearts of his neighbors and asks a thought-provoking question: Do neighborhoods matter--and is something lost when we live among strangers?

The American Street Gang Vintage

Through countless lives, seventeen-year-olds Tamar and Fayard have fallen in love, fought to be together, and died but when they discover what it will take to break the cycle, will they be able to make the sacrifice?
