AYERS MAXIMUS

State Yellow Book CRC Press

The President of the United States on September 16, 1974 signed Proclamation 4313 proclaiming a program to afford reconciliation to Vietnam era draft evaders and military deserters. The Proclamation provided for the performance of a period of alternate service as a condition for that reconciliation.

Federal Probation Univ. Press of Mississippi

June and Dec. issues contain listings of periodicals.

Annual Report and Proceedings of the Annual Conference

The term judicial opinion can be a misnomer as rarely are judges' true feelings on legal issues and the work they do made available to the public. Judges are constrained when writing decisions to follow the law and leave personal commentary aside. Through a series of revealing interviews, this

book gathers empirical data from judges and justices from different legal systems to provide a scintillating look at how they view their jobs and cope with difficult legal matters. Interviews are conducted according to strict guidelines with a standardized format for consistency. Each chapter begins by describing the region and its style of judicial governance. This is followed by an interview with a judge or justice in the particular jurisdiction. They discuss their careers, personal judicial philosophies, the problems and successes they've experienced, and how theory influences practice in their jurisdiction. Many also discuss transnational relations and several chapters include glossaries that explain unfamiliar terms and acronyms. Each chapter concludes with the interviewer's assessment and observations. This structure allows readers to easily compare the views of judges and to see the similarities, the differences, and the uniqueness of the different legal models and systems. Trends in the Judiciary: Interviews with Judges Across the Globe, Volume Two is the seventh publication in the Interviews with Global Leaders in Policing, Courts, and Prisons series. The broad-based coverage of varying viewpoints in this text encourages a great breadth of understanding of global justice.

Rules and Regulations Governing the Conditions of Probation, Parole, and Conditional Release

Author William Bradford Huie was one of the most celebrated figures of twentieth-century journalism. A pioneer of "checkbook journalism," he sought the truth in controversial stories when the truth was hard to come by. In the case of James Earl Ray, Huie paid Ray and his original attorneys \$40,000 for cooperation in explaining his movements in the months before Martin Luther King's assassination and up to Ray's arrest weeks later in London. Huie became a major figure in the investigation of King's assassination and was one of the few persons able to communicate with Ray during that time. Huie, a friend of King, writes that he went into his investigation of Ray believing that a conspiracy was behind King's murder. But after retracing Ray's movements through California, Louisiana, Mexico, Canada, Atlanta, Birmingham, Memphis, and London, Huie came to believe that James Earl Ray was a pathetic petty criminal who hated African Americans and sought to make a name for himself by murdering King. He Slew the Dreamer was originally published in 1970 soon after Ray went to prison and was republished in 1977, but was out of print until the 1997 edition, published with the cooperation of Huie's widow. This new edition features an

essay by scholar Riché Richardson that provides fresh insight, and it includes the 1977 prologue, which Huie wrote countering charges by members of Congress, the King family, and others who claimed the FBI had aided and abetted Ray. In 1970, 1977, 1997, and now, He Slew the Dreamer offers a remarkably detailed examination of the available evidence at the time the murder occurred and an invaluable resource to current debates over the King assassination.

The 50 States Report Submitted to the Commission on Civil Rights by the State Advisory Committees, 1961

"This is a report of the Board of Probation and Parole and its officers for the year ended June 30, 1948."--Introduction.
