Pirate Curse Hachette Australia

Take four ne'er-do-wells: a 28-year-old ex-public schoolboy who can't bear the idea of setting down; Suzy the Black Widow, who

has a deliciously flat stomach and drives like she's breathing through the carbs; Brady the Reservoir Dogs fetishist; and Chico the fat Portuguese waiter. Add some plastic guns, the IRA and a white Merc with fins and you have a plan. What plan? The plan to walk into Michael Winner's private bank and walk out with half a million quid. Fast, clever, stylish, funny and utterly compulsive, this is a first novel with everything.

Stars Across The Ocean Siphano Picture Books

1920. Having disobeyed the wishes of her aristocratic family, Lulu Pearson, a young and talented Tasmanian sculptress, finds herself alone in London in the wake of the Great War. The future is looking bright until, on the eve of her first exhibition, Lulu learns she has inherited a racing colt called Ocean Child from a mysterious benefactor, and she must return to her homeland to claim him. Baffled by the news, Lulu boards a ship to Tasmania to uncover the truth behind the strange bequest, but it seems a welcome return is more than she can hope for. Unbeknownst to Lulu, more than a few fortunes ride on Ocean Child's success - it seems everyone from her estranged mother to the stable hands has a part to play, and an interest in keeping the family secrets buried.

Little Bear is a Big Brother Random House Books for Young Readers

Mendoza - a conservative provincial town in Argentina at the foot of the Andes. April 8, 1977 - the last day that Gisela Tenenbaum was seen alive. How does a family come to terms with the fact that their twenty-two-year-old daughter disappeared so many years ago? Was she kidnapped, tortured, murdered? How have her friends and companions fared? Gisi is gone and yet still present. Argentina's Angel tells the story of her family - Austrians of Jewish origin who fled to Argentina in 1939 -, of her committed struggle against injustice, and of her desperate, underground work for a cause that would ultimately be lost. Born in Steyr, Austria, in 1954, Erich Hackl is a prolific writer whose nonfiction novels elucidate issues of social injustice. He resides in Vienna and Madrid. Edward Larkin is a professor of German and the Humanities at the University of New Hampshire. Thomas Ahrens is a teacher, translator, and artist who works in international education at Berea College, Kentucky.

Lemona's Tale NorthSouth Books

In the vast Caribbean Sea, pirates Jolly and Griffin are stranded on a tiny island where a peculiar architect is building an enormous bridge -- but to where? Another world? Before they can find out, the bridge bursts into flames and the kobalins attack. Jolly and Griffin have nowhere to run until the Ghost Trader mysteriously appears and carries them off to the magical coral city of Aelinium. It is from Aelinium that Jolly and Munk are supposed to descend far, far into the deep to keep out the world-devouring Maelstrom. But Jolly isn't ready for that task. She wants to rescue Captain Bannon, the only father she ever knew, so she steals the ghost ship and sets sail. Griffin follows her, until he is trapped by the man in the whale. Princess Soledad has her own plans -- to kill Pirate Emperor Kendrick. But the truly terrifying cannibal king stands in her way. Is Soledad ready to become the new pirate emperor? Pirates and magic make an explosive combination in this rollicking tale filled with swashbuckling swordplay, menacing monsters, and outlandish adventures, from the amazing imagination of Kai Meyer.

A White Merc With Fins Simon and Schuster

In a brilliant and ambitious thriller that combines elements of Jean Auel's *The Clan of the Cave Bear* and Ken Follett's *The Pillars of the Earth* into a riveting, multifaceted tale of love, art, courage, and war, Martin Walker brings to life the creation of an extraordinary work of prehistoric cave art and the struggle to possess it in our own time. Martin Walker's richly interwoven novel opens with the arrival of a mysterious package for a young American woman working in a London auction house. Brought by a British officer, it contains a 17,000-year-old fragment of a cave painting left to him by his father, a former World War II hero. The fragment, significant and stunning in itself, is also the key to the existence of an un-known cave that may be more important in the history of art and human creation than the world-famous one at Lascaux. It triggers a storm of publicity and commands the attention of the French authorities all the way up to the President of the Republic, who seems to know more about the painting's origins than anyone else... As the young American woman, the British officer, and a French government art historian explore the ancient province of Périgord to determine the painting's origins, their search serves as backdrop for three compelling stories. There is the tale of the British officer's father who lands in Nazi-occupied France in 1944 to organize the Resistance, culminating in a series of battles to prevent the SS Das Reich Panzer Division from reaching the Normandy beaches in time to repel the D-Day invasion, which leads to an account of the subsequent discovery—and cover-up—of the lost cave and its paintings. And there is also the moving story of the young artist who painted

them, the woman he loved, and the ancient culture that produced the first recognizable human art but required the sacrifice of its own creators. Filled with vivid, historically accurate details and imaginative re-creations of prehistoric life, *The Caves of Périgord* blends a complex plot and richly diverse characters into a seamless narrative of romance, tragedy, and heroism from past to present.

Puppet Walker

In October 1944, a thirteen-year-old girl arrives in a tiny farming community in Lower Austria, at some distance from the main theatre of war. She remembers very little about how she got there, it seems she has suffered trauma from bombardment. One night a few months later, a young, emaciated Russian appears, a deserter from forced labour in the east. He has nothing with him but a canvas roll, which he guards like a hawk. Their burgeoning friendship is abruptly interrupted by the arrival of a group of Wehrmacht soldiers in retreat, who commandeer the farm. Paulus Hochgatterer's intensely atmospheric, resonant novel is like a painting in itself, a beautiful observation of small shifts from apathy in a community not directly affected by the war, but exhausted by it nonetheless; individual acts of moral bravery which to some extent have the power to change the course of history.

The Fox in the Library Crossroad Press

For a quarter of a century, Lemona has been held in a Nigerian prison, her crimes reflecting her passion and despair, her silence masking the truth. On the last day of her life she is visited by Ola, whose parents Lemona killed. To this woman Lemona recounts the events of her upbringing in poverty, the kindness of friends who took her in, and the abuse, corruption and betrayal by men which led to her downfall. though she is awaiting execution, Lemona's desire to understand the forces that shaped her life resonates throughout her story, leading Ola towards a new interpretation of her own history. -- Publisher description.

I Am So Clever Random House

The powerful new novel from Kimberley Freeman. A rich and satisfying story of two women with indomitable spirits and the high costs they have to pay for being strong-minded, from the author of the bestselling *LIGHTHOUSE BAY* and *EMBER ISLAND*. A story about love, motherhood, and learning whom you belong to in the world. In 1874, wild and willful Agnes Resolute finally leaves the foundling home where she grew up on the bleak moors of northern England. On her departure, she discovers that she was abandoned with a small token of her mother: a unicorn button. Agnes had always believed her mother to be too poor to keep her, but Agnes has been working as a laundress at the foundling home and recognises the button as belonging to the imperious and beautiful Genevieve Breakby, daughter of a local noble family. Agnes had only seen her once, but has never forgotten her. She investigates and discovers Genevieve is now in London. Agnes follows, living hard in the poor end of London until she finds out Genevieve has moved to France. This sets Agnes off on her own adventure: to Paris, Agnes follows her mother's trail, and starts to see it is also a trail of destruction. Finally, in Sydney she tracks Genevieve down. But is Genevieve capable of being the mother Agnes hopes she will be? A powerful story about women with indomitable spirits, about love and motherhood, and about learning whom you belong to in the world. Praise for Kimberley Freeman's writing: *GOLD DUST* 'A rich saga with characters you'll never forget. I couldn't put it down.' Kate Morton, author of *THE SECRET KEEPER WILDFLOWER HILL* 'Utterly engaging.' *THE COURIER-MAIL LIGHTHOUSE BAY* 'an enchanting love story' *MINDFOOD EVERGREEN FALLS* 'Eerie and fascinating ... the plot is brilliant in both time zones.' *NEWCASTLE HERALD Wolf of Shadows* Little, Brown Books for Young Readers

Notified by her ex-husband that her mother has shot and killed a stranger in the lobby of a hotel, defense attorney Amanda Travis must face her past.

Eternal on the Water Charlesbridge Publishing

The pirates of the Caribbean have a name for kids who can walk on water -- they call them polliwogs. As far as 14-year-old Jolly knows, she's the last polliwog still alive. She is valuable to the pirate captain who raised her, for she can sneak up on an enemy ship by walking over the waves. When someone sets a trap for Jolly's ship, Jolly alone escapes. She is washed up on a tiny island inhabited by a farming family -- and the ghosts who labor for them. The farmers have a son, Munk, who has been raised almost in hiding. Munk longs to go to sea, but his parents say that they are afraid of pirates, and they have forbidden Munk to reveal his true identity -- he, too, is a polliwog. But pirates are not the only threat in the Caribbean. Evil forces are stirring, and a demon from the sea attacks and murders Munk's parents. Was the demon really after Munk? And Jolly, too? Why are the polliwogs so valuable, and who wants them enough to kill for them? Jolly and Munk must sail with a strange crew of outcasts, led by the mysterious Ghost Trader, to avenge their loved ones and try to stop an ancient, malevolent force known as the Maelstrom. What it will cost both teens, no one can tell -- in this thrilling, swashbuckling fantasy from the extraordinary Kai Meyer.

Argentina's Angel Random House

Finnish detective Kimmo Joentaa is called to the local hospital in which his young wife died several years before. An unidentified woman in a coma has been murdered by someone who wept over the body, their tears staining the sheets around her. The death marks the start of a series of killings, with the unknown patient at their centre. As autumn turns to winter, and Christmas fast approaches, Kimmo's attempts to unravel the case and identify the first victim are complicated by the disappearance of his sometime girlfriend, who has vanished after a party thrown by the head of the police force, and by a colleague's spiral into the depths of a gambling addiction.

The Ambitious City Anchor

One quiet spring evening, the animals of the north woods see a great light mushroom up from the human territories. Most ignore it, but Wolf of Shadows, sitting alone on his hill, knows that something is very wrong. The next day dark clouds block out the sun, and an icy black rain comes, washing away the smells of all living things. It gets colder, then colder still. Nuclear winter has begun. As sleet changes to snow in wolf country, a desperate human mother and her daughter appear and join Wolf of Shadows as he leads his pack south. This is the story of their journey through the desolate, frozen wasteland that was once the United States. Always near freezing and starvation, threatened by savage dog packs and marauding humans, the wolves and the two women soon come to depend on one another for survival. Strieber masterfully captures how the wolf interprets the actions of the adopted humans and compares them to the feelings and actions of wolves. As their journey progresses, an unspoken but deeply felt love grows between them. This alone sustains them in their search for a place where life can be reborn. "Wolf of Shadows" is a bold and brutal novel, a compelling tale of survival in the wild, and a unique vision told from the viewpoint of a wolf of the horrors we may bring to every living creature on earth.

Pirate Emperor NorthSouth Books

The gripping second installment of the MacNeice Mysteries reads like a crossover episode between Sons of Anarchy and Dexter, as Detective Superintendent MacNeice and his team face off against a gang of violent bikers and a bloodthirsty serial killer... As a local biker war rages — seven shrink-wrapped corpses have been found buried on a farm just outside of Dundurn — an ambitious

waterfront project meant to revive the dying industrial city is underway. Dredging is nearly complete when six more bodies turn up at the bottom of the lake. With the body count rising, the situation in Dundurn escalates as a serial killer begins targeting the city's successful young women of colour. Outgunned by the bikers and outmaneuvered by the serial killer, MacNeice convinces Fiza Aziz, the young Muslim detective who burned out on their last case together, to come back to the force. Things go well until Aziz deliberately puts herself in the killer's sights...

Zog and the Flying Doctors Simon and Schuster

From the day Cobb and Mary meet kayaking on Maine's Allagash River and fall deeply in love, the two approach life with the same sense of adventure they use to conquer the river's treacherous rapids. But rivers do not let go so easily...and neither does their love. So when Mary's life takes the cruelest turn, she vows to face those rough waters on her own terms and asks Cobb to promise, when the time comes, to help her return to their beloved river for one final journey. Set against the rugged wilderness of Maine, the exotic islands of Indonesia, the sweeping panoramas of Yellowstone National Park, and the tranquil villages of rural New England, *Eternal on the Water* is at once heartbreaking and uplifting -- a timeless, beautifully rendered story of true love's power.

Light in a Dark House Berkley

The beloved and bestselling author of *Inkheart* returns with a chapter book full of mischief, heart, and kid mermaids! These mermaid friends are fishing for trouble! Lilly and Fin are merpups—mermaid kids—who love to play and explore the caves outside the mermaid city. They aren't really supposed to leave the city, but that's what makes it so much fun! Surely all those stories about Two-Legs (you know, humans) and sea monsters are just made up to scare young merpups. Little do they know, a real live human couple is on the hunt for a mermaid to add to their collection of rare sea creatures. If Two-Legs exist, what about sea monsters? With fun full-color illustrations by the author herself, this adventure is sure to capture all two-legged chapter-book readers! "Cornelia Funke . . . has written her way into the hearts and imaginations of audiences worldwide."—Clive Barker, *Time* magazine

The Snow Rabbit Simon and Schuster

On Butterfly Island, sailer Stout Sam and his deckhand Pip must rescue their treasure-sniffing pig from nasty pirate Barracuda Bill.

Gilbert the Ghost Puffin HC

Just when William is ready to fall asleep in his cozy cabin, there is a tap on his window. A chilly chipmunk asks to stay, and Will scooches over in bed. "There's room for two -- I'm sure we'll fit." The chipmunk is just the first in a parade of mammals, each bigger than the last, until the bed is full. Then a note is slipped beneath the door: "Do you have room for just one more?" William tugs the door to see who's there . . . only to find a great big BEAR! Is there enough space to spare? Will the other animals be willing to share? Kids will delight at each new guest's arrival and enjoy counting along as the animals keep scooching over to fit in William's bed. Linda Ashman's clever rhymes set up each page turn with suspense and humor, and the expressions on Chuck Groenink's characters are perfect. This is must reading for the dark time of year when everyone wants to hibernate!

The Witch Trade Simon and Schuster

Wolf soon forgets his hunger as he goes from school to library to bookstore. As hungry wolf descends on the farm, he is surprised to find that the animals there are quite well-educated. The only way he can get into the farm is to learn how to read. But acceptance in farm circles is not so easy as the animals present the wolf with one challenge after another. Wolf soon forgets his hunger as he goes from school to library to bookstore.
