Candid, breathless, arrogant, ambitious--here, in his own words, is Clement Greenberg, a young man of limitless intellectual appetite on his way to becoming the twentieth century's greatest art critic. Clement Greenberg was, and remains, America's most perceptive, prescient, and influential art critic. More alive than any of his contemporaries to the genius of art in his time, it was Greenberg who, in the 1940s and '50s, charted and celebrated the rise of Abstract Expressionism. The authority of his aesthetic judgment, and the force and clarity of his arguments, went far to establish those artists whose work he championed--Pollock, de Kooning, Hans Hofmann, David Smith. Before all that, however, he was a young man burning to become an intellectual, to make what he called Important Discoveries about art and life. His confidant during these early years was Harold Lazarus, a classmate at Syracuse University and a future professor of

English. From 1928, when both were nineteen, until 1943, when they went their separate ways, the two exchanged honest, funny, deeply personal letters, collected by his widow, Janice Van Horne.

In her legendary career, artist and activist Nikki Giovanni has established herself as a writer who can entertain and challenge, and a voice for social justice who can inform and inspire in times of national crisis. Controversial, revolutionary, ethereal, or illuminating, her poems about race, Black lives, violence, gender, and family move readers of all ages and backgrounds. With *BICYCLES*, she's collected poems that serve as a companion to her 1997 *LOVE POEMS*. An instant classic, that book--romantic, bold, and erotic--expressed notions of love in ways that were delightfully unexpected. In the years that followed, Giovanni experienced losses both public and private. A mother's passing, a sister's, too. A massacre on the campus at which she teaches. And just when it seemed life was spinning out of control, Giovanni rediscovered love--what she calls the antidote. Here romantic love--and all its manifestations, the physical touch, the emotional pull, the hungry heart--is distilled as never before by one of our most talented poets. In a time of national crisis or personal crisis, this is a collection that will open minds and change hearts as only

the best art can.

Ivy is a true pioneer and trendsetter who's bridged the worlds of hip-hop and poetry through his appearances on HBO's *Def Poetry* and his collaborations with Kanye West and Jay-Z. But throughout his success, he carried with him the pain of being abandoned by his father and growing up in the tough neighborhoods of Chicago's South Side. The 100 Best African American Poems Copper Canyon Press

One of America's most celebrated poets challenges us with this powerful and deeply personal collection of verse that speaks to the injustices of society while illuminating the depths of her own heart. For more than fifty years, Nikki Giovanni's poetry has dazzled and inspired readers. As sharp and outspoken as ever, she returns with this profound book of poetry in which she continues to call attention to injustice and racism, celebrate Black culture and Black lives, and give readers an unfiltered look into her own experiences. In *Make Me Rain*, she celebrates her loved ones and unapologetically declares her pride in her Black heritage, while exploring the enduring impact of the twin sins of racism and white nationalism. Giovanni reaffirms her place as a uniquely vibrant and relevant American voice with poems such as "I Come from Athletes" and "Rainy Days"—calling out segregation and Donald Trump; as well as "Unloved (for Aunt Cleota)" and "'When I Could No Longer"—her personal elegy for the relatives who saved her from an abusive home life. Stirring, provocative, and resonant, the poems in *Make Me Rain* pierce the heart and nourish the soul.

The classic poem, *Goblin Market* (1862) by Christina Rossetti, tells the story of Lizzie and Laura, who are tempted by the fruit sold by the goblin merchants. In this fully illustrated and beautiful volume, illustrator Georgie McAusland brings the words and story to life. Breathing new life into the Victorian tradition of illustrated poems, this book reads like a picture story book. The stunning illustrations illuminate and drive the narrative forward as in all good story books. It tells the tale of the two sisters drifting apart as Laura succumbs to the forbidden fruit sold by the goblins, but

the bonds of sisterhood prove strong. The poem has fascinated for generations and been the subject of various interpretations. This illustrated version brings the words and story alive for a new generation. Christina Rossetti is considered the foremost female poet of her time, and her poetry still resonates with women's lives today, as she entwines themes of sexuality, sisterhood, love and temptation in her work. All of these themes are encapsulated in *Goblin Market*. The book includes an introduction to the poem by novelist Kirsty Gunn, so all readers - for pleasure or study - can understand its riches.
