"Examines the influence of Billy Graham's interpretations of Daniel and Revelation in connection with the inclusion of "under God" in the USA's Pledge of Allegiance, a move that continues to affect contemporary laws and legislation"--

How to Stay Christian in Seminary

HarperChristian + ORM

A Theology for Christian Education, written by dedicated professors of Christian Explain and defend the rationale for the influence of theology in Christian educational theory; Describe the process of forming a theologically informed theory

of Christian education; Provide educational insights from a theological rubric and Present the praxis approach (theology/theory informed practice) for teaching and Christian education.

Graduate Programs in Business, Education, Information Studies, Law & Social Work 2015 (Grad 6) Baker Books

Originally published in 1996 Religious Higher Education in the United States looks at the issue of higher education and a lack of a clearly articulated purpose, an issue particularly challenging to religiously-affiliated institutions. This volume attempts to address the problems currently facing denomination-affiliated institutions of higher education, beginning with an introduction to government aid and the regulation of religious colleges and universities in the US. The greater part of the volume consists of 24 chapters,

each of which begins with a historical essay followed by annotated bibliographical entries covering primary and secondary sources dating back to 1986 on various denomination-connected institutions.

Liberty Bible Commentary Crossway

The volumes in this set, originally published between 1964 and 2002, draw together research by leading academics in the area of higher education, and provide a rigorous examination of related key issues. The volume examines the concepts of learning, teaching, student experience and administration in relation to the higher education through the areas of business, sociology, education reforms, government, educational policy, business and religion, whilst also exploring the general principles and practices of higher education in various countries. This set will be of

particular interest to students and practitioners of education, politics and sociology.

21st Century Pastor

ReadHowYouWant.com

An authoritative guide to accurately interpreting and applying God's Word In this second edition of *Invitation to Biblical Interpretation*, Andreas Kostenberger leads the reader step-by-step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad, which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources, as well as the sources cited throughout, and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

The Book that Made Your World Brazos Press

John Piper pleads with fellow pastors to abandon the professionalization of the pastorate and pursue the prophetic call of the Bible for radical ministry.

Cross-Cultural Servanthood Zondervan Seminary is dangerous. Really dangerous. The hard truth is that many seminarians enter pastoral ministry feeling drained, disillusioned, and dissatisfied. But the problem isn't with the faculty or the material. Rather, the most perilous danger to the soul of the pastor-in-training is the sin residing deep within his own heart. Drawing on their years of pastoral ministry and seminary experience, David Mathis and Jonathan Parnell take a refreshingly honest look at this oft-neglected—yet all too common—experience, offering real-world advice for students eager to survive seminary with their faith intact. In seven short but challenging chapters, the authors remind readers of the foundational role of the gospel in the life of ministry, equipping them with the keys to grow in their faith while making the most of their

education.

Citizens in a Strange Land Penn State Press

What to do when they say they're Christian but don't know Jesus Whether it's the Christmas and Easter Christians or the faithful church attenders whose hearts are cold toward the Lord, we've all encountered cultural Christians. They'd check the Christian box on a survey, they're fine with church, but the truth is, they're far from God. So how do we bring Jesus to this overlooked mission field? The *Unsaved Christian* equips you to confront cultural Christianity with honesty, compassion, and grace, whether you're doing it from the pulpit or the pews. This practical guide will: show you how to recognize cultural Christianity teach you how to overcome the barriers that get in the way give you easy-to-understand advice about VBS, holiday services, reaching "good people," and more! If you've ever felt stuck or unsure how to minister to someone who identifies as Christian but still needs Jesus, this book is for you.

The World and the Word Peterson's Every theology student has to write a research paper, but many do not know how to go about doing theological research. In this brief guide, Michael Kibbe introduces students to the basics of academic research, including how to gather and engage different sources, use online databases and bibliography software, and avoid common mistakes.

Routledge Library Editions: Higher Education Routledge

Leading evangelical scholar Millard Erickson offers a new edition of his bestselling textbook, now substantially updated and revised throughout. This edition takes into account feedback from professors and students and reflects current theological conversations, with added material on the atonement, justification, and divine foreknowledge. Erickson's comprehensive introduction is biblical, contemporary, moderate, and fair to various positions, and it applies doctrine to Christian life and ministry.

Christian Theology B&H Publishing Group *Basics of the Biblical Greek* is an entirely new, integrated approach to teaching and learning New Testament Greek. It makes learning Greek a natural process and shows from the very beginning how an understanding of Greek helps in understanding the New Testament. *Basics of Biblical Greek*: combines the best of the deductive and the inductive approaches, explains the basics of English grammar before teaching Greek grammar, uses from the very beginning parts of verses

from the New Testament instead of 'made-up' exercises, includes at the beginning of every lesson a brief devotional, written by a well-known New Testament scholar, that demonstrates how the principles taught in the lesson apply directly to an understanding of the biblical text, is the most popular first-year Greek course used in colleges and seminaries today, comes with an interactive study aid CD-ROM, containing an eight-minute greeting from the author and the fun, helpful, and graphical vocabulary-memorizing program 'Learning the Basics of Biblical Greek' (runs on Power Mac and Windows 95), where you can hear Greek words pronounced and sung in more than 200 familiar hymns. The CD-ROM also contains the powerful Greek vocabulary-drilling programs *Flashworks(TM)* and *Parseworks* from Teknia Language Tools (runs on Macintosh and Windows 3.1 and 95). A separate workbook is also available. And complimentary teacher helps are located on the author's website (<http://www.homeschooling.org>).

Stealing from God Routledge

A revised workbook to accompany *Grasping God's Word* textbook on reading, interpreting, and applying the Bible for college students and other serious readers.

The Holy Spirit InterVarsity Press

In *Citizens in a Strange Land*, Hermann Wellenreuther examines the broadsides—printed single sheets—produced by the Pennsylvania German community. These broadsides covered topics ranging from local controversies and politics to devotional poems and hymns. Each one is a product of and reaction to a particular historical setting. To understand them fully, Wellenreuther systematically reconstructs Pennsylvania's print culture, the material conditions of life, the problems German settlers faced, the demands their communities made on the individual settlers, the complications to be overcome, and the needs to be satisfied. He shows how these broadsides provided advice, projections, and comment on phases of life from cradle to grave.

Religious Higher Education in the United States Baker Academic

Putting Jesus in His Place is designed to introduce Christians to the wealth of biblical teaching on the deity of Christ and give them the confidence to share the truth about Jesus with others.

Library of Congress Subject Headings

Moody Publishers

Christians are often thought of as defending only their own religious interests in the public square. They are

viewed as worrying exclusively about the erosion of their freedom to assemble and to follow their convictions, while not seeming as concerned about publicly defending the rights of Muslims, Hindus, Jews, and atheists to do the same. Andrew T. Walker, an emerging Southern Baptist public theologian, argues for a robust Christian ethic of religious liberty that helps the church defend religious freedom for everyone in a pluralistic society. Whether explicitly religious or not, says Walker, every person is striving to make sense of his or her life. The Christian foundations of religious freedom provide a framework for how Christians can navigate deep religious difference in a secular age. As we practice religious liberty for our neighbors, we can find civility and commonality amid disagreement, further the church's engagement in the public square, and become the strongest defenders of religious liberty for all. Foreword by noted Princeton scholar Robert P. George.

An Introduction to the Old Testament
Zondervan

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, *The Book That Made Your World* will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the

misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: "This is an extremely significant piece of work with huge global implications. Vishal brings a timely message." (Ravi Zacharias, author, *Walking from East to West and Beyond Opinion*) "In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Lewis Foundation) "Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization." (George Marsden, professor, University of Notre Dame; author, *Fundamentalism and American Culture*)

Grasping God's Word Harper Collins
An upper-level introduction to the Old Testament that offers students a thorough understanding of three key issues: historical background, literary analysis, and theological message. This second edition of *An Introduction to the Old Testament* integrates recent developments in Old Testament scholarship. It has many distinctive features that set it apart from other introductions to the Old Testament: It's committed to a theologically evangelical perspective. Emphasizes "special introduction"—the study of individual books. Interacts in an irenic spirit with the historical-critical method. Features points of research history and representative scholars rather than an exhaustive treatment of past scholarship. Deals with the meaning of each book, not in isolation but in a canonical context. Probes the meaning of each book in the setting of its culture. Including callouts, charts, and graphs, *An Introduction to the Old Testament* is written with an eye to understanding the nature of Old Testament historiography. Perfect for seminary students, professors, and Bible

teachers and ministry leaders, as well as anyone looking for an in-depth and balanced approach to Old Testament study.

The Conviction to Lead Peterson's
Many today are discarding the evangelical label, and as a lifelong evangelical, Dan Stringer has wrestled with whether to stay or go. In this even-handed guide, he offers a thoughtful appreciation of evangelicalism's history, identity, and strengths, but also lament for its blind spots, showing how we can move forward with hope for our future together.

Brothers, We are Not Professionals
Zondervan Academic

Teachings from the Gospel of John Many Christians are familiar with the prophetic voice of Tozer, but few living today were blessed to sit under his weekly teaching from the pulpit. The Gospel of John was Tozer's favorite book of the Bible, and the focus of these writings (adapted from sermons given to his parishioners) is the Incarnation and what it means for believers' lives. Christ came down to earth in order to lift men and women up into the heaven lies. No other New Testament writer, not even the amazing apostle Paul, presents Christ with a passion equal to Tozer's, the Beloved. Tozer captures the spirit of John and presents his winsome and enthralling portrait of Christ, challenging readers to discover a fresh and overwhelming desire for Him. Readers will be captivated anew by the One we call Lord. Available Fall 2009!.
