INGRID RIYA

A Short History of Ethiopia and the

Horn Springer
ECPA Christian Book
Award Finalist Your
Battle against Porn
Isn't about Porn. It's
about Hope.
Pornography may

seem inescapable, but
God can free us from
its destructive power.
The gospel replaces
the dehumanizing lies
of pornography with
this surprising truth:
God created us as
royalty. How then can
we reclaim our God-
given identity to take a
stand against—and
ultimately starve—the
predatory porn

industry? In *The Death of Porn*, Ray Ortlund writes six personal letters, as from a father to his son. Ideal for individuals and small groups, it will give hope to men who have been misled by porn into devaluing themselves and others. Through Scripture and personal stories, Ortlund assures readers that God loves them the most tenderly in their moments of deepest shame. *The Death of Porn* inspires men to come together in new ways to fight the injustice of porn and build a world of nobility for every man and woman—for the sake of future generations.

An exploration of how contemporary Ethiopian Orthodox Christianity preserves and protects sacred ideas and relationships “Ethiopia stretches her hand upon God,” the narrative of Sheba and Solomon, the material presence of the Ark of the Covenant in Axum. For Ethiopian Orthodox Christians, these classic understandings of the covenant are prized narratives. For historical and scriptural scholarship, a central focus is to explain the characteristics of

Ethiopian Orthodox Christianity as retaining key “Old Testament” qualities to demonstrate a wide chasm with post-Enlightenment, secular societies. By widening the lens of analysis to include a body of knowledge best accessed through Orthodox Christian devotional culture, *The Covenant’s Veil* offers an interpretation that challenges the reader to adopt a novel understanding of these well-established ideas. The multiple, complex ways that the covenant idea appears as ideas, idioms, customs, symbols, and articulations in the lifeworld of Ethiopian Orthodox are the starting point for *The Covenant’s Veil*. Ethiopia’s story of the covenant is a domain

of nested reference points that inspires celebrants, through their devotional activities, to expand and elaborate upon a network of meanings. Covenant refractions within Ethiopian Orthodox devotional culture not only demonstrate the established pattern of magnifying spiritual importance through symbolic similes and analogic pairings, but perform a vital function for keeping traditional knowledge alive and current. Detailed ethnographic material arranges devotional activities such as mahaber rituals of communing and processions of tabots on feast days. It describes habits of making vows, presenting oneself at church, and telling

stories of saints and their covenants. Thinking about the covenant concept as refracting—the bending motion of points encountering a common surface—is a way to conceive how these reference points reveal a connective thread, what is theorized as an Ethiopian Orthodox method of elaboration. Identifying when and where elaboration of tradition is happening provides an opportunity to demonstrate how Orthodox Christianity is integral to the lives and actions of its faithful. By reframing covenant as expanding beyond Ethiopian religious and political exceptionalism, *The Covenant's Veil* provides us with a timely reappraisal of

this concept in light of increased social fragmentation and the urgency for negotiating harmony in a country with many forms of diversity.

Ancient Near Eastern Themes in Biblical Theology

Moody Publishers

At a time when America debates its values and the world braces for religious war, Bruce Feiler, author of the New York Times bestsellers *Walking the Bible* and *Abraham*, travels ten thousand miles through the heart of the Middle East—Israel, Iraq, and Iran—and examines the question: Is religion tearing us apart ... or can it bring us together? *Where God Was Born* combines the adventure of a wartime chronicle, the

excitement of an archaeological detective story, and the insight of personal spiritual exploration. Taking readers to biblical sites not seen by Westerners for decades, Feiler's journey uncovers little-known details about the common roots of Judaism, Christianity, and Islam, and affirms the importance of the Bible in today's world. In his intimate, accessible style, Feiler invites readers on a never-in-a-lifetime experience: Israel Feiler takes a perilous helicopter dive over Jerusalem, treks through secret underground tunnels, and locates the spot where David toppled Goliath. Iraq After being airlifted into Baghdad, Feiler visits the Garden of Eden

and the birthplace of Abraham, and makes a life-threatening trip to the rivers of Babylon. Iran Feiler explores the home of the Bible's first messiah and uncovers the secret burial place of Queen Esther. In *Where God Was Born*, Feiler discovers that at the birth of Western religion, all faiths drew from one another and were open to coexistence. Feiler's bold realization is that the Bible argues for interfaith harmony. It cannot be ceded to one side in the debate over values. Feiler urges moderates to take back the Bible and use its powerful voice as a beacon of shared ideals. In his most ambitious work to date, Bruce Feiler has written a brave, uplifting story that stirs

the deepest chords of our time. *Where God Was Born* offers a rare, universal vision of God that can inspire different faiths to an allegiance of hope.

RosettaBooks

Native Colonialism

Native Colonialism examines the cause and consequence of native colonialism, the process whereby a country colonises itself with foreign institutions and ideals. The book draws its evidence from a variety of Ethiopian sources that have rarely been studied or utilised in academic research. It provides never-before seen interpretations of indigenous sources of knowledge and features ground breaking empirical research on traditional and modern schools in the county, as well as

interviews with students, teachers and traditional leaders.

Amharic Ethiopian Orthodox Bible

Kregel Academic
Tracing parallels between biblical accounts and pagan cultures of the ancient Near East, Niehaus explores creation and flood narratives; literary and legal forms; and the acts of deities and the God of the Bible. He reveals not just cultural similarities but spiritual dimensions of common thought and practice, providing an overarching view of the story of the Bible. - Publisher.

Native Colonialism

Hassell Street Press
The global church is facing a discipleship crisis. Here's how we move forward into transformative

discipleship... Pastors and church leaders want to see lives changed by the gospel. They work tirelessly to care for people, initiate new ministries, preach creatively, and keep up with trends. Sadly, much of this effort does not result in deeply changed disciples. Traditional discipleship strategies fail because they only address surface issues and do not go deep enough into the emotional health of individuals. But transformative, emotionally healthy discipleship is a methods-based biblical theology that, when fully implemented, informs every area of a church, ministry, or organization. It is a discipleship structure built from the center that: Slows down our

lives so we can cultivate a deep, personal relationship with Jesus. Challenges the values of Western culture that have compromised the radical call to follow the crucified Jesus. Integrates sadness, loss, and vulnerability, that, when left out, leave people defensive and easily triggered. Acknowledges God's gift of limits in our lives. Connects how our family and personal history influence our discipleship in the present. Measures our spiritual maturity by how we are growing in our ability to love others. In *Emotionally Healthy Discipleship*, bestselling author Pete Scazzero takes leaders step-by-step through how to create an emotionally healthy

culture and multiply deeply-changed people in every aspect of church life, including: Leadership and team development Marriage and single ministry Small groups and youth and children's ministry Preaching, worship, and administration Outreach Complete with assessments and practical strategies, Emotionally Healthy Discipleship will help you move people to the beneath-the-surface discipleship that actually has the power to change the world. **Winner of the 2022 ECPA Christian Book Award for Ministry Resources** [The Origin of Amharic](#) Fordham Univ Press Faith is the means by which we understand "the worlds were framed by the word of

God, so that the things which are seen were not made of things which are visible" (Heb 1:2-3)

 ÔBlessed are thou that does seeth the depths, seated upon the Cherubim
 Established By Qedamawi Haile Selassie For His Coronation Nov. 2nd, 1930 Upon David Throne and Crowned: The King of Kings and Lord of Lords!
 Conquering Lion of the Tribe of Judah!
 Qedamawi Haile Selassie! Meaning: First Power of the Holy Trinity ð The Father and the Son and the Holy Spirit, One God Amen! Also, Knowing that these four Cherubim, was seen by the Holy prophets carrying the Holy Trinity, See Isaiah 6:1-6, Ezekiel 10:1-22

and St. John Revelation 4:1-11. This same Holy Trinity is now made manifested in Our time as the twenty four elders make knowing to John as he was in tears, and told to wept not, Behold the Lion of the tribe of Judah, the Root of David has prevailed when the Holy angel ask the proclaiming Question of who is worthy to open the book and loose the seven seals! Until the whole world begins to accept the Living truth, the evil will continue but only for a short time, and that is not far away now.

Where Do We Go From Here? Bible Study Guide Ravenio Books
 The Ethiopian Bible is the oldest and most complete bible on earth. Written in Ge'ez an ancient dead

language of Ethiopia it's nearly 800 years older than the King James Version and contains over 100 books compared to 66 of the Protestant Bible. The Ethiopian Bible includes the Books of Enoch, Esdras, Buruch and all 3 Books of Meqabyan (Maccabees), and a host of others that were excommunicated from the KJV. Books of the Ethiopian Bible features 20 of these books that are not included in the Protestant Bible.

The Prayer of the Virgin Mary Harper Collins

Ethiopians Speak:Soddo Crossway

"Grow in the grace and knowledge of our Lord and Savior Jesus

Christ." —2 Peter 3:18

How do Christians grow? Few question the call of the Bible to grow in godliness, but the answer to exactly how this happens is often elusive. In this book, Dane Ortlund points believers to Christ, making the case that sanctification does not happen by doing more or becoming better, but by going deeper into the wondrous gospel truths that washed over them when they were first united to him. Drawing on wisdom from figures throughout church history, Ortlund encourages readers to fix their gaze on Jesus in the battle against sin, casting themselves

upon his grace and living out their invincible identity in Christ.

These pages, written by Dr. Ana Méndez Ferrell, will allow you to understand the spiritual realm and help you penetrate the

most beautiful places and dimensions of the Spirit. You will be guided on how to see and know God, not when you die, but HERE and NOW. This New Edition of Seated in Heavenly Places includes: Two new sections: - Principles of the Kingdom - Principles of Reformation Two new chapters: - The Invisible Dimension of His Kingdom - The Restoration of the Temple

The Old Testament Canon of the New Testament Church

Wipf and Stock Publishers
Taken from his own catechism courses, We Believe: A Simple Commentary on the Catechism of Christian Doctrine by Monsignor A. N. Gilbey was first published anonymously

and became a surprise smash hit. Following the structure of A Catechism of Christian Doctrine, better known as the Penny Catechism, We Believe teaches the Faith in classic question-and-answer form. But where the Penny Catechism excels in its simplicity, We Believe excels in its thoroughness and depth, and in its personal even conversational explanations. Msgr. Gilbey draws from the Scriptures, the rich treasury of Catholic Theology, the writings of the saints, and his own perceptive insights into human nature to lead readers step-by-step to a comprehensive grasp of the Catholic Faith. Msgr. Gilbey divides his lectures into three

categories: Faith, Hope, and Love. Faith covers Divine Revelation, the Trinity, the Incarnation, the Holy Spirit, the Church, the Communion of Saints, forgiveness of sins, the resurrection of the body and life everlasting. Hope addresses Church teachings on grace and prayer, Our Lady, and the Sacraments. Lastly, Charity gives us a rich explanation of the Ten Commandments. With a tender love for both the Church and for his students, and a distinctively English charm, Msgr. Gilbey's *We Believe: A Simple Commentary on the Catechism of Christian Doctrine* is at once engaging, personal, and inspiring. *The Covenant's Veil* Createspace Independent Publishing

The Semitic Languages of Ethiopia

Voice of the Light Ministries, Incorporated
This book is based on over 150 scientific papers about the Dogu'a Tembien district in Ethiopia. To reach a broader public of people interested in geosites and human-environment interactions, the authors here add a geoguide about this mountain district in Ethiopia (13°30' N, 39°10' E; upto 2850 m high) which shows a varied lithology. A large team has carried out research in that district over the past 23 years, including

long stays in the areas. Numerous viewpoints and geosites are only accessible on foot; hence the authors prepared the book as a trekking guide, which will enhance sustainable tourism in the same time. This edited work summarises the study results in the international literature into a comprehensive book, which comprises 35 thematic chapters, detailed description of 573 km of trekking routes to access the landscape and the most scenic excursion points, as well as the necessary logistical information. A state-of-the-art trekking map is included as a digital annex.

The Orthodox Study Bible HarperChristian Resources

This is the first complete English translation of Bealu Girma's classic. Originally published in 1983 in Ethiopia, the novel served as a critical account of the Red Star Campaign, the Communist Derg government's attempt at a final comprehensive victory over the secessionist rebellion in Eritrea. A passionate and turbulent story of love and war, Oromay

mocked high-level members of Ethiopia's communist regime and criticized the Derg's actions in Eritrea. The criticism contained in this incisive political allegory put Bealu in considerable danger owing to the repressive environment in which it was published. The novel was almost immediately banned after publication. Government officials attempted to confiscate all available copies but bootleg versions continued to circulate. In the aftermath, Bealu was fired from his job in Ethiopia's Ministry of Information and a few months later disappeared. It is generally believed that he was abducted and killed on the orders of government officials in retaliation for Oromay.

Bealu's life had a dramatic arc of its own. Born in rural Ethiopia to an Ethiopian mother and Indian father, he was a graduate of Addis Ababa University and later studied journalism in the United States. In addition to serving as editor of several of Ethiopia's most respected magazines and newspapers (including Addis Zemen and The Ethiopian Herald) he also worked as a civil servant in Ethiopia's Ministry of Information. This position allowed him access to government officials during both the Imperial and Communist governments. Prior to Oromay, he wrote five other popular and critically-acclaimed Amharic-language novels: Beyond the

Horizon, The Bell of Conscience, The Call of the Red Star, Haddis, and The Author. His integrity as a journalist, courageous criticism of repressive regimes, and martyrdom to the cause of literary freedom make him a significant figure in modern Ethiopian history and Amharic literature.
