Club Life in Moominvalley Macmillan Children's Books
Taking the reader from Glasgow to Lagos and beyond, Red Dust Road is a heart-

stopping memoir, a story of parents and siblings, friends and strangers, belonging and beliefs, biology and destiny. With an introduction by the First Minister of Scotland, Nicola Sturgeon. From the moment when, as a little girl, she realizes that her skin is a different colour from that of her beloved mum and dad, to the tracing and finding of her birth parents, her Highland mother and Nigerian father, Jackie Kay's journey in Red Dust Road is one of unexpected twists, turns and deep emotions. In a book remarkable for its warmth and candour, she discovers that

inheritance is about much more than genes: that we are shaped by songs as much as by cells, and that what triumphs, ultimately, is love. 'Like the best memoirs, this one is written with novelistic and poetic flair. Red Dust Road is a fantastic, probing and heart-warming read' - Independent

Lewis Carroll's Alice in Wonderland

Macmillan Children's Books

Nightside the Long Sun is the beginning of the science fiction masterpiece from Gene Wolfe, *Book of the Long Sun* Life on the Whorl, and the struggles and triumphs of Patera Silk to satisfy the demands of the gods, will captivate readers yearning for something new and different in science fiction, for the magic of the future.

Enormous in breadth and scope, Wolfe's ambitious new work opens out into a world of wonders, of gods and humans, aliens and machines, and mysterious adventures far out in space and deep inside the human spirit. It is set on a ship-world whose origins are shrouded in legend, ruled by strange gods who appear infrequently to their worshippers on large screens, and peopled by a human race changed by eons of time, yet familiar. THE TOVE JANSSON CLASSIC IN A NEW SOFTCOVER FORMAT Due to the resounding success of the hardcover Moomin comics by Tove Jansson and Lars Jansson, D+Q is reissuing this classic comic in an all-new format. Available in an affordable kid-proof but kid-friendly flexicover, and in full color for the first time, these books are slimmer versions of the hardcovers, with one story in each volume while previous editions collected four. Moomin's Winter Follies Moomin wakes up one morning to find the pond frozen over, and rather than hibernate, the family decides to brave the winter weather. At first, their wintry adventure seems to be going swimmingly, until Mr. Brisk of the Great Outdoors Club takes over and forces everyone to embrace the winter sports, whether they want to or not.

Pan Macmillan

A classic short story collection from the writer called Sweden's Stephen King that continues the breathtaking story begun in the internationally acclaimed classic *Let the Right One In*. Because of the two superb films made of John Ajvide Lindqvist's vampire masterpiece *Let the Right One In*, millions of people around the world know the story of Oskar and Eli and of their final escape from Blackeberg at the end of the novel. Now at last, in "*Let*

the Old Dreams Die," the title story in this absolutely stunning collection, we get a glimpse of what happened next to the pair. Fans of Let the Right One In will have to read the story, which is destined to generate much word of mouth both among fans and online. "Let the Old Dreams Die" is not the only stunner in this collection. In "Final Processing," Lindqvist also reveals the next chapter in the lives of the characters he created in Handling the Undead. "Equinox" is a story of a woman who takes care of her neighbor's house while they are away and readers will never forget what she finds in the house. Every story meets the very high standard of excellence and fright factor that Lindqvist fans have come to expect. Totally transcending genre writing, these are world class stories from possibly the most impressive horror writer writing today.

"The Nanny kept me in white-knuckled suspense until the very last page. Gilly Macmillan's breakout thriller is a dark and twisted version of *Downton Abbey* gone very, very wrong." — Tess Gerritsen, New York Times bestselling author
The New York Times bestselling author of *What She Knew* conjures a dark and unpredictable tale of family secrets that explores the lengths people will go to hurt one another. When her beloved nanny, Hannah, left without a trace in the summer of 1988, seven-year-old Jocelyn Holt was devastated. Haunted by the loss, Jo grew up bitter and distant, and eventually left her parents and Lake Hall, their faded aristocratic home, behind. Thirty years later, Jo returns to the house and is forced to confront her troubled relationship with her mother. But when human remains are accidentally uncovered in a lake on the estate, Jo begins to question everything she thought she knew. Then an unexpected visitor knocks on the door and Jo's world is destroyed again. Desperate to piece together the gaping holes in her memory, Jo must uncover who her nanny really was, why she left, and if she can trust her own mother... In this

compulsively readable tale of secrets, lies, and deception, Gilly Macmillan explores the darkest impulses and desires of the human heart. Diabolically clever, *The Nanny* reminds us that sometimes the truth hurts so much you'd rather hear the lie.
