Schumann -- Scenes from Childhood

Alfred Music

(Music Sales America). Oscar Rieding's Air Varie Op. 23 No. 3 for violin with piano accompaniment.

Kinderszenen op. 15 Legare Street Press

Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are

republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.

Schumann - Kinderszenen Op.15 Alfred Music Publishing

"Something in the Water" is an inspiring testimony of spiritual reawakening from country music's reigning queen, Carrie Underwood. Capturing the uplifting mood of the song, this collectible sheet features lyrics, vocal melody, piano accompaniment, and guitar chord diagrams.

Unity in Robert Schumann's Kinderszenen,

Op. 15 as Determined Through a Study of Voice Leading, Harmony, Motive and Narrative READ BOOKS

My First Bach and My First Mozart are now followed by a third edition of easy-to-play original works from one of the most important composers of the Romantic era: Robert Schumann. This collection includes pieces from Album for the Young and Scenes from Childhood, enabling young players to experience Romantic piano music for the first time. Ideal for teaching the first use of the pedal, pupils can learn how to play expressively and to

distinguish between melody and accompaniment.

יִמְנֵי שְׁבַתִּי צְבִי Schott Music

Easy Classics to Moderns Compiled and Edited by Denes Agay These 142 pieces by the masters of piano literature date from the second half of the 17th century to the present day.

Scenes from Childhood Op. 15 for Piano Rt Books

One of the most remarkable scholarly publishing projects of its kind, the Edition Peters Robert Schumann piano series by Hans Joachim Köhler provides the best possible text to explore this infinitely poetic and inspired repertoire. Apart from its beautifully presented notation, carefully considered with the performer's needs foremost in mind, each volume contains an extensive commentary and concluding essay detailing the historical context and

editorial process for each work. This volume contains one of Schumann's most famous pieces for, and about, children - Scenes from Childhood (Kinderszenen) reflects profoundly on what it means to be young.

The Classical Era: An Introduction to the Keyboard Music Alfred Music

(Guitar). The edition Schumann for Guitar is an interesting attempt to transfer Robert Schumann's romantic, lyrical music to the guitar. As a consequence, new tonal possibilities present themselves for the guitar repertoire, particularly in view of the fact that Schumann himself never composed an original piece for guitar. This volume naturally contains pieces from the famous piano cycles Album fur die Jugend, Kinderszenen and Albumblätter, but also some lieder like Mondnacht and Im wunderschönen Monat Mai. Special highlights of the volume are the original Schumann transcriptions by Francisco Tarrega (1852-1909) which prove that guitarists studied Schumann's music as early as the 19th century. Schumann for Guitar is ideal for concerts and music lessons, but also for private music-making. The pieces are of easy to intermediate

technical difficulty so that even amateur guitar players will enjoy the pieces!

Woodland Sketches (Classic Reprint)

Oxford University Press

A girl and her neighbor grow a community from their garden. Grace thinks Larry's garden is one of the wonders of the world.

In his tiny backyard, Larry grows extraordinary vegetables, with Grace as his helper. They water and weed, plant and prune, hoe and harvest. And whenever there's a problem, Grace and Larry solve it together. Grace soon learns that Larry has big plans for the vegetables in his garden. And when the garden faces its biggest problem yet, Grace follows Larry's example to find the perfect solution. Amazing things can grow when you tend your garden with kindness.

An Introduction to His Piano Works Praeger
Whereas Schumann composed the Album for the Young for children, his Scenes from Childhood (Kinderszenen) are reflections of childhood for adults. Like many of his character pieces, Schumann notes that the 13 selections in this set were composed before their titles were assigned. Palmer's scholarly edition includes a table of suggested tempos for the works taken

from early editions and from the recorded performances of various artists.

My First Schumann G Schirmer

Incorporated

A fascinating history of the piano explored through 100 pieces chosen by one of the UK's most renowned concert pianists "Tomes . . . casts her net widely, taking in chamber music and concertos, knotty avant-garde masterworks and (most welcome) jazz."--Richard Fairman, Financial Times, "Best Books of 2021: Classical Music" "[One of] the most beautiful books I got my hands on this year. . . . About the shaping of this maddening, glorious, unconquerable instrument."--Jenny Colgan, Spectator, "Books of the Year" An astonishingly versatile instrument, the piano allows just two hands to play music of great complexity and subtlety. For more than two hundred years, it has brought solo and collaborative music into homes and concert halls and has inspired composers in every musical genre--from classical to jazz and light music. Charting the development of the piano from the late eighteenth century to the present day, pianist and writer Susan Tomes takes the

reader with her on a personal journey through 100 pieces including solo works, chamber music, concertos, and jazz. Her choices include composers such as Bach, Mozart, Beethoven, Robert Schumann, Tchaikovsky, Debussy, Gershwin, and Philip Glass. Looking at this history from a modern performer's perspective, she acknowledges neglected women composers and players including Fanny Mendelssohn, Maria Szymanowska, Clara Schumann, and Amy Beach.
