New York Times bestselling author Tim Green has written an unforgettable story—inspired by interviews with real-life cancer survivors and insider sports experience—showing a brave boy who learns what it truly means to be unstoppable. "Absolutely heroic, and something every guy should read." — National Ambassador for Young People's Literature emeritus Jon Scieszka If anyone understands the phrase "tough luck," it's Harrison. As a foster kid in a cruel home, he knows his dream of one day playing in the NFL is a long shot. Then Harrison is brought into a new home with kind, loving parents—his new dad is even a football coach. Harrison's big build and his incredible determination quickly make him a star running back on the junior high school team. On the field, he's practically unstoppable. But Harrison's good luck can't last forever. When a routine sports injury leads to a devastating diagnosis, it will take every ounce of Harrison's determination not to give up for good. With hundreds of thousands of devoted readers, Tim Green's books are the perfect mix of accessible and heartwarming. "I don't know anyone—kid or adult—who won't root heart and soul for Harrison. Unstoppable means you can't put this book down!" —bestselling author Gordon Korman

However your past has shaped you, your future is yours to shape, and if you want to shape it for success, you'll find no better coach than Alden Mills. Using the power of a parable and his own experiences as a Navy SEAL and accomplished entrepreneur, Mills shares his proven framework for success as embodied by the action-based acronym UPERSIST: Understand the why; Plan in three dimensions; Exercise to execute; Recognize your reason to believe; Survey your habits; Improvise to overcome; Seek expert advice; and Team up. At the core of *Be Unstoppable* is the parable of a young skipper who meets a remarkable, seasoned captain. This chance meeting changes the young skipper's direction in life, setting him on course to identify and achieve his dreams. Each chapter concludes with action steps distilled from the story and from Alden's experiences as a U.S. Navy SEAL Commander and a business leader and entrepreneur. You see others who have the things you want money, joy, success and suppose that they were born with special talent or into a family which made these things easy to attain. They are just lucky. What you don't know is that there is a methodology to success. *BE UNSTOPPABLE* contains a system to gain this vital skillset.

How to Become Unstoppable Harper Collins

Ready or not, you are in the run of your life. Whether you run like lightning, or crawl at a snail's pace, God has chosen you to run the race set before you. His word calls to you: "Let us throw off everything that hinders...let us run with perseverance the race marked out for us, fixing our eyes on Jesus, the pioneer and perfecter of faith." (Heb 12:1-2) Not an athlete? Doesn't matter. Still warming

up? The race has already begun. Winded and limping? Keep moving forward. Stumbled or fallen? You have not been disqualified. Or maybe, while running in perfect stride, you've hit daunting obstacles. Do not give up! Why? Because this isn't a one-person race. It's a relay. You are not alone, but are part of a team assembled by God to achieve his purposes. And God is unstoppable. Fortunately, God has not left you on our own to muddle through the race untrained. His word and his story written into the lives of believers are filled with the wisdom to train you to successfully run the divine relay. Discover how to receive your baton, how to grasp firmly and carry forward all that God entrusts to you—his uncompromising truth, his piercing light, his radical change, his world-transforming love. And be trained in how to release what is no longer yours to carry so that every member of God's team can press on toward the goal to win the prize for which God has called us heavenward in Christ Jesus. In *Unstoppable*, best-selling author, global evangelist, and human-trafficking activist, Christine Caine, mesmerizes us with true stories and eternal principles that equip us to run the race we were born to win, receiving and releasing the baton of faith in sync with our team, the body of Christ. God has plucked us out of eternity, positioned us in time, and given us gifts and talents to serve him in this generation to bring the light of Jesus Christ into a broken world. Our race is now. This is our time in history. We've been handed the baton of faith and asked to carry that light and dispel the darkness. If we receive and pass on the baton in the divine relay, we will be unstoppable.

Over the next decade, two out of every three companies will face the challenge of their corporate lives: redefining their core business. Buffeted by global competition and facing an uncertain future, more and more executives will realize that they must make fundamental changes in their core even as they continue delivering the goods and services that keep them in business today. *Unstoppable* shows these managers how to look deep within their organizations to find undervalued, unrecognized, or underutilized assets that can serve as new platforms for sustainable growth. Drawing on more than thirty interviews with CEOs from companies such as De Beers, American Express, and Samsung, it shows readers how to recognize when the core needs reinvention and how to deploy the "hidden assets" that can be the basis for tomorrow's growth. Building on the author's previous books, *Profit from the Core* and *Beyond the Core*, this book shows how any company in crisis can transform itself to become truly unstoppable.

Three-time Navy SEAL platoon commander and founder of Perfect Fitness reveals how to put together teams that can accomplish any objective—by leveraging an unexpected set of values and priorities. SEALs and civilians operate in extremely different environments, but what makes both kinds of teams excel comes down to the same thing: service to others, trust, empathy, and a caring environment. Alden Mills has experience working in both the military and the private sector, as a SEAL platoon commander and as a startup founder of Perfect Fitness. He's seen firsthand what it takes to lead an unstoppable team of individuals. Teams are nothing more than a series of interconnected relationships with a collective, single-minded focus. Success almost never depends on individual talent and valor; instead, Alden Mills shows, it depends, first, on creating a strong foundation for yourself and, second, using that foundation to help others go beyond their individual pursuits and talents to create something bigger and better—an unstoppable team. Unstoppable Teams show managers at every level, at both large and small organizations, including private, public, and nonprofit, how to inspire, motivate, and lead the people around them. Mills draws on stories from his own experiences to impart these surprising team-building lessons: Too many people mistake groups of individuals for a team. No two people are alike, but we all have the same genetic drivers that motivate us—our will to survive, our ego-driven desire for personal gain, and our soul-driven yearning to be a part of something greater than ourselves. When we override our fears about survival, we can focus on our desire to thrive. The more you care for your teammates, the more they will dare for the team. Great ideas are not reserved for a select few—true teams embrace diversity of thought to find winning ideas. These lessons aren't exclusive to the Navy SEALs; they are used by successful entrepreneurs, nonprofit leaders, coaches, and sport captains—and now you can master them too. Unstoppable Teams is the handbook for how to build care-based teams that will push people to achieve more than they ever thought possible.

Just as World War II called an earlier generation to greatness, so the climate crisis is calling today's rising youth to action: to create a better future. In UNSTOPPABLE, Bill Nye crystallizes and expands the message for which he is best known and beloved. That message is that with a combination of optimism and scientific curiosity, all obstacles become opportunities, and the possibilities of our world become limitless. With a scientist's thirst for knowledge and an engineer's vision of what can be, Bill Nye sees today's environmental issues not as insurmountable, depressing problems but as chances for our society to rise to the challenge and create a cleaner, healthier, smarter world. We need not accept that transportation consumes half our energy, and that two-thirds of the energy you put into your car is immediately thrown away out the tailpipe. We need not accept that dangerous emissions are the price we must pay for a vibrant economy and a comfortable life. Above all, we need not accept that we will leave our children a planet that is dirty, overheated, and depleted of resources. As Bill shares his vision, he debunks some of the most persistent myths and misunderstandings about global warming. When you are done reading, you'll be enlightened and empowered. Chances are, you'll be smiling, too, ready to join Bill and change the world. In Unstoppable: Harnessing Science to Change the World, the New York Times bestselling author of

Undeniable: Evolution and the Science of Creation and former host of "Bill Nye the Science Guy" issues a new challenge to today's generation: to make a cleaner, more efficient, and happier world. Praise for UNDENIABLE: "With his charming, breezy, narrative style, Bill empowers the reader to see the natural world as it is, not as some would wish it to be. He does it right. And, as I expected, he does it best." -Neil deGrasse Tyson, Ph.D, host of COSMOS "Bill Nye, 'the Science Guy,' has become a veritable cultural icon....[T]he title of his new book on evolution...[is] 'Undeniable,' because, yes, there are many Americans who still deny what Darwin and other scientists long ago proved." -Frank Bruni, The New York Times "With a jaunty bow tie and boyish enthusiasm, Bill Nye the Science Guy has spent decades decoding scientific topics, from germs to volcanoes, for television audiences....In his new book, Nye delights in how [evolution] helps to unlock the mysteries of everything from bumblebees to human origins to our place in the universe." -National Geographic "When it comes to Bill Nye, 'Science Guy' doesn't even begin to cover it. When he's not being summoned to act as a voice of reason for news outlets or leading meetings as CEO of the Planetary Society, he is living the life of a best-selling author....His recently published book, 'Undeniable: Evolution and the Science of Creation,' enlightens readers while using a conversational, educational tone. After all, it's his ability to break down even the most complicated topics into bite-size pieces that made him such a hit on his '90s children's show 'Bill Nye, the Science Guy.'" -The Boston Globe "Mr. Nye writes briskly and accessibly...[and] makes an eloquent case for evolution."-The Wall Street Journal "Because [Bill Nye is] a scientist, he has no doubts that the 'deniers' of evolution are flat wrong. And because he's a performer, his book is fun to read and easy to absorb." -The Washington Post "Ignite your inner scientist when Nye, known for delivering geeky intel with clarity and charm, takes on one of society's most hotly debated topics (yes, still)." -Time Out New York

Those who get unstuck, become unstoppable. Do you ever feel like you are stuck in your current situation? Are you living a life fueled by faith, or are you barely functioning on fumes? How do you practically get unstuck and become unstoppable? This book will tell you on every page that if you have breath in your lungs, God has a plan for your life a plan that is far better, bigger, and immeasurably more than anything you have ever imagined. Jesus wants you to become unstuck, so that you can become unstoppable. In order for you to do that, the author is deeply convinced that there are four areas of your life that need to be closely examined and skillfully investigated. In *Forward*, Bogdan Kipko contends that the same God who can move mountains can do even greater miracles through your life. Kipko reminds us that long before we existed, Jesus created a plan for our existence. The message of *Forward* will make being stuck the exception (rather than the norm) and re-align us to move forward by faithfully following Jesus.
