How can there be any such thing as "An Honest Thief"? I know Astafy has stolen my coat so why can't he just admit it? 'An Honest Thief' tells the story of Astafy Ivanovich, who takes up lodging in the narrator's house. When the narrator's coat is stolen, Astafy recalls the story of a thief he once gave shelter to, and a similar theft. With a careful depiction of

the thief's psychological and drunken state, and the situations that he finds himself in, Dostoevsky paints a realistic picture of the human condition. His characters are always torn between what their head thinks is right and what the heart dictates. A tragic story about friendship, regret, and forgiveness. Fyodor Dostoevsky (1821-1881) was a famous Russian writer of novels, short stories, and essays. A connoisseur of the troubled human psyche and the relationships between the individuals, Dostoevsky's oeuvre covers a large area

of subjects: politics, religion, social issues, philosophy, and the uncharted realms of the psychological. There have been at least 30 film and TV adaptations of Fyodor Dostoyevsky's 1866 novel 'Crime and Punishment' with probably the most popular being the British BBC TV series starring John Simm as Raskolnikov and Ian McDiarmid as Porfiry Petrovich. 'The Idiot' has also been adapted for films and TV, as has 'Demons' and 'The Brothers Karamazov'.

away for good. To win him over, Cameron resolves to "tame" herself, like Shakespeare's shrew, Katherine. If she can make amends to those she's wronged, Andrew will have to take notice. Cameron's apology tour begins with Brendan, the guy whose social life she single-handedly destroyed. At first, Brendan isn't so quick to forgive, but slowly he warms to her when they connect over a computer game he's developing. To Cameron's amazement, she enjoys hanging out with Brendan, who views her honesty as an asset, and she wonders: maybe you don't have to compromise who you are for the kind of love you deserve. *cover may vary*
