In the Blood Del Rey
INSTANT BESTSELLER “Take my word for it, James Reece is one rowdy motherf**er. Get ready!” —Chris Pratt, star of the #1 Amazon Prime series *The Terminal List* “Jack Carr and his alter-ego protagonist, James Reece, continue to blow me away.” —Mark Greaney, #1 New York Times bestselling author of *Mission Critical* In #1 New York Times

bestselling author Jack Carr’s follow-up to *The Terminal List*, former Navy SEAL James Reece’s skill, cunning, and heroism put the US government back in his debt and set him on another path of revenge. When a string of horrific terrorist attacks plagues the Western world during the holiday season, the broader markets fall into a tailspin. The attacks are being coordinated by a shadowy former Iraqi commando who has disappeared into Europe’s underground. The United States government has an asset who can turn

the Iraqi against his masters: James Reece, the most-wanted domestic terrorist alive. After avenging the deaths of his family and team members, Reece emerges deep in the wilds of Mozambique, protected by the family of his estranged best friend and former SEAL Team member. When a series of events uncovers his whereabouts, the CIA recruits him, using a Presidential pardon for Reece and immunity for the friends who helped him in his mission of vengeance. Now a reluctant tool of the United States government, Reece travels the globe, targeting terrorist leaders, unraveling a geopolitical conspiracy that exposes a traitorous CIA officer, and uncovering a sinister assassination plot with worldwide repercussions. A high-intensity roller-coaster race against time,

True Believer is “one of this year’s hottest thrillers, and a perfect fit for fans of Vince Flynn, Brad Thor, and Daniel Silva” (The Real Book Spy).

Red Sky in the Morning HarperCollins
 #1 NEW YORK TIMES BESTSELLER • ONE OF TIME MAGAZINE’S 100 BEST YA BOOKS OF ALL TIME The extraordinary, beloved novel about the ability of books to feed the soul even in the darkest of times. When Death has a story to tell, you listen. It is 1939. Nazi Germany. The country is holding its breath. Death has never been busier, and will become busier still. Liesel Meminger is a foster girl living outside of Munich, who scratches out a meager existence for herself by stealing when she encounters something she can’t resist—books. With the help of her accordion-playing foster

father, she learns to read and shares her stolen books with her neighbors during bombing raids as well as with the Jewish man hidden in her basement. In superbly crafted writing that burns with intensity, award-winning author Markus Zusak, author of *I Am the Messenger*, has given us one of the most enduring stories of our time. “The kind of book that can be life-changing.” —The New York Times “Deserves a place on the same shelf with *The Diary of a Young Girl* by Anne Frank.” —USA Today

BRIDGE OF CLAY, MARKUS ZUSAK’S FIRST NOVEL SINCE THE BOOK THIEF.

The Weight of Our Sky Haymarket Books

The classic children’s novel of a teenage girl and her special needs brother is “quite simply, a wonderfully moving

story about the power of love” (Times Educational Supplement). Twelve-year-old Anna Peacock is looking forward to the birth of her baby brother. But when Ben is born with a rare condition, it is clear that he will never be like other children. Though Anna loves him immensely, she finds herself unable to tell her friends the truth about Ben’s disability. Over the years of Ben’s tragically short life, Anna’s perspective matures and changes. When the truth does come out, it leads not to the ridicule she once expected, but to sympathy and understanding. Highly commended for the Carnegie Medal, Elizabeth Laird’s *Red Sky in the Morning* is a heartfelt tale of love, loss, family and friendship. “A wry first-person narrative . . . Discussion of handicaps, death and

bereavement, and religious belief are carefully integrated into the story.”

—School Library Journal

Death from the Skies! Bantam

In 2002 Xinran’s *Good Women of China* became an international bestseller, revealing startling new truths about Chinese life to the West. Now she returns with an epic story of love, friendship, courage and sacrifice set in Chinese-occupied Tibet. Based on a true story, Xinran’s extraordinary second book takes the reader right to the hidden heart of one of the world’s most mysterious and inaccessible countries. In March 1958, Shu Wen learns that her husband, an idealistic army doctor, has died while serving in Tibet. Determined to find out what happened to him, she courageously sets off to join his

regiment. But to her horror, instead of finding a Tibetan people happily welcoming their Chinese “liberators” as she expected, she walks into a bloody conflict, with the Chinese subject to terrifying attacks from Tibetan guerrillas. It seems that her husband may have died as a result of this clash of cultures, this disastrous misunderstanding. But before she can know his fate, she is taken hostage and embarks on a life-changing journey through the Tibetan countryside — a journey that will last twenty years and lead her to a deep appreciation of Tibet in all its beauty and brutality. Sadly, when she finally discovers the truth about her husband, she must carry her knowledge back to a China that, in her absence, has experienced the Cultural Revolution and

changed beyond recognition. . .

Black Leopard, Red Wolf Atria/Emily Bestler Books

“Red Sky at Morning is a minor marvel: it is a novel of paradox, of identity, of an overwhelming YES to life that embraces with wonder what we are pleased to call the human condition. In short, a work of art.” — Harper Lee Hailed by the Washington Post Book World as “a sort of *Catcher in the Rye* out West,” Richard Bradford’s *Red Sky at Morning* is the classic coming-of-age story set during World War II about the enduring spirit of youth and the values in life that count. In the summer of 1944, Frank Arnold, a wealthy shipbuilder in Mobile, Alabama, receives his volunteer commission in the U.S. Navy and moves his wife, Ann, and seventeen-year-old son, Josh, to the

family’s summer home in the village of Corazon Sagrado, high in the New Mexico mountains. A true daughter of the Confederacy, Ann finds it impossible to cope with the quality of life in the largely Hispanic village and, in the company of Jimbob Buel—an insufferable, South-proud, professional houseguest—takes to bridge and sherry. Josh, on the other hand, becomes an integral member of the Sagrado community, forging friendships with his new classmates, with the town’s disreputable resident artist, and with Amadeo and Excilda Montoya, the couple hired by his father to care for their house. Josh narrates the story of his fateful year in Sagrado and, with irresistibly deadpan, irreverent humor, describes the events and people who

influence his progress to maturity. Unhindered by his mother's disdain for these "tacky, dusty little Westerners," Josh comes into his own and into a young man's finely formed understanding of duty, responsibility, and love.

The Garbage King Farrar, Straus and Giroux (BYR)

Helen Bradley is assigned to finish a travel guide who's original author has been killed. Helen must figure out who the killer is before she becomes the next victim.

Savage Son Avid Reader Press / Simon & Schuster

"Born in a tiny village amidst revolution and civil war, Anna Yegorova came of age during the grimmest years of Soviet power. An optimistic and resolute young

patriot, she saw hope and vision in the nascent superpower's ideology. She volunteered to help build Moscow. And she took to the skies and learned to fly. But when Germany's 1941 invasion shook Russia to its core, Yegorova joined her fellow pilots in the bloodiest war zone in human history, flying hair-raising reconnaissance missions in a wooden biplane. She became a flight leader in the famously deadly "Shturmovik" ground-attack aircraft, guiding her comrades in furious air battles along the Southern front. Eventually shot down and captured near Warsaw, Yegorova survived five months in a Nazi concentration camp. After the war, she was welcomed home with suspicion and persecution by the notorious Soviet secret police. Amid the epic catastrophe

of Russia's "Great Patriotic War" and her own personal tragedies, Yegorova's story is also one of joy, camaraderie among soldiers and pilots and the quiet satisfaction of defending one's country, all against a backdrop of love for the freedom of flight. In 1965, Yegorova was awarded the illustrious "Hero of the Soviet Union", then Moscow's highest honor"--P. [4] of cover.

Red Sky in Mourning Hyperion
Before *The Perfect Storm*, before *In the Heart of the Sea*, Steven Callahan's dramatic tale of survival at sea was on the New York Times bestseller list for more than thirty-six weeks. In some ways the model for the new wave of adventure books, *Adrift* is an undeniable seafaring classic, a riveting firsthand account by the only man known to have

survived more than a month alone at sea, fighting for his life in an inflatable raft after his small sloop capsized only six days out. "Utterly absorbing" (Newsweek), *Adrift* is a must-have for any adventure library.

Red Sky Over Hawaii Simon and Schuster

"Tom King's debut novel opens in an imaginative world of comic book superheroes struggling to take on normal lives after sacrificing their powers to save the world"--

Red Sky at Night Simon and Schuster
"Take my word for it, James Reece is one rowdy motherf***er. Get ready!"—Chris Pratt, star of the #1 Amazon Prime series *The Terminal List* "A rare gut-punch writer, full of grit and insight, who we will be happily reading for years to

come.” —Gregg Hurwitz, New York Times bestselling author of the Orphan X series? In this third high-octane thriller in the “seriously good” (Lee Child, #1 New York Times bestselling author) Terminal List series, former Navy SEAL James Reece must infiltrate the Russian mafia and turn the hunters into the hunted. Deep in the wilds of Siberia, a woman is on the run, pursued by a man harboring secrets—a man intent on killing her. A traitorous CIA officer has found refuge with the Russian mafia with designs on ensuring a certain former Navy SEAL sniper is put in the ground. Half a world away, James Reece is recovering from brain surgery in the Montana wilderness, slowly putting his life back together with the help of investigative journalist Katie Buranek and his longtime friend and

SEAL teammate Raife Hastings. Unbeknownst to them, the Russian mafia has set their sights on Reece in a deadly game of cat and mouse. As Jack Carr’s most visceral and heart-pounding thriller yet, *Savage Son* explores the darkest instincts of humanity through the eyes of a man who has seen both the best and the worst of it.

Red Sky in Mourning Simon and Schuster
An Atria Book. Atria Books has a great book for every reader.

The Unseen Center Point

Amidst the Chinese-Malay conflict in Kuala Lumpur in 1969, sixteen-year-old Melati must overcome prejudice, violence, and her own OCD to find her way back to her mother.

Red Sky at Noon Simon and Schuster
The Navajo called them the Anasazi, the

“ancient enemy,” and their abandoned cities haunt the canyons and plateaus of the Southwest. For centuries the sudden disappearance of these people baffled historians. Summoned to a dark desert plateau by a desperate letter from an old friend, renowned investigator Mike Raglan is drawn into a world of mystery, violence, and explosive revelations. Crossing a border beyond the laws of man and nature, he will learn of the astonishing world of the Anasazi and discover the most extraordinary frontier ever encountered.

Death Rides the Sky Penguin

Inspired by the true story of an African childhood lived on the edge of destitution, award-winning Elizabeth Laird's *The Garbage King* takes readers on an unforgettable emotional journey.

When Mamo's mother dies, he is abandoned in the shanties of Addis Ababa. Stolen by a child-trafficker and sold to a farmer, he is cruelly treated. Escaping back to the city, he meets another, very different runaway. Dani is rich, educated - and fleeing his tyrannical father. Together they join a gang of homeless street boys who survive only by mutual bonds of trust and total dependence on each other.

Rest Area Hyperion

A teenage boy in 1940s Italy becomes part of an underground railroad that helps Jews escape through the Alps, but when he is recruited to be the personal driver for a powerful Third Reich commander, he begins to spy for the Allies.

Red Sky in Mourning Simon and Schuster

The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.

The Devil's Hand Penguin

NEW YORK TIMES BESTSELLER "This is history at its most immediate and moving...A marvelous and memorable book." —Jon Meacham "Remarkable...A priceless civic gift...On page after page, a reader will encounter words that startle, or make him angry, or heartbroken." —The Wall Street Journal "Visceral...I repeatedly cried...This book captures the emotions and unspooling horror of the day." —NPR "Had me

turning each page with my heart in my throat...There's been a lot written about 9/11, but nothing like this. I urge you to read it." —Katie Couric The first comprehensive oral history of September 11, 2001—a panoramic narrative woven from the voices of Americans on the front lines of an unprecedented national trauma. Over the past eighteen years, monumental literature has been published about 9/11, from Lawrence Wright's *The Looming Tower*, which traced the rise of al-Qaeda, to The 9/11 Commission Report, the government's definitive factual retrospective of the attacks. But one perspective has been missing up to this point—a 360-degree account of the day told through the voices of the people who experienced it. Now, in *The Only*

Plane in the Sky, award-winning journalist and bestselling historian Garrett Graff tells the story of the day as it was lived—in the words of those who lived it. Drawing on never-before-published transcripts, recently declassified documents, original interviews, and oral histories from nearly five hundred government officials, first responders, witnesses, survivors, friends, and family members, Graff paints the most vivid and human portrait of the September 11 attacks yet. Beginning in the predawn hours of airports in the Northeast, we meet the ticket agents who unknowingly usher terrorists onto their flights, and the flight attendants inside the hijacked planes. In New York City, first responders confront a scene of unimaginable horror at the

Twin Towers. From a secret bunker underneath the White House, officials watch for incoming planes on radar. Aboard the small number of unarmed fighter jets in the air, pilots make a pact to fly into a hijacked airliner if necessary to bring it down. In the skies above Pennsylvania, civilians aboard United Flight 93 make the ultimate sacrifice in their place. Then, as the day moves forward and flights are grounded nationwide, Air Force One circles the country alone, its passengers isolated and afraid. More than simply a collection of eyewitness testimonies, *The Only Plane in the Sky* is the historic narrative of how ordinary people grappled with extraordinary events in real time: the father and son working in the North Tower, caught on different ends of the

impact zone; the firefighter searching for his wife who works at the World Trade Center; the operator of in-flight telephone calls who promises to share a passenger's last words with his family; the beloved FDNY chaplain who bravely performs last rites for the dying, losing his own life when the Towers collapse; and the generals at the Pentagon who break down and weep when they are barred from rushing into the burning building to try to rescue their colleagues. At once a powerful tribute to the courage of everyday Americans and an essential addition to the literature of 9/11, *The Only Plane in the Sky* weaves together the unforgettable personal experiences of the men and women who found themselves caught at the center of an unprecedented human drama. The result

is a unique, profound, and searing exploration of humanity on a day that changed the course of history, and all of our lives.

Red Sky in Mourning Bloomsbury Professional

The 10th anniversary edition A Guardian Best Book about Deforestation A New Scientist Best Book of the Year A Taipei Times Best Book of the Year "A perfectly grounded account of what it is like to live an indigenous life in communion with one's personal spirits. We are losing worlds upon worlds." —Louise Erdrich, New York Times Book Review "The Yanomami of the Amazon, like all the indigenous peoples of the Americas and Australia, have experienced the end of what was once their world. Yet they have survived and somehow succeeded in

making sense of a wounded existence. They have a lot to teach us.” —Amitav Ghosh, *The Guardian* “A literary treasure...a must for anyone who wants to understand more of the diverse beauty and wonder of existence.” —*New Scientist* A now classic account of the life and thought of Davi Kopenawa, shaman and spokesman for the Yanomami, *The Falling Sky* paints an unforgettable picture of an indigenous culture living in harmony with the Amazon forest and its creatures, and its devastating encounter with the global mining industry. In richly evocative language, Kopenawa recounts his initiation as a shaman and first experience of outsiders: missionaries, cattle ranchers, government officials, and gold prospectors seeking to extract the riches of the Amazon. A coming-of-

age story entwined with a rare first-person articulation of shamanic philosophy, this impassioned plea to respect indigenous peoples’ rights is a powerful rebuke to the accelerating depredation of the Amazon and other natural treasures threatened by climate change and development.

[Sky Burial](#) Pan Macmillan

It's only a matter of time before a cosmic disaster spells the end of the Earth. But how concerned should we about about any of these catastrophic scenarios? And if they do post a danger, can anything be done to stop them?

[Red Sky, Black Death](#) Lake Union Publishing

In his highly acclaimed debut, *The Lies of Locke Lamora*, Scott Lynch took us on an adrenaline-fueled adventure with a band

of daring thieves led by con artist extraordinaire Locke Lamora. Now Lynch brings back his outrageous hero for a caper so death-defying, nothing short of a miracle will pull it off. After a brutal battle with the underworld that nearly destroyed him, Locke and his trusted sidekick, Jean, fled the island city of their birth and landed on the exotic shores of Tal Verrar to nurse their wounds. But even at this westernmost edge of civilization, they can't rest for long—and are soon back to what they do best: stealing from the undeserving rich and pocketing the proceeds for themselves. This time, however, they have targeted the grandest prize of all: the Sinspire, the most exclusive and heavily guarded gambling house in the world. Its nine floors attract the wealthiest

clientele—and to rise to the top, one must impress with good credit, amusing behavior...and excruciatingly impeccable play. For there is one cardinal rule, enforced by Requin, the house's cold-blooded master: it is death to cheat at any game at the Sinspire. Brazenly undeterred, Locke and Jean have orchestrated an elaborate plan to lie, trick, and swindle their way up the nine floors...straight to Requin's teeming vault. Under the cloak of false identities, they meticulously make their climb—until they are closer to the spoils than ever. But someone in Tal Verrar has uncovered the duo's secret. Someone from their past who has every intention of making the impudent criminals pay for their sins. Now it will take every ounce of cunning to save their

mercenary souls. And even that may not be enough.... Praise for Red Seas Under Red Skies “Lynch hasn’t merely imagined a far-off world, he’s created it, put it all down on paper—the smells, the sounds, the people, the feel of the place. The novel is a virtuoso performance, and sf/fantasy fans will gobble it up.”—Booklist (starred review) “Red Seas Under Red Skies firmly proves that

Scott Lynch isn’t a one-hit wonder. . . . It’ll only be a matter of time before Scott Lynch is mentioned in the same breath as George R. R. Martin and Steven Erikson.”—Fantasy Book Critic “Grand, grandiose, grandiloquent . . . No critic is likely to fault Lynch in his overflowing qualities of inventiveness, audacious draftsmanship, and sympathetic characterization.”—Locus
