DAKOTA RAIDEN

Passport Harper Collins

As the worst snow storm of the year rolls in, one family hunkers down together in a cozy blanket fort for the night. A little girl makes a wish on a snow globe and, in the morning, the sun rises on a winter wonderland--beckoning all outside. And what if, on this snow-filled day, families shake their busy lives and everyone goes out to play? A lyrical holiday story about wishes and community and snow--lots and lots of snow.

The True Story of Easter Dragonfly Books

Who am I? It's a question a lot of children seem to ask themselves, at which point being "them" simply isn't enough.

They want to be someone better. Many kids want to change their names. This is what happened to Wilma Lee Wu. One day, Wilma decides she no longer likes her name, and she sets off for the Change Your Name Store to find a new one. Once at the store, the possibilities seem endless. Mrs. Zeena McFooz, the store-owner, says that Wilma can try out any new name she wants with one catch: she must "go for a ride" to discover what it means to be that name. Will being Babette Bijou from France be better than Wilma Lee Wu? What about Dominga Delfino from Belize? Featuring an exciting story of discovery from author and humor blogger Leanne Shirliffe (of [IronicMom.com](#)), and fun, simple illustrations by Tina Kügler, The Change Your Name Store takes children on a journey to find their true identity and to celebrate who they are—name and all. Children ages 3 to 6 will be able to relate to Wilma's search for who she really is. The book promotes diversity, which is an important topic to kids to understand at an early age, and will be a good addition to preschool classrooms and urban homes in particular. Zeena McFooz is gentle and matter-of-fact, and the tone of the book is one of exploration and celebration of our individuality. The illustrations are sure to captivate kids' attention while helping to bring this important message to life. Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a New York Times bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

In this thrilling climbing adventure from bestselling author Roland Smith, summiting one of the most isolated mountains in the world may be the easiest thing Peak does. After conquering the mountains in Afghanistan, Peak Marcello goes to Myanmar, a country that has been in the grips of a brutal military regime for more than fifty years, to visit Alessia. When he's invited to climb the remote Hkakabo Razi, Peak can't pass up the opportunity. But getting to the mountain will involve a four-week trek through tropical rainforests rife with hazards—from venomous reptiles and leeches to corrupt police and military. This thrilling teen climbing adventure is "the perfect antidote for kids who think books are boring" (Publishers Weekly starred review for Peak). Roland Smith's Peak Marcello's Adventures are: Peak The Edge Ascent Descent

Created by Book Riot, an online destination devoted to people who live to read, this smartly designed reading log consists of entry pages to record stats, impressions, and reviews of each book you read. Evenly interspersed among these entry pages are 12 challenges inspired by Book Riot's annual Read Harder initiative, which began in 2015 to encourage readers to pick up passed-over books, try out new genres, and choose titles from a wider range of voices and perspectives. Indulge your inner book nerd and read a book about books, get a new perspective on current events by reading a book written by an immigrant, find a

hidden gem by reading a book published by an independent press, and so much more. Each challenge includes an inspiring quotation, an explanation of why the challenge will prove to be rewarding, and five book recommendations that fulfill the challenge.
