[Around Atlanta with Children](#) Fodor's

The New York Times bestseller with more than 1 million copies sold worldwide Inspired by the incredible true story of one Jewish family separated at the start of World War II, determined to survive—and to reunite—*We Were the Lucky Ones* is a tribute to the triumph of hope and love against all odds. "Love in the face of global adversity? It couldn't be more timely." —Glamour It is the spring of 1939 and three generations of the Kurc family are doing their best to live normal lives, even as the shadow of war grows closer. The talk around the family Seder table is of new babies and budding romance, not of the increasing hardships threatening Jews in their hometown of Radom, Poland. But soon the horrors overtaking Europe will become inescapable and the Kurcs will be flung to the far corners of the world, each desperately trying to navigate his or her own path to safety. As one sibling is forced into exile, another attempts to flee the continent, while others

struggle to escape certain death, either by working grueling hours on empty stomachs in the factories of the ghetto or by hiding as gentiles in plain sight. Driven by an unwavering will to survive and by the fear that they may never see one another again, the Kurcs must rely on hope, ingenuity, and inner strength to persevere. An extraordinary, propulsive novel, *We Were the Lucky Ones* demonstrates how in the face of the twentieth century's darkest moment, the human spirit can endure and even thrive.

Fun with the Family in Georgia Insiders' Guide

This enchanting interactive book is ready to be customized and record all the amazing memories of all sorts of camps, road trips, family holidays and summer vacations. Create a keepsake which is fun, educational and builds excitement for the trip! There's plenty of space to write, draw, stick-in souvenirs photos, tickets and customize to make a unique, creative record and scrapbook of your trip. Kids are prompted to log the weather, activity, what they saw, ate, who they met, what they learned and what they are grateful for. After recording entries for the day, there is the option to draw or sketch any interesting sites they would like with included storyboard pages. Remember

cool stuff and create a unique keepsake! This handy (8.5" x 11") travel journal for kids has plenty of space to write in and yet it's easy to carry! Great for pit stops, waiting at terminals, on the airplane, train, bus or car Activity sheets for kids to spend down time with Word Searches, Drawing, Comic Frames, Coloring, Dot to Dot and other travel games. A woman discovers the literal skeleton in her family's closet in the first Family Skeleton Mystery! Moving back into her parents' house with her teenage daughter had not been Georgia Thackery's "Plan A." But when she got a job at the local college, it seemed the sensible thing to do. So she settled in and began reconnecting with old friends. Including Sid. Sid is the Thackery family's skeleton. He's lived in the house as long as Georgia can remember, although no one, including Sid, knows exactly where he came from and how he came to be a skeleton. Sid walks, he talks, he makes bad jokes, he tries to keep Georgia's dog from considering him a snack. And he manages to persuade Georgia to let him leave the house. But when she takes him to an anime convention—disguised as a skeleton, of course—he sees a woman who triggers memories of his past. Now he is determined to find out how he died—with Georgia's help. But their investigation may uncover a killer who's still alive and well and bad to the bone...

Jekyll Journey Penguin

Jekyll Journey: A Family Guide to Jekyll Island is a fascinating, fun-filled book that ventures far beyond the Jekyll Island experienced by most visitors. Written with families and learning in mind, Jekyll Journey is equally valuable to single travelers and couples. Whether you are visiting Jekyll for the first time or the fifteenth, a new understanding and appreciation of the island awaits with Jekyll Journey as your guide. Complete with cross-curricular activities for a wide range of ages, Jekyll Journey makes island exploration educational and fun at the same time.

The Kids' Guide to Birds of Georgia Rowman & Littlefield

Contains up-to-date information on travel in the state of Georgia, with recommendations on

lodging, restaurants, regional events, family activities, entertainment, and natural landmarks.

Georgia Abrams

Science and art come together in this colorful and empowering picture book about a strong minded girl scientist and her artist family. Is it possible for science and art to really mix? Georgia wants to be a scientist, and a great one at that. But in order become a great scientist, she must first create her own, unique experiment. Her mother, father, grandma, and brother all want to help, but they're artists. How could they possibly help her with science? Everyone knows art and science just don't go together! As Georgia struggles to create her unique experiment, she eventually learns that sometimes science, too, can be a work of art.

[Fun Places to Go](#) Holiday House

According to the Travel Industry Association of America, almost half of all trips taken in the U.S. include children. Globe Pequot's Fun with the Family "TM" series (formerly Family Adventure Guides "TM") caters to this growing market. Like asking a trusted friend for advice, this series gives the low-down on the most entertaining and educational places to go with younger children.

Georgia's Terrific, Colorific Experiment Random House

"This diplomatic guide offers advice on how parents can navigate caring for a blended family.... Blackstone packs this encyclopedic manual full of insight." -Publishers Weekly "This definitive practical guide addresses nearly every situation that bonus families might experience." - Library Journal An essential resource for today's integrated families Imagine you're in a heated argument. Your kids have decided that they don't want to go back to your ex's home, and your ex isn't having it. Meanwhile, your new partner is squirming uncomfortably in the other room. What do you do? How do you stop the madness and come together to find the best solution for everyone? The Bonus Family Handbook introduces readers to a completely new approach to co-parenting and blending families. Until now, parents have been told that once there's been a break-up, they become autonomous, single parents, and can make decisions for their children on their own. But that's not true. That's not real life. That "old school" break-up attitude offers no direction for co-parenting. The Bonus Family Handbook changes all that. It helps even the most contentious parents learn how to work together in the name of their children, teaching them how to apply practical co-parenting techniques so that they will be able to form a supportive, loving family. The Bonus Family Handbook also recognizes the importance of incorporating new partners into the mix—of bringing in Bonus Moms and Bonus Dads—and empowering them to make decisions for the safety and well-being of the children. With its emphasis on positive, collaborative co-parenting, this book is an essential resource for today's integrated families.

Atlanta CreateSpace

NATIONAL BESTSELLER • A modern classic of true crime, set in a most beguiling Southern city—now in a 30th anniversary edition with a new afterword by the author “Elegant and wicked . . . might be the first true-crime book that makes the reader want to book a bed and breakfast for an extended weekend at the scene of the crime.”—The New York Times Book Review Shots rang out in Savannah's grandest mansion in the misty, early morning hours of May 2, 1981. Was it murder or self-defense? For nearly a decade, the shooting and its aftermath reverberated throughout this hauntingly beautiful city of moss-hung oaks and shaded squares. In this sharply observed, suspenseful, and witty narrative, John Berendt skillfully interweaves a hugely entertaining first-person account of life in this isolated remnant of the Old South with the unpredictable twists and turns of a landmark murder case. It is a spellbinding story peopled by a gallery of remarkable characters: the well-bred society ladies of the Married Woman's Card Club; the turbulent young gigolo; the hapless recluse who owns a bottle of poison so powerful it could kill every man, woman, and child in Savannah; the aging and profane Southern belle who is the “soul of pampered self-absorption”; the uproariously funny drag queen; the acerbic and arrogant antiques dealer; the sweet-talking, piano-playing con artist; young people dancing the minuet at the black debutante ball; and Minerva, the voodoo priestess who works her magic in the graveyard at midnight. These and other Savannahians act as a Greek chorus, with Berendt revealing the alliances, hostilities, and intrigues that thrive in a town where everyone knows everyone else. Brilliantly conceived and masterfully written, *Midnight in the Garden of Good and Evil* is a sublime and seductive reading experience.

A Study in the Development of a Technique for Determining the Amount of Time and Types of Activities which Family Members Share Fodors Travel Publications

Jacob writes a letter home each of the twelve days he spends exploring Georgia at Christmastime, as his cousin Ava shows him everything from a brown thrasher in a live oak tree to twelve bouncing kangaroos. Includes facts about Georgia.
