DUNN ANIYAH

The Prophet's Wife HarperChristian + ORM

“A unique and special kind of masterpiece.” —John Banville
Stephen Mitchell’s gift is to breathe new life into ancient classics. In *Joseph and the Way of Forgiveness*, he offers us his riveting novelistic version of the Biblical tale in which Jacob’s favorite son is sold into slavery and eventually becomes viceroy of Egypt. Tolstoy called it the most beautiful story in the world. What’s new here is the lyrical, witty, vivid prose, informed by a wisdom that brings fresh insight to this foundational legend of betrayal and all-embracing forgiveness. Mitchell’s retelling, which reads like a

postmodern novel, interweaves the narrative with brief meditations that, with their Zen surprises, expand the narrative and illuminate its main themes. By stepping inside the minds of Joseph and the other characters, Mitchell reanimates one of the central stories of Western culture. The engrossing tale that he has created will capture the hearts and minds of modern readers and show them that this ancient story can still challenge, delight, and astonish.

Joseph in Egypt (Vol. 1) TAN Books

Jaroslav Pelikan, widely regarded as one of the most distinguished historians of our day, now provides a clear and engaging account of the Bible’s journey from oral narrative to Hebrew and Greek text to today’s countless editions. Pelikan explores the evolution of the Jewish, Protestant, and Catholic

versions and the development of the printing press and its effect on the Reformation, the translation into modern languages, and varying schools of critical scholarship. *Whose Bible Is It?* is a triumph of scholarship that is also a pleasure to read.

Joseph the Provider Crown

Retells in verse the story of Joseph and his brothers.

The Thirteen Rourke Publishing (FL)

Fictionalized life of Joseph, son of Jacob, from his imprisonment in Egypt, through his rise to power, to his death.

Holy Bible (NIV) DigiCat

Retells the bible story of Joseph, whose brothers tried to kill him because of his dreams.

Sold into Slavery Wildside Press LLC

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

Genesis Zonderkidz

Within the context of the Torah, the Joseph story can be read as a transition that explains why Jacob and his family came to Egypt. However, if one looks at other texts of the Hebrew Bible, there is no mention of the Joseph story; instead, the arrival of the Israelites is said to be the result of the decision of a "father" or of "fathers" to go down do Egypt. Indeed, there are very few references to Joseph at all in the whole Hebrew Bible. Apparently, the Joseph story is not necessary for explaining why the Israelites found themselves in Egypt. The question therefore arises: Why was this story written, when, and for what audience? This volume

offers an overview of the current discussion on the origins, composition, and historical contexts behind the Joseph narrative. There is a tendency to date the story (or its original version) to the Persian period, but this volume includes divergent voices about this issue. The volume also shows that scholarly discussion about the historical location of the Joseph story requires to bring together Egyptologists and biblical scholars.

Less Than Perfect DigiCat

"Daniel Randolph Deal is a Southern aristocrat, having the required bloodline, but little of the nobility. A man resistant to the folly of ethics, he prefers a selective, self-indulgent morality. He is a confessed hedonist, albeit responsibly so."--Back cover

The Beginning of Wisdom HarperCollins UK

Joseph, son of Jacob, is given a special coat as a sign of his father's love. Filled with jealousy, Joseph's brothers sell him into slavery. After years in prison, Joseph rises to power and becomes the powerful governor of Egypt. Famine in Canaan forces Joseph's brothers to travel to Egypt in search of food. They appear before the Egyptian governor. Never in their wildest dreams could they have imagined their younger brother would become Pharaoh's advisor. Can Joseph's faith help him overcome his past and forgive his brothers? Filled with colorful illustrations and biblical truth, *Sold into Slavery* is part of the Bible Pathway Adventures' series of biblical adventures. If your children like gripping action and courageous Israelites, then they'll love this biblical adventure series from Bible Pathway Adventures. The search for truth is more fun than tradition!

DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

Genesis (Baker Commentary on the Old Testament: Pentateuch)
Ensign Peak

Ranked 2nd [after James Joyce's *Ulysses*] on the Modern Library's list of "The 100 Best Novels" Ranked 46th on the French *Le Monde's* list of "The 100 Best Novels in the World" *The Great Gatsby* is the anthem of the Jazz Age, the decadent twenties' seminal work, and the ultimate novel about the American Dream. It doesn't matter how many times it's adapted into film. Or theater. Or opera. It's through F. Scott Fitzgerald's masterful prose that the story of the ruthless and extravagant Jay Gatsby, narrated by the honest Nick Carraway, continues to live on as the great American classic. F. SCOTT FITZGERALD [1896-1940] was an American author, born in St. Paul, Minnesota. His legendary marriage to Zelda Montgomery, along with their acquaintances with notable figures such as Gertrude Stein and Ernest Hemingway, and their lifestyle in 1920s Paris, has become iconic. A master of the short story genre, it is logical that his most famous novel is also his shortest: *The Great Gatsby* [1925].

The Eleventh Brother Grove/Atlantic, Inc.

Verse-by-verse commentary on the book of Genesis.

Joseph the Dreamer Watchmaker Publishing

This remarkable new translation of the Nobel Prize-winner's great

masterpiece is a major literary event. Thomas Mann regarded his monumental retelling of the biblical story of Joseph as his magnum opus. He conceived of the four parts—*The Stories of Jacob*, *Young Joseph*, *Joseph in Egypt*, and *Joseph the Provider*—as a unified narrative, a “mythological novel” of Joseph's fall into slavery and his rise to be lord over Egypt. Deploying lavish, persuasive detail, Mann conjures for us the world of patriarchs and pharaohs, the ancient civilizations of Egypt, Mesopotamia, and Palestine, and the universal force of human love in all its beauty, desperation, absurdity, and pain. The result is a brilliant amalgam of humor, emotion, psychological insight, and epic grandeur. Now the award-winning translator John E. Woods gives us a definitive new English version of *Joseph and His Brothers* that is worthy of Mann's achievement, revealing the novel's exuberant polyphony of ancient and modern voices, a rich music that is by turns elegant, coarse, and sublime.

Genesis Beginner's Bible

This landmark commentary marshals the vast experience and brilliant insights of one of today's most revered Old Testament scholars. To those familiar with the work of Bruce K. Waltke, the significance and value of *Genesis* will be instantly apparent. Others who are unfamiliar with Waltke have only to read the first few chapters to understand why he has earned the reputation of a scholar's scholar, and why this masterful volume stands like a monolith among Old Testament commentaries. Exploring the first book of the Bible as "theological literature," Waltke illuminates its meanings and methods for the pastor, scholar, teacher, student, and Bible-lover. *Genesis* strikes an unusual balance by emphasizing the theology of the Scripture text while also paying

particular attention to the flow and development of the plot and literary techniques--inclusion, irony, chiasm, and concentric patterning--that shape the message of the "book of beginnings". Genesis Models the way to read and interpret the narratives of the book of Genesis Provides helpful exegetical notes that address key issues and debates surrounding the text Includes theological reflections on how the message addresses our contemporary theological and social issues, such as ecology, homosexuality, temperance, evil, prayer, and obedience Addresses critical interpretive issues, such as authenticity, date, and authorship For all the author's formidable intellect and meticulous research, Genesis is amazingly accessible. This is no mere study tool. Lucidly and eloquently written, it is a work of the heart that helps us not only to understand deeply God's Word in its context, but also to consider how it applies to us today.

The Fourth Turning Baker Academic

A sweeping, lyrical tale of historical fiction that tells the unbelievable story of the early days of the Mormon church through the eyes of the woman who saw it all—Emma, the first wife of the prophet Joseph Smith. In 1825, in rural Pennsylvania, Emma Hale marries an itinerant treasure-digger, a man who has nothing but a peep-stone in his pocket and a conviction that he can speak directly to God. His name is Joseph Smith and in a few short years, he will found his own religion, gather zealous adherents by the tens of thousands, and fracture Emma's life and faith While the Mormon religion finds its feet and runs beyond the grasp of its founder, Emma struggles to maintain her place in Joseph's heart—and in the religion that has become her world. The Mormons make themselves outcasts everywhere they go.

Joseph can only maintain his authority by issuing ever-stranger commandments on God's behalf, culminating in an edict that men should marry as many women as they please. The Mormons' adoption of polygamy only sets them further apart, and soon their communities are ravaged by violence at the hands of their outraged fellow Americans. For Emma, things take a more personal toll as Joseph brings in a new wife—a woman whom Emma considers a sister. As Emma's family grows along with Joseph's infamy, she knows there will never be peace until Joseph faces the law. But on the half-wild edge of the frontier, he's more likely to find death at the hands of a vigilante posse than a fair trial. For the sake of her people—and her soul—Emma must convince the Prophet of God to surrender... and perhaps to sacrifice his life.

The Life of Blessed Margaret of Castello Bible Pathway Adventures

NATIONAL BESTSELLER • Discover the game-changing theory of the cycles of history and what past generations can teach us about living through times of upheaval—with deep insights into the roles that Boomers, Generation X, and Millennials have to play—now with a new preface by Neil Howe. First comes a High, a period of confident expansion. Next comes an Awakening, a time of spiritual exploration and rebellion. Then comes an Unraveling, in which individualism triumphs over crumbling institutions. Last comes a Crisis—the Fourth Turning—when society passes through a great and perilous gate in history. William Strauss and Neil Howe will change the way you see the world—and your place in it. With blazing originality, *The Fourth Turning* illuminates the past, explains the present, and reimagines the future. Most

remarkably, it offers an utterly persuasive prophecy about how America's past will predict what comes next. Strauss and Howe base this vision on a provocative theory of American history. The authors look back five hundred years and uncover a distinct pattern: Modern history moves in cycles, each one lasting about the length of a long human life, each composed of four twenty-year eras—or “turnings”—that comprise history's seasonal rhythm of growth, maturation, entropy, and rebirth. Illustrating this cycle through a brilliant analysis of the post-World War II period, *The Fourth Turning* offers bold predictions about how all of us can prepare, individually and collectively, for this rendezvous with destiny.

Joseph Forgives His Brothers HarperCollins

As famine overtakes the land, Simeon leads his brothers into Egypt to buy grain. He doesn't recognize the vengeful ruler he must bow before: Joseph, his long-lost brother.

The Joseph Story Between Egypt and Israel Enduring Word Media
A translation of Genesis, which attempts to recover the meanings of the ancient Hebrew and convey them in modern English prose. It is accompanied by a commentary and annotations, and aims to illuminate the original work without any touch of the fake antique.

Joseph in Egypt (Vol. 2) Penguin

What can the Bible's most flawed men and women reveal about who God is and how he reaches out to less-than-perfect people? In *Less Than Perfect*, bestselling author Ann Spangler takes us

beyond cardboard cutouts of 38 biblical characters to show us how these were real individuals who had dreams, temptations, and weaknesses just like us. Whether considering the murderous Herodias, the scheming Jacob, or the doubting Sarah, Spangler approaches both familiar and lesser known characters with fresh eyes. We meet each of these individuals again as if for the first time as Spangler offers a dramatic retelling of their lives, insight into the historical and cultural context of their time, and key takeaway points for our lives today. Each chapter includes questions for discussion or reflection, making *Less Than Perfect* ideal for individual or group Bible study. Entertaining, informative, and inspirational, *Less Than Perfect* gives you a big picture view of the Bible even as it takes you into the hearts and minds of people with struggles just like yours. As you learn more about the individuals who are part of your spiritual family tree, you'll discover why God loves to use imperfect people to tell his perfect story of redemption.

The Friends' Book Modernista

This series of three novellas is unified by an overarching motif: in all three tales, a mysterious secret society known as The Thirteen is at work behind the scenes. The men in the group have pledged eternal loyalty to each other, and if any member ever finds himself in peril, it is the sworn duty of the others to come to his aid. Honore de Balzac uses this premise as a device to explore a wide range of topics, including clashes between different classes of society, doomed romances, and intrigue driven by greed.
